close third with 24. This year's total for 24 of the 25 fraternities on the campus is only 24 less than the number pledges at the close of rush week last year According to a report of Lloyd Friedman, chairman of the inter fraternity rushing committee, 433 men filed rush cards in the interfraternity council offices. This number is a reduction of 33 from last year's total.

No Violations Reported. Prof. E. F. Shramm, adviser to the interfraternity council, stated that no flagrant violations of rushing rules had been reported as yet. All charges of unfair rushing practices must be filed by a com plaining fraternity. If any such charges are brought they will be tried by the interfraternity council's first meeting of the year probably to be held Tuesday night The council has the authority to levy heavy fines for such viola-
