play of truly soulful music, Probably the most significant contri-butions were the instrumental numbers. They included "Indian Sketches," a suite for string quar-ted mod true future suit "Dar-

Sketches," a suite for string quar-tet and two flutes, and "Pas-torale" for string trio. The most striking of these was the setting of a Fawnee melody, "Lument of the Warrior's Wife." It begins with a plaintive melody intro-duced by the first violin and ex-**APPROACHING '36** panded by the quartet. Later, warlike motive is introduced with representation of tom-toms by the cello. This is followed by a recurrence of the plaintive strains. The "Pastoral" is simple in strictly musical content, yet deeply complex in the range of its ap-parent ideas and implications. Like much organ music it is possible much great music, it is possible that it will require many repeated
