

SOONERS ELEVATED BY TROUNCING HUSKERS.

It was just as expected signs of winter, but anyhow, Coach Stadium announced yesterday that he was having difficulties with his boys after their good showing against the Huskers. The Oklahoma boys are now identified as the team that tied Nebraska and have consequently grown overly cocky about the whole situation.

In the time since the game Tom has done little other than to try to dampen this conceit.

It was interesting to note the tabulations of the supposedly top teams of the nation this week. Nebraska, still undefeated, was rated as an eighth ranker by the Associated Press. Minnesota was placed in fourth spot.

California First.

California was first. Ranking on down the line the AP had Alabama, Pittsburgh, Minnesota, Yale, Louisiana State, Northwestern, Huskers, Fordham and Duke.

The basis of Nebraska's ranking is due to her scoreless tie last week, but we here in Huskerland doubt if tying a team like the Sooners should be a cause for much.

Scoring leaders for the Big Six include five Nebraska ball carriers, but none of them are in the first three. Douglass of Kansas is top man with 22 points. Huddleston and Kischer are next in line with 12 and 9 tallies respectively. Howell, Andrews, Amen, Callihan, and Plock come in at their heels with 6 points per.

Selleck's O. K.

Those who feel the urge to curse our business manager John K. Selleck, may retract their vile words when they hear this tale of humanity.

When Eldon McIlravy, recuperating in the Lincoln General hospital, began to be his normal self again and regained consciousness, Selleck phoned one of the local music stores.

"I want you to send McIlravy one of the finest little table radios you have," said the toupeless manager. "I don't want to rent one, I want to buy one, so pick one out that he'll like as his own."

Dr. Frederick Stuff of the '90 class gives a review of the pioneer American novel "Ormond," published in 1798 by the first American novelist, Charles Brockden Brown. Dr. Stuff has been with the university faculty since 1902 and taught until this year when he was retired with emeritus standing.

Earliest Male Graduate.

Charles L. Brainard, the earliest male graduate of the university who is still living, tells his own story in this month's Alumnus. Mr. Brainard, having graduated in the class of 1877 is still in excellent health as he travels around the country from Estes Park to California and from California to Florida.

With his A.B. from Nebraska and his Ph.D. from Pennsylvania and a present position in the sociological department of the University of Kansas, Loren C. Eiseley writes "Underground," a bit of adventure that takes place while two men are exploring an unknown cave. Ray Ramsey sends a message to the alumni concerning the Student Union, its value to alumni returning to the campus who have no fraternal houses to make their headquarters, and he appeals to the altruistic nature of the alumni whose project it is to purchase the furnishings for the new student building.

Maxine Jones returns to her writing of Campus Cycle and Alumni Paragraphs and Ruby Wilder, of '25 and assistant reference librarian, writes "Bibliographical Notes" on current publications and editorial work of the university faculty, former faculty and alumni.

COACHES STATE HUSKER QUARTER DEFINITELY OUT

Varsity Eleven Amasses 72 Points Against Fresh In Scrimmage.

Football stock at the Cornhusker market seemed a bit shaky Tuesday afternoon when it was learned that Johnny Howell, quarterback, confined to the Lincoln General hospital since Saturday, has a little chance of playing in the Mizzou game this week end.

Howell aggravated a crippled leg in the Oklahoma contest last Saturday and was advised to favor the ailing member. However, Howell's leg has not been responding very favorably to the treatments.

Bearing this thought in mind, the Husker scoring machine was oiled and thrown into high gear yesterday and sped over the varsity field to the tune of 72 points at the expense of Ed Weir's yearling outfit.

Hoffman Tallies Thrice.

Hugo Hoffman, fleet halfback from Ashland, led the scoring parade with three touchdowns and was followed by Marvin Plock and Jack Dodd with two tallies each. Bill Callihan, Kenneth Shindo, George Porter, Harris Andrews and Roy Petchek each pushed over a six point counter.

Long touchdown gallops were much in evidence in yesterday's skirmish on a sodden field. Harris Andrews ran 72 yards for the longest jaunt of the day while Shindo, on the receiving end of a Mather-Anderson lateral, scampered 65 yards for another tally. Jack Dodd covered 55 yards for another long run of the day.

Spasmodic rains forced the Jonesmen to don hooded jackets for their lengthy workout in preparation for their acid test with Missouri at Columbia. Still bothered by an abdominal injury, Guard Lowell English suited up and merely looked on as his teammates crushed a supposedly potent frosh team.

Mizzou Loses Tilt.

While Coach Bill Jones' Huskers were held to a stalemate by the Sooners, the Mizzou Tigers did not growl ferocious enough to frighten Michigan State and dropped a 2-0 decision to the boys from the car state.

Five lettermen on Mentor Don Faurot's team did not see action in the Michigan State fracas, being forced to watch from the sidelines due to injuries. Fred Dickenson and Ray Moss, ends; Jack Duncan and Harry Mahley, halfbacks, and Stan Mondala, fullback, did not play in the Michigan State game last week.

The battle with Michigan State proved costly to the Ozark lads as Dale Everly, veteran Missouri tackle and star punter, injured his shoulder so badly that it is highly doubtful if he will be ready for the Nebraska melee.

Mahley Injures Shoulder.

Harry Mahley, Coach Faurot's kicking pride, is still complaining of an injured shoulder and it is a moot question whether he and Stan Mondala, fullback, will don grid-wear for duty in the Husker game. Moss and Duncan should be ready for Saturday's contest, and End Dickenson is given a small chance of competing.

A bevy of 21 lettermen returned to the Columbia campus to wrought havoc for conference members. Still smarting from last year's 20-0 defeat at Lincoln by the Huskers, the Show-Me players appear to be the biggest hurdle that the Cornhuskers have to skim.

Should his injured players recover, Coach Faurot's lineup against the Huskers will probably include Nelson, 192, and Moss, 180, ends; Heidl, 211, and Rau, 190, tackles; Simon, 170, and Kirk, 186, guards; Betty, 170, center; Murray, 165; quarterback; Mahley, 166, and Duncan, 181, halfbacks; and Mondala, 192, or Mason, 170, fullback.

Dr. Waddell was in Omaha on business and was pleased to appear before students on this campus where he is the donor of \$1,000 as a fund to help needy engineering students acquire an education. His same address will be presented in Illinois before engineering students in university there at a later date.

Introducing Dr. Waddell was Dean O. J. Ferguson. Following the address he attended a luncheon of members of the engineering faculty.

AMEN WILL LEAD HUSKER ELEVEN AGAINST MIZZOU

Lincoln High Athlete Carries Versatility as Middle Monicker.

PAUL AMEN
From Lincoln Journalist

A member of the U. S. Olympic baseball team that exhibited its skill last year in Germany, Amen knotted the count at owa State on an 80 yard end around play and then went on to aid the Huskers win their first 37 conference test against the Cyclones, 20 to 7.

It is fitting that he lead the eleven against the Tigers as he made a touchdown against them last year at Lincoln. Gus Peters had intercepted Jack Frye's pass but fumbled and Amen picked it up and ran 40 yards for a touchdown.

Known by the sobriquet "Meat Loaf," Amen is 21 years of age, six feet tall and weighs 175 lbs. He earned his first major "N" in football last year under Coach D. X. Bible, now at Texas university.

At first glance it appeared as though Harlin Andrews was going to score in opening minutes of the Sooner game when he started the 12 yard return. He was brought down however, on the Nebraska 44.

Twenty victories in 29 games is the record that Husker gridmen hold over Missouri, their next opponent Saturday at Columbia. Three contests have terminated in deadlocks, but the Cornhuskers have amassed 549 points and Missouri 159.

From 1925 thru 1927, Missouri, tutored by Glenn Hefley, present athletic director at Kansas university, turned the Huskers head in defeat. This is the only school that has been able to reverse the Scarlet and Cream teams three consecutive times.

Playing at Lincoln last fall, Nebraska, coached by D. X. Bible, now head grid instructor at Texas U., outscored Missouri 25-0. In the second period Ron Douglas took a lateral pass and ran 45 yards for the first score of the day.

Guard Gus Peters intercepted Jack Frye's shovel pass, but fumbled it only to have End Paul Amen scoop it up and run 40 yards for another touchdown. Quarterback Ernie White flipped a 10 yard pass to Halfback Marvin Plock for the third score of the fray, and the contest ended, 20-0, Nebraska.

Besides the football knowledge taught, the freshmen get very little out of their football year, and so they will ride the special train and sit in their own block of seats in the Nebraska section, in reward for their services.

After this trip most freshmen are expected out for track, or at least regular workouts. This is to increase their speed and to stay in shape for spring football. Freshman Coach Weir stated: "The coaches hope that all the new members will devote every minute possible to football during the spring."

INTRAMURAL FOOTBALL RESUMES ACTION TODAY

Chi Phi vs. A.T.O., Phi Gam vs. Pi K.A. Make Up New Conflicts.

The intramural touch football teams in leagues one and four will once again swing into action tonight out at the "fiats," following the rainy season. The games to be played in league one will get underway at 4 o'clock and the games in league four at 5 o'clock.

In league one, the Chi Phis will oppose the A.T.O.s, who have only to win this game to gain the finals. The other two games will bring Phi Gamma Delta into conflict with Pi Kappa Alpha and the Farm House tugging with Beta Sigma Psi.

In league four, Delta Tau Delta plays the Acacias, Phi Delta Theta meets Alpha Sigma Phi, and Sigma Phi Epsilon tangles with the Kappa Sigma.

Now comes the time when we must choke and swallow our own words again, but this time we can wash them down with the moisture of the rain. For, dear reader, you must realize

that all predictions are made on the assumption that the day will be clear.

If our scant observations listed below seem hazy, let us also exculpate ourselves by saying that the glass over the press box front greatly resembled the Honey-moon capital of the world, Niagara Falls. At times the rain trickled over the front so badly that we thought we were in a freight elevator going up.
