

As daily as bread is this All American stuff, but another report, this time by the News Week, picked Fred Shirey as a first team tackle for the nation.

This, to our knowledge, tabulates two first team honors for Center Charlie Brock and two for Shirey. Besides this, both have made innumerable second, third, and sundry teams. The official eleven by that hallowed All American board, has not yet been announced.

We wouldn't want it repeated, but Shuocks heard a rumor that Nebraska is to have one of those official All Americans. For there is to be a radio announcement of the honored team over the NBC network this next Saturday. All those men picked are to be in New York that night, if possible. If not, they will be heard by remote control from their respective towns.

With a little pencil calisthenics, it can be shown that Coach W. H. Browne has his eye on the future. On his starting lineup, Brownie has three seniors, two juniors. Thus he takes along two sophomores. Through the three upper classes are all-star men, the Husker mentor certainly has favorable statistics with only the trio out of his entire first squad graduating.

It is common sideline talk that the Scarlet quint will deteriorate when the present altitudinous front line graduates. However, we believe we can see method in Browne's manipulations. If we may cite specific examples, there will remain Grant Thomas, Al Werner, Lloyd Grimm, Larry Nelson, Bruce Campbell, Max Hulbert, Jack Shock, Bob Elliott, Frank Tallman and Bill Kovanda remaining. All of these named are polished cagers thus forming the usual speedy, good passing, fast breaking team. As for the tall front line, Larry Nelson is the tallest man Nebraska has seen in the last ten years, standing 6 feet 6 inches.

Many of the others named are now over the 6 foot mark and still growing. We aren't denying that Ebaugh, Amen and Parsons are stronger than garlic, but with a little development, Browne should be able to round out another crown bearing squad. However, Husker fans needn't expect too much success from any Nebraska team over a season's average as long as they play those fatiguing road states. A conference crown should be theirs, however.

Incidentally, the grid flash, Jack Dodd is reporting for the hard-work sport this year. Bob Elliott, minorman is laid up indefinitely from competition with a badly torn knee, rendered so in "B" team football.

CAGERS SHARPEN EYES FOR OHIO

Nine Basketeers Set for Journey to Buckeyeland

Three Veterans to Bolster Quintet in Opener on Saturday.

Husker basketball hopefuls were put through their final practice session last night before they travel to Columbus, O., to take on the Ohio State Buckeyes Saturday in the season's opener for the Huskers.

Coach W. H. Browne named yesterday the nine players who will make the trip. They are Paul Amen, Al Werner, Bill Kovanda and Grant Thomas, forwards; Floyd Ebaugh and Ray Baxter; center; Bob Parsons, Lloyd Grimm and Frank Tallman, guards. With the exception of Grant Thomas and Frank Tallman, forward and guard, the traveling squad is made up of last year's squad. Amen, Parsons and Ebaugh, the three regulars back from last year will again form the nucleus of the Husker attack. Amen and Grimm, a minor letter winner, have been in the court only about a week and a half and are just beginning to take shape. Baxter, Kovanda and Werner were all minor letter award winners last season but still have plenty to learn.

Drub Alumni Squad.

The Husker team began to take shape on Wednesday night when they scrimmaged a pickup alumni team. The Huskers drubbed the alumni 46-17 but it was the first time on the court for the alumni, some of whom had never played together before. Bob Parsons and Grant Thomas, guard and forward, sank five baskets apiece for high point honors. The team which started against the pickup squad included Werner and Amen, forwards; Ray Baxter, center; Jack and Grimm, guards. Holding down second team positions were Bill Kovanda and Grant Thomas, forwards; Ray Baxter, center; Al Schock and Frank Tallman, guards.

The Husker quintet is far from being in shape for the anticipated tough game with Ohio State. Workouts which should have been stretched over a month were crowded into two weeks by football season.

The Nebraska team and Coach Browne will take part in a basketball clinic sponsored by Ohio State for teams of high schools visiting in Columbus.

"Colleges and universities have placed too much emphasis on the value of higher education in helping the graduate to get a high position in the business world," G. Herbert Smith, dean of freshmen at DePauw University insists that the day is not far off when college diploma bearers will occupy the unskilled fields as well as the skilled.

A governing committee composed of gridiron mentors Babe Hollingberry of Washington State, Homer Norton of Texas A & M, Frank Murray of Virginia, and Bernie Moore of Louisiana State, made the selections from ballots sent to 600 university and college football coaches. Jim Crowley, Fordham coach and member of Kate Field's football cast, was in charge of the balloting.

SHIREY WINS KATE SMITH GOLD WATCH GRID AWARD

Veteran Cornhusker Tackle Named on Third Team All-American.

Gold wrist watches will come to Fred Shirey, Nebraska tackle, and Pete Smith, Oklahoma end, for winning positions on Kate Smith's mythical All-American third and second teams respectively, according to the presentation broadcast last night. The robust radio singer annually awards to outstanding gridiers who are named on her first, second and third elevens.

AROUND AND ABOUT

(Continued from Page 1.)

pastel shades, under blankets of the greatest warmth and least possible weight. If one has poor circulation, one wears wooly bed socks or tricky "sleepers"—adult Dr. Dentons. And if one is human, one never, never wants to get out of bed to face a cruelly cold world. Decadence, decline, here we come!

It all adds up to only one thing: We should never go to bed. Time spent in the arms of Morpheus is wasted. Getting up is a strenuous, degrading process. And most of all, bed going is breeding a love of indolence and idleness, with all the trimmings.

Yep, going to bed is bad business. We hadn't never ought to, nohow.

SIG ALPHAS COP GREEK WATER POLO LAURELS

Sigma Nu Winning Streak Broken With 9-8 Loss in Finals.

Sigma Alpha Epsilon snapped the Sigma Nu inter-fraternity championship winning streak by winning one of the hardest fought and roughest water polo games played in inter-fraternity competition for some time last night when they staved off a last minute rally to win by a score of 9 to 8. So hard fought was the tilt that fouls for unnecessary roughness were called on both teams.

The Sig Alphas started the scoring when Fleisbach, with excellent assistance from his teammates, slipped thru the Sigma Nu defense to score a touch goal. Shortly afterward, Farrens, Sig Alph, converted a free throw to give the Sig Alphas a 4 to 0 lead. Dobson opened the scoring for the Sigma Nus shortly afterward when he threw a long field goal to bring the count to 4-2. Farrens then countered for the Sig Alphas with a free throw. It was then that Austin, flashy Sigma Nu, battled his way thru the Sig Alph defense to score a touch goal and tie the score at 5-5. It was right after Austin's goal that the elusive Fleisbach again sifted thru the Sigma Nu defense to score another touch goal and give the Sig Alphas an 8-5 advantage at the half. The Sigma Nus suffered somewhat of a letdown when a touch goal was nipped in the bud by the end of the half.

Sigma Nu started the second half determined to win and did succeed in hold the Sig Alphas to a lone free throw by Ludwig that proved to be the winning point. Dobson started the Sigma Nu rally when he again rang the bell for a long field goal to bring the score to 8-7. Deger then tied it up by converting a free throw. Following this Ludwig was fouled by Dobson and came thru to give the Sig Alphas their final one point margin. The end of the half saw the Sigma Nus try desperately to score long field goals but the Sig Alphas succeeded in keeping possession of the ball until the final whistle.

The outstanding performer of the game was without a doubt Austin, Sigma Nu handy man, who scored 3 points and was in the thick of the fight every minute. He was a constant offensive threat to the Sig Alphas. The sparkplug in the Sig Alph attack was Fleisbach, who scored 6 points to garner high point honors besides turning in an excellent defensive performance. Others showing up well for the new champions were Farrens and Burruss. Deger and Galloway were the shining lights in the Sigma Nu defense that choked the Sig Alpha offense in the last half.

OVER 40 WRESTLERS DISPLAY MAT WARES TODAY IN COLISEUM

All - University Wrestling Tournament Winners Receive Medals.

More than 40 grapplers will perform in the all university wrestling tournament to be held this afternoon at 4 o'clock on the sub-coliseum floor. As there is no admission price for the show, Coach Jerry Adams would like to have a large turnout watching the novice matmen in action.

Weight checkups will be held this morning from 9 to 12, after which drawings are to be made. The contest is to be run off in one day. Gold medals will be given to winners and silver awards to runnersup.

Outstanding tusslers to take the mat today are Charlie Miegel, a gold medal owner from last year; Leland Clare, runnerup to Miegel at the last carnival; Ned Anderson, who placed second in the 165 pound division; Les Zepp, former Omaha Tech mat limelight; and Bill Williams, ex-Omaha Central star.

Shelley Condon in Show.

Shelley Condon, star freshman fullback, will be bidding for honors. Condon, who learned the grappling art at Omaha Central, is reputed to be a wrestler of no little ability.

Another lad who must not be slighted is Ned Anderson. Anderson gained the final round last season before being subjugated. He is regarded as the No. 1 candidate for the varsity post in the 165 pound division. Don "Flash" Flannick, who held this berth last year, has finished his collegiate wrestling career and is now with the paid to perform lads and has appeared several times on professional grappling shows in Lincoln and Omaha.

Miegel, Clare Enter.

Famed for their boxing and wrestling abilities, Charlie Miegel and Leland Clare will be in the thick of the battle for lightweight garlands. These two lads, who are the best of friends, met last year in the finals and Miegel, after a trying test, managed to walk off with the gold medal.

Coach Adams wishes to stress the fact that only novice wrestlers are eligible to take part in the show. Lettermen in wrestling will help Mentor Adams run the tourney.

Students who have announced intention to participate in the meet are Don Wegner, Dick Love, Herb Rosenthal, Bob Keirsted, Jack Donley, Lloyd Stansby, Bill Sandusky, Kenny Miller, Ralph Shook, Bud Cather, Ken Simmons, Bill McConnell, Russ Skovgaard, Milton Kuska, Don Baird, Harold Barber, Frank O'Neil, Bob Wheeler, Dale Horn, Dwight Burney and Lowell English.

"Joe College," 427 pound mascot of the Baylor University football team, likes ice cream cones. It takes about six of them before "Joe" will consent to wear his freshman cap. "Joe" is a grizzly bear who delights in slapping husky guards and tackles around.
