Bill Gray and Flora Albin are married. Yes, they became man and wife over a week ago, with a county judge officiating. It all happened in an apartment on F street. Benny Rimmerman, Delt of a couple of years ago gave the bride away. Louis Mackey was the third best man. The flower girl was dispensed with because there were no flowers.

"The bride wore a street dress of black stuff," Pee Wee said, "with green trim-

mings. Her hat was the same way. After the ceremony they took a short trip to Way's Inn for more beer.' And that's the whole story as far as I

could get it from Pee Wee. I have it on good authority, however, that they didn't have a license to marry, so the thing may be null and void after all. Too bad to spoil such a good story, but you had better ask them, to get the real low down.
