

# Huskers, Kansas Make Good Time On Muddy Track

**Simmons Sets New Record For Quarter Mile Run In Saturday Meet.**

By Emery Burnett.

A wet track wasn't enough to keep the Husker and Jayhawk trackmen from turning in some very good time in their dual meet held at Lawrence last Saturday. Only one meet record was broken, but the times were all exceptional considering the condition of the track. A light rain had fallen Saturday morning, and during the meet, there was an intermittent drizzle.

Bob Simmons, hard pushed by Cox of Kansas, ran a :49.5 quarter mile for a new meet standard. Simmons finished only about a yard in front of Cox, who made a desperate attempt for victory on the final stretch. Elwood Pankonin did the same distance in :50.9, the best time which he has ever run.

**Klann Caps Mile Run.**

Wilson Andrews went below two minutes for the first time this year, as he registered a mark of 1:59.7 to beat out Heckendorn of Kansas and Paul Owens of Nebraska. The mile run went to Klann, of Kansas in 4:31.9, which is good enough time when running against anyone but Cunningham and the rest of the top notchers.

The two mile run was won by John Brownlee in 10:16. Foy of Kansas scored a double in the sprints, winning the 100 yard dash in ten seconds flat and the 220 in :21.7. Darwin Dawson was officially placed second in the 220, but many thought that he had won the race.

**Dawson Speeds Up Start.**

Dawson has been troubled this year by his start, which has been slow. Last night Coach Schulte advised him to change his start, and put his right foot back instead of the left one, as he is accustomed to doing. The results of this move were excellent, Dawson coming out faster than formerly.

The close of the spring football season brought out many additions to the track squad. Included in the new group of aspirants were Jack Dodd, Charley Brock, Bill Callihan and Roy Petsch, all of whom are eligible for the varsity, and Vike Francis, Harry Hopp, Edsel Wibbels and Bob Kahler, all freshmen. Dodd, Brock and Wibbels have been working out some with the track team, but have de-

voted most of their time lately to football. Francis and Kahler were out during the indoor track season, while Hopp is new to the cinder squad.

**Lose "Hard Luck" Man.**

Callihan heaved the discus a few times last night, getting off one throw of about 125 feet. He hasn't thrown the discus for two years, but after a few days practice, should be up with the Husker's best, Dodd and Brock both scored in indoor meets, but have taken part in none of the outdoor duals so far. Brock will work in the weights and Dodd in the sprints and broad jumps.

Anton Krejci, hard luck man of the squad, is lost for the rest of the season. Krejci has been kept out most of the time up to now with injuries and ineligibility, and now has taken a job which will require much of his time. He hopes to turn out for track next year though.

The Husker athletic department will receive considerable free publicity within the next few weeks. Anton F. Baumann, noted German photographer and lecturer has been taking several color action photos of the Nebraska athletes. He expects to use these pictures to illustrate his lectures. Among those who he photographed yesterday were Wibbels in the discus, Bill Gish in the hurdles, and Brock and Callihan in a few football drills. Several pictures of other track men were also taken.

## INITIAL R.O.T.C. PARADE SCHEDULED TODAY AT 5

All Companies to Participate; Government Review Planned in May.

The first of several military parades to be held before the official government inspection in May will be held today on the University Mall at 5 o'clock. All companies will participate in the parade, which will form in front of Nebraska hall and proceed to the parade ground in front of the coliseum.

Excuses will be granted to those with scheduled classes or with work which necessitates the students' absence from the parade. The inspection had been scheduled for last Friday, but was postponed because of conflicting religious services and athletic events.

## BASEBALL TEAM FACES TWO-GAME MIZZOU SESSION

**Big Six Champs Husker Foe In Friday, Saturday Home Games.**

Next opponent for Wilbur Knight's baseball team is Missouri, Big Six champs, who will meet the Huskers in a two game series Friday and Saturday at Muny Field. Joel Carr, hardhitting captain, will lead the Tigers, who won from Westminster, 9-3, in their last game.

Ivan Borman, who held the slugging Oklahoma Aggie team to a pair of runs and eight hits in Nebraska's 4-2 victory a week ago Saturday, will start on the mound for the Huskers. Dow Wilson, shortstop, Eddie George, 3rd base; Lowell English, left field; Paul Amen, 1st base; Del Harris, centerfield; Elmer Dohrmann, rightfield; Johnny McDermott, second base, and Clem Sundstrom, catcher, complete the starting lineup.

Friday's game at the 22nd and L st. municipal diamond is scheduled for 4 p. m. and Saturday's tilt will get under way at 2 p. m.

Monday night's workout was limited to batting practice because of a muddy field, and a practice game is tentatively scheduled for Tuesday.

## MATHEMATICS HONORARY HEARS BUELL, HERSCHNER

**Pi Mu Epsilon Offers Prizes To Ranking Students In Examinations.**

Mildred Buell will speak on "Computations of the Orbits of Binary Stars" and Ray Hershner on "Elliptic Integrals" at the next meeting of Pi Mu Epsilon, national honorary mathematics fraternity which will be held tonight at 7:30 in Social Science 101.

The fraternity is offering two \$10 prizes to high ranking students of mathematics. One prize goes to the person ranking highest in a calculus examination which will be given for students taking mathematics 4 or 16, or having taken those subjects since the previous examination given by Pi Mu Epsilon.

The second prize of \$10 will be awarded the student of mathematics 2 or 13 who scores the highest in the examination given.

## GREEK DEBATERS FACE NEXT ROUND TONIGHT

**Prelims End This Evening; Eliminations to Begin Late Next Week.**

This evening the closing preliminary round of the interfraternity debate tournament will be held at 7 p. m. in the chapter houses of the affirmative teams.

"Resolved, that the United States should greatly enlarge the navy," is the question to be discussed. The constructive speeches on this subject will be six minutes in length and the rebuttal four minutes. Judges for these debates are from the intercollegiate class. Fraternities entering competition in this round are:

- Alpha Tau Omega vs. Sigma Alpha Mu.
- Phi Alpha Delta vs. Kappa Sigma.
- Sigma Alpha Epsilon vs. Beta Theta Pi.
- Zeta Beta Tau vs. Delta Theta Phi.

The first named team above upholds the affirmative of the debates.
