

# Knightmen Face Iowa State Nine In Decision Duel

### Huskies Seek Third Spot Today, Friday; Meet Luther Saturday.

By June Bierbower.

**BIG SIX STANDINGS.**

Team	W	L	Pct.
Oklahoma	10	2	.833
Missouri	8	4	.667
Iowa State	7	5	.583
Nebraska	5	7	.417
Kansas State	3	9	.250
Kansas	1	11	.083

Wilbur Knight's baseball team, possessor of fourth place in the Big Six standings, leaves this morning for Ames to meet the Iowa State Cyclones in the first of three games to be played in Iowa, two of them against the Amesmen, and the third against Luther college at Decora.

Lloyd Schmadeke, Bradish junior, will be on the mound as the Huskies tee off against Ames this afternoon in a game which is part of the annual Iowa State college football spring exposition. Don Weber, who was scheduled to start for the Cyclones last Saturday when the game was rained out, will probably get the call for the opposition.

**Staters Seek Revenge.**

The Staters, vexed at the defeat from the so-called lowly Huskies last Saturday, are anxious to meet the Huskies to gain revenge, but will be meeting an improving Nebraska team, fighting to gain third place in the standings from the Cyclones.

Drury, who pitched great relief last against the Huskies last Friday, will probably open against Nebraska for the second game, against Rube Denning, junior Husker hurler, who pitched four and two-thirds innings in which the Cyclones didn't get a hit last Friday. Stan Swandahl, losing pitcher against the Huskies, will again be held in reserve.

Saturday the Huskies journey to Decora, where Russell Behr, Norfolk southpaw, will probably start against Luther College. Little is known of the Lutherans, except for the fact that they hold a victory over Iowa university.

**Fifteen Make Trip.**

Men making the trip are Don Cunningham, Paul Amen, Lowell English, De Los Johnson, Elmer Dohrman, John McDermott, Clem Sundstrom, Harris Andrews, Dew Wilson, Ivan Borman, Eddie George, Del Harris, Russell Behr, Rube Denning and Lloyd Schmadeke.

Today's probable starting lineups:

Nebraska:	Iowa State:
Wilson 1b	Atkinson 1b
George 2b	Flaming 2b
Paulsen 3b	Huskamp 3b
Amen 4b	Padura 4b
Dohrman cf	Kischer cf
Harris 5b	Borman c
Andrews rf	Bliss rf
Sundstrom p	Williams 3b
Schmadeke p	Weber p

Coach Knight's crew was not playing its best game when the Tigers met and defeated Nebraska 14 to 0.

So what? Missouri will meet the league leading Oklahoma Sooners on Monday and Tuesday of next week and, if it doesn't rain, will meet a ball club that is.

All students who are free at that period are invited to attend, by Professor Bullock of the economics department.

### McDermott Quits Cage Job for Directorship

HUGH McDERMOTT

Hugh V. McDermott resigned as head basketball coach at the University of Oklahoma to become director of physical education for men at the Sooner school. He has been the cage mentor for the past 18 years and coached the famous "Boys Scats," this year's sophomore aggregation which dropped only two games during a hectic basketball season.

Dr. W. B. Rizzell, president of the university, appointed Bruce Drake, freshman mentor, to succeed McDermott as cage coach. Drake will continue as golf and swimming mentor. McDermott will succeed Ben G. Owen as physical education director and Owen will devote all of his time to intramural athletics.

# EX-SOONER COACH ORIGINATED FAST BREAKING PLAYS

### 'Scotchman' McDermott Broke K. U. Dynasty With New Style.

**NORMAN, May 11.**—Spectacular University of Oklahoma basketball teams that shot down the floor like colored flame from a Roman candle have been the achievement for almost two decades now of Hugh McDermott, Sooner coach, who resigned recently to accept a promotion as head of the university's department of physical education for men.

The little Scotchman who has handled Sooner basketball teams for 17 long years first worked out the system in 1927 when he coached Shawnee high school and with players like John Dunlap, Prentiss Mooney and Jelly Vinson developed a crackerjack high school team.

**Fast-Breaking Style.**

After Bennie Owen brought McDermott, captain of the Sooner football and basketball teams of 1919, back to the university in 1921 to become head basketball coach and help with football, it took the Scotchman a couple of years to install his new fast-breaking style.

But in 1924, his third year, he went to town with a fighting kid team composed of Fred Wallace, Floyd McBride, Doc Ruppert, Dunlap and Dick Wheeler, winning 13 of 16 Missouri Valley conference games and finishing second to mighty Kansas. And when McDermott's spirited sophomore club licked Dr. F. C. "Phog" Allen's Jayhawkers that year in the old Armory at Norman, 26 to 20, stopping a Kansas winning streak of 34 consecutive wins that still stands, basketball was born at O. U. and the enthusiasm of the state and campus knew no bounds.

**Smashes Jayhawk Dynasty.**

Just as valley fans were beginning to believe Doctor Allen's Kansas teams invincible, McDermott developed probably his strongest Oklahoma team of all time, the all-victorious giants of 1928 who swept the 18 game schedule all-victorious, annihilated Kansas 45 to 19 in the first game ever played in the fieldhouse and smashed the six year Jayhawk dynasty.

Altogether he lost Vic Holt, Granny Norris, and Roy LeCone by graduation. McDermott put two sophomores and a reserve with Bruce Drake and Tom Churchill, veterans he retained, and in 1929 built another fine Oklahoma club that was all-victorious in conference play, also losing two non-conference games to Washington.

The Scotchman's Oklahoma clubs hold nearly all Big Six scoring records. His Boy Scats, like his 1924 team a militant kid aggregation, averaged 45.6 points per game this season to break all Big Six conference team scoring records. Besides, McDermott's 1934 clubs' 68 points in a single game against Kansas State never has been beaten nor has Bud Brownling's 27 points against Kansas in 1935.

# VARSITY RUNNERS RACE FOR VISITING PREP SCHOOL MEN

### Kuper, Brownlee, Andrews, Owens Stage Exhibition For State Athletes.

Coach Schulte has scheduled another exhibition race as a part of the state high school track meet, which will be held tomorrow and Saturday in Memorial stadium. Running in this race will be four varsity men, Al Kuper, John Brownlee, Wilson Andrews and Paul Owens.

Schulte is not yet sure what distance the race will be, but says that it will be for a half, three-quarters, or a full mile, depending upon how the men feel. It will be held right after the 440 preliminaries Friday afternoon.

The other feature race will be a mile run Saturday afternoon between Carl Saltzgriver of South Sioux City and five Husker tricolor men.

**Brownlee Breaks Record.**

Yesterday's paper carried an erroneous report of the time registered by John Brownlee in the two miles which he ran Monday. The time was first given out as 10:26.7, and which was reported in the Nebraska yesterday. A check was made later and it was found that the correct time was 9:49, which makes this the fastest practice two miles ever run on the Husker track.

Attention yesterday was concentrated on the hurdlers, with several flights of lows being run. Bill Gish's best times were :12.8 for 110 yards and :26 flat for the 220 yard barriers. Eldon Frank beat both of Gish's times, registering a :12.6 for 110 yards and :24.8 for 220 yards. All these runs were made around one curve. Coach Schulte is depending on these two men to account for several Husker points in the conference meet, which comes up on May 20 and 21.

In the indoor meet, Frank took the pack in the lows and Gish took the highs. They have finished one-two in all the outdoor dual meets this year.

**Simmons Takes Time Out.**

Bob Simmons took the day off, complaining of a sore stomach muscle. He has been troubled with this before and Schulte thought it best that he lay off for a while rather than to take a chance of further aggravating the injury. Frank also complained of sore stomach muscles yesterday.

Elwood Pankonin, who was put on crutches early this week by an infected foot, reports that his foot has been responding to treatment well, and was off his crutches yesterday. He is still barely able to walk, and will not work out for several days.

**Pole Vaulters Veri Athey** turned out yesterday for the first time in several weeks. Athey has been troubled with a game leg most of the spring, but will try to whip himself into shape in time for the conference meet. He accounted for several points during the indoor season, and if he can do that in the championship meet, he will be most welcome to Coach Schulte.

### K-AGGIE CINDER SQUAD INVADERS SOONER FIELD

### 'One Man Gang' Hackney Leads Wildcat Attack in Dual Meet Saturday.

**NORMAN, May 11.**—Led by Elmer "One Man Gang" Hackney, who won the Kansas relays shot put with a heave of more than 50 feet, Coach Ward Haylett's Kansas State track team will invade Norman Saturday afternoon for a dual meet with Coach John Jacobs University of Oklahoma Sooners.

Sooners and Wildcats have met six times in dual outdoor meets. Oklahoma winning all but one. Coach Jacobs of the Sooners competed in the first Kansas State-Oklahoma dual back in 1914 and won the broad jump at 23 feet 4 inches besides running away from the Wildcats in both hurdles races.

The meet Saturday, coming just one week before the annual Big Six outdoor games at Lincoln should put both the Sooners and Wildcats in trim for the important conference meet.

The squads are evenly matched. Kansas State made a higher score in the Big Six indoor meet and annually turns out 150 men for track but with Eddie Toribio, injured sprinter who was out of both the Nebraska and Oklahoma Aggie duals, returning to top condition, the Sooners hope to make an even thing of it.

are sounder than in 1933.

4. Building has languished for nine years, while the population has steadily grown. The accumulated demand for buildings may lead business back to prosperity, as it did in 1921-25.

5. The government's four billion dollar spending program should become effective within the next three months, increasing consumers' purchasing power, while it lasts, through unemployment relief, public works and RFC loans.

# State Prep Track Meet Entries Reach New High

### Annual Classic Draws Men From 173 High Schools Over Nebraska.

A new high for the list of entries in the state high school track meet was reached Wednesday, with 173 schools sending performers to the annual classic which will be held on the Husker cinders Friday and Saturday. The former high was 169 teams, which was set last year. Forty eight entries were announced Wednesday, which pushed the mark to a new high.

Probably the stiffest competition will be centered in the shot put, the discus, and the javelin. The shot will be a two way battle between Vic Schleich of Lincoln High and Henry Rohm of Fremont. Schleich has done over 50 feet on several occasions this year, and Rohm heaved the twelve pound pill for 51 feet once. The fight will be close for the other places in the shot, with six other men all over 47 feet this year.

The discus should be even more of a dog fight than the shot, with seven men throwing the platter 127 feet or better. Hoover of Trenton leads this group with one toss of 130 feet.

First in the javelin seems to be sowed up by Herb Grote of Omaha Benson, whose best to date this spring is over 190 feet. He holds the present record for the spear at 191 feet 2 1/4 inches. Other places in the javelin will be hotly contested for, with six men over the 168 foot mark.

The following are the latest entries which have been received:

Class A: Beatrice, Grand Island, Kearney, Jackson of Lincoln, McCook, North Platte and Plattsmouth.

Class B: Arcadia, Humboldt, Neigh, St. Paul.

Class C: Alexandria, Allen, Bassett, Bennett, Bladen, Chester, Elgin, Genoa, Mayas county, Milford, Orchard, Sikeston, Spaulding academy, Sterling, Sutherland, Tilden, Waverly, Winnebago.

Class D: Bartley, Belvidere, Blue Springs, Cairo, Davenport, Elk Creek, Gate, Hepler, Holmerville, Hubbell, Malcolm, Maywood, Nehawa, Okona, Spaulding, Sprague-Marlet, Waterloo, Waco, Walton.

# PRACTICE GAME HOLDS CRITTENDEN CAPTURES CAGEMEN'S ATTENTION

### Reds Win Over White Team By Score of 59-32 Last Night.

University maplemen held a practice game in the coliseum last night, when Coach W. H. Browne divided the squad, consisting of 21 members, into two teams, the Reds and the Whites. The Reds won by a score of 59-32.

According to Coach Browne, one more practice game on May 18 will conclude the spring season. Coach Browne is faced with replacing nearly all of last season's quintet due to graduation. Several combinations of attack were tried by the mentor to find a functioning squad.

For the Whites, Thomas, Kovanda and Tallman showed up in the scoring column, while Duncan and Pitcaithley stood out for the Reds. Kovanda of the Whites garnered 15 tallies for high point man, while Duncan outscored his Red mates with ten markers. Taylor of the Whites showed up with some snappy passes and floor play.

Following is a summary of the game:

Whites	Reds
Thomas 25	16
Hanson 11	8
Kovanda 11	4
Handall 2	3
Fitz 2	2
Werner 1	2
Tallman 1	2
Taylor 1	2

# PRECOCIOUS GEORGIA YOUNGSTER STARTLES COLLEGE PROFESSORS

**ATLANTA, Ga.**—Fourteen year old Willis Dysart, a rural Georgia youth with but two years of formal schooling, has Emory university professors a bit bewildered.

They are bewildered because, in a few seconds time, in his head, he can do among other things such mathematical unbelievables as find the square root of 139,799,961 and add seven three digit figures accurately—and he doesn't use pencil and paper.

One of this wizard's special stunts is to ask your birth date, then tell you your age in the number of seconds you have lived.

# 15 GYMNASTS VIE FOR TOP HONORS IN MEET TONIGHT

### Fifth Annual Tournament Features Strong Arm, Balancing Feats.

Fifteen men are anxiously toasting their marks today in anticipation of the fifth annual all-school gymnastic tournament which will get underway on the coliseum stage at 8 this evening.

The meet, in which all men except members of the varsity gymnastic squad are eligible to compete, will feature all the strong arm and clever balancing feats of which the acrobats and wobble acrobats of the team are capable. Main events will include work on the parallel and horizontal bars, tumbling, side horse, rings, and Indian clubs. Medals will be given to the three best men in all events and to the all-around champion, the man who wins the most number of events.

Football and track men for the first time will compete and try their hands at swinging on the high trapeze. Pete Kreischer of Lincoln won the meet last year when he took first in all the events except the Indian clubs to amass a total of 125.75 points to carry off all-around honors. Alvin May of Burwell is the only veteran in this year's lineup. May's manipulation of the leg clubs in last year's games was spectacular as he went thru the routine without a single flaw to score an outstanding win over Cliff Scott, the favorite.

Those entered in the meet are: Stan Southwick, Gene Beck, Jacob Geier, Kenneth McAferly, Fred Sukup, Don Seidel, Jim Taylor, Bill Crittenden, Walter Savidge, Bill Pfeiff, Harold Scott, Alvin May, Jack Dadd, Bob Neuman and Fred Egley.

# SOONER DIAMOND OUTFIT STARTS ROAD EXCURSION

**Jap Haskell's Twirlers Meet Jayhawkers, Oklahoma Aggies, Tigers.**

**NORMAN, May 11.**—A baseball road trip that means everything to the University of Oklahoma's hopes for an undisputed Big Six baseball championship will be undertaken by Jap Haskell's Sooners this week.

The invasion started with two games against the Oklahoma Aggies at Stillwater Tuesday and Wednesday. The Sooners will travel Thursday to Lawrence, Kas., where they will work out on the Kansas field and oppose the Jayhawkers in two Big Six games Friday and Saturday. They will then drive to Columbia, Mo., Sunday and play the powerful Missouri Tigers, last year's Big Six champions, Monday and Tuesday.

Coach Haskell will have the pitching necessary for a six game tour. Verlon Zolt, Dillard Jackson, Warren "Lefty" Morris, Clarence "Lefty" Benton, Jimmy Craddock, Jim Pope and Jim Skinner are all ready to work. Zolt's return to form in the final contest against the Aggies was especially pleasing.
