Atmosphere from the su... (Student Union building)... the browsing library, very much un-browed in... that lazy, pre-school look on the faces of young collegians as they sit through a baseball broadcast in the main lounge... Margie McKay looking very Nebraska sweethearts in a Teale blue shirtwaist, plus Ed Steeves, as previously... Dale D. U. Ganz with Barbara D. G. Huffaker, a carry over from June... the Chi Omega Brant twins looking very lush in black... Louise Mackey with her sisters, sans Phi Psi Phelps, but only for the moment... Marj Corrington, of the Arrow Corrigtons, a little lost without the David City D. U. McVay... And around the campus, we note the old Phi Delta habit of terrace sitting is again on the 'being done' list... Grant Job Thomas, velly, velly much the interior decorator, but still with just a moment for the gals, such as Kappa's Marj Muller, or Pat Woods, a Lincolnite... and a cute gal... Jerry Wallace solidifying it while Dick Paul is on the absent list... Merrill Englund from Kappa Sig way still being seen with A Xi D's Lois Owens... ditto for Niemann and Helen Severa... all Greek letter houses week has gone its way... and all of the gals trying to get their little red date books filled for Thursday night, on account it's the Turnpike and Phil Harris they long for.

Moon... June... Etc.
Blind date... much fun... standing dates... "go steady"... pin... candy and cigars... silver pattern... trousseau... job... stag parties... showers... minister... cere-mony... rice... honeymoon... ever after... All this or some such procedure, has made this summer extra full of matrimonial events.
KAPPA ranked high in numbers, and began the rush with the lovely marriage of Virginia Selbeck here in Lincoln on June 29. The boy: Charles Flansburg. His fraternity: ATO.

ON JULY 3, here in Lincoln Marjorie Misch and Bob Dickman "Westministered it," and A. O. Pi's and Phi Gams received the proof of their candy and cigars.
PHI PSUS and DG's witnessed the "Oh Promise Me's" of George Vierregg and Marlin Montgomery in Central City on June 24.
AND AMONG the "to be's" are Maxine Wentz, Alpha Phi, and Kenneth Hui, Kappa Sig, in October... Han, et (Kappa) Cummer and Phi Psi's Bill Christensen, as yet being classed as a pin hanging of June last... Jane Edwards, Pi Phi, who is to go trousseau-conscious with Lloyd Cleveland until Oct. 2...

Home Again
... with MORE PLEASURE
"We've been places and seen things... and everywhere we went Chesterfields were giving people a lot of pleasure. There'll be plenty of Chesterfields in our house now."
It takes good things to make a good product. That's why we use the best ingredients a cigarette can have... mild ripe tobaccos and pure cigarette paper... to make Chesterfield the cigarette that smokers say is milder and better-tasting.
They Satisfy
