

Mingling with Marg

School is not as simple as it seems, come six weeks time... and between grades coming out and reports going in Saturday, all the studious students are in a dither, while the others are worried as usual...but to shun the cares of the day and turn to a lighter vein, we might mention a few more dates from the Phi Delt party...Theta Frannie Wrightsman was there with Delt Dow Wilson...Kappa Rozanne Sheehan with John Moll...Delta Gamma Pat Cooper with Chuck Roberts...Ed Brega and Kappa Mary Ella Bennett...and from that party to things of interest to all you curious—the things about your friends which you wouldn't want printed about yourself...like the date Ruth Tisdale, Tri Delta, will have this week end instead of the usual with Lloyd Wright, SAE... or what sort of an affair might be on the up-awing between DU Avery Forke and Theta pledge Esther Louise Leffler, who have been coking together often of late...or of another coking combination which is not too usual—that of ATO John Mason and Eunice Halm, Alpha Chi...or of the song dedicated at the Turnpike Sunday to Mr. and Mrs. Jack Scott—a brain child of the humor of five or six pokers—and which definitely put "Scotty" (Sigma Nu) and Polly Perkins, DG, on the spot, since things, I guess, are not at all that way...with Pre-Initiation weeks the big vogue now, the spell made by the Acacia freshmen when answering the phone is still tops for laughs... things are picking up definitely in the affair between DU Gene Knox and Alpha Phi Giggs Berggren—they visited her home in Wahoo last week end...and speaking of DU's, the flash just comes in that their house in Minnesota burned, causing four of their fellows to leap from the third story—that is

the chapter, remember, which put on that keen scoreboard at the Minnesota-Nebraska football tussle—and that practically burns up the news of today...

Sigma Kappa mother's club will hold a luncheon today at one at the home of Mrs. F. C. Smith.

Theta Xi Auxiliary is having a luncheon today at 1:15 at the chapter house.

Kappa Sigma Alliance meets today at one for a luncheon.

The marriage of Kathleen Siert of Omaha to Charles Schwager took place Saturday. Mr. Schwager was a Sig Alph when in school here.

Disputed Passage by Lloyd C. Douglas will be reviewed this afternoon at two by Dr. Frank G. Smith of Omaha at the Delta Gamma chapter house. Everyone is urged to attend. The price of admission is 25 cents.

Werner, Elliot, Kovanda to play in A.A.U. meet

Huskers Alton Werner, Bob Elliott and Bill Kovanda are on the list of players of the Century team that will represent Lincoln in the midwest A. A. U. basketball tourney being held in Omaha today, tomorrow and Thursday. The Century team has won the Midwest meet for the past two years under the name of Woodmen.

All three of the N. U. men selected are seniors who finished their college cage careers Saturday night against Oklahoma. The rest of the team: Seldon Davey, ex-husker; Rod and Ron Shuman, Wesleyan twins, Dale Seligman, former Jackson high ace, and Russ Trot, manager.

Bizad seniors vie for \$500

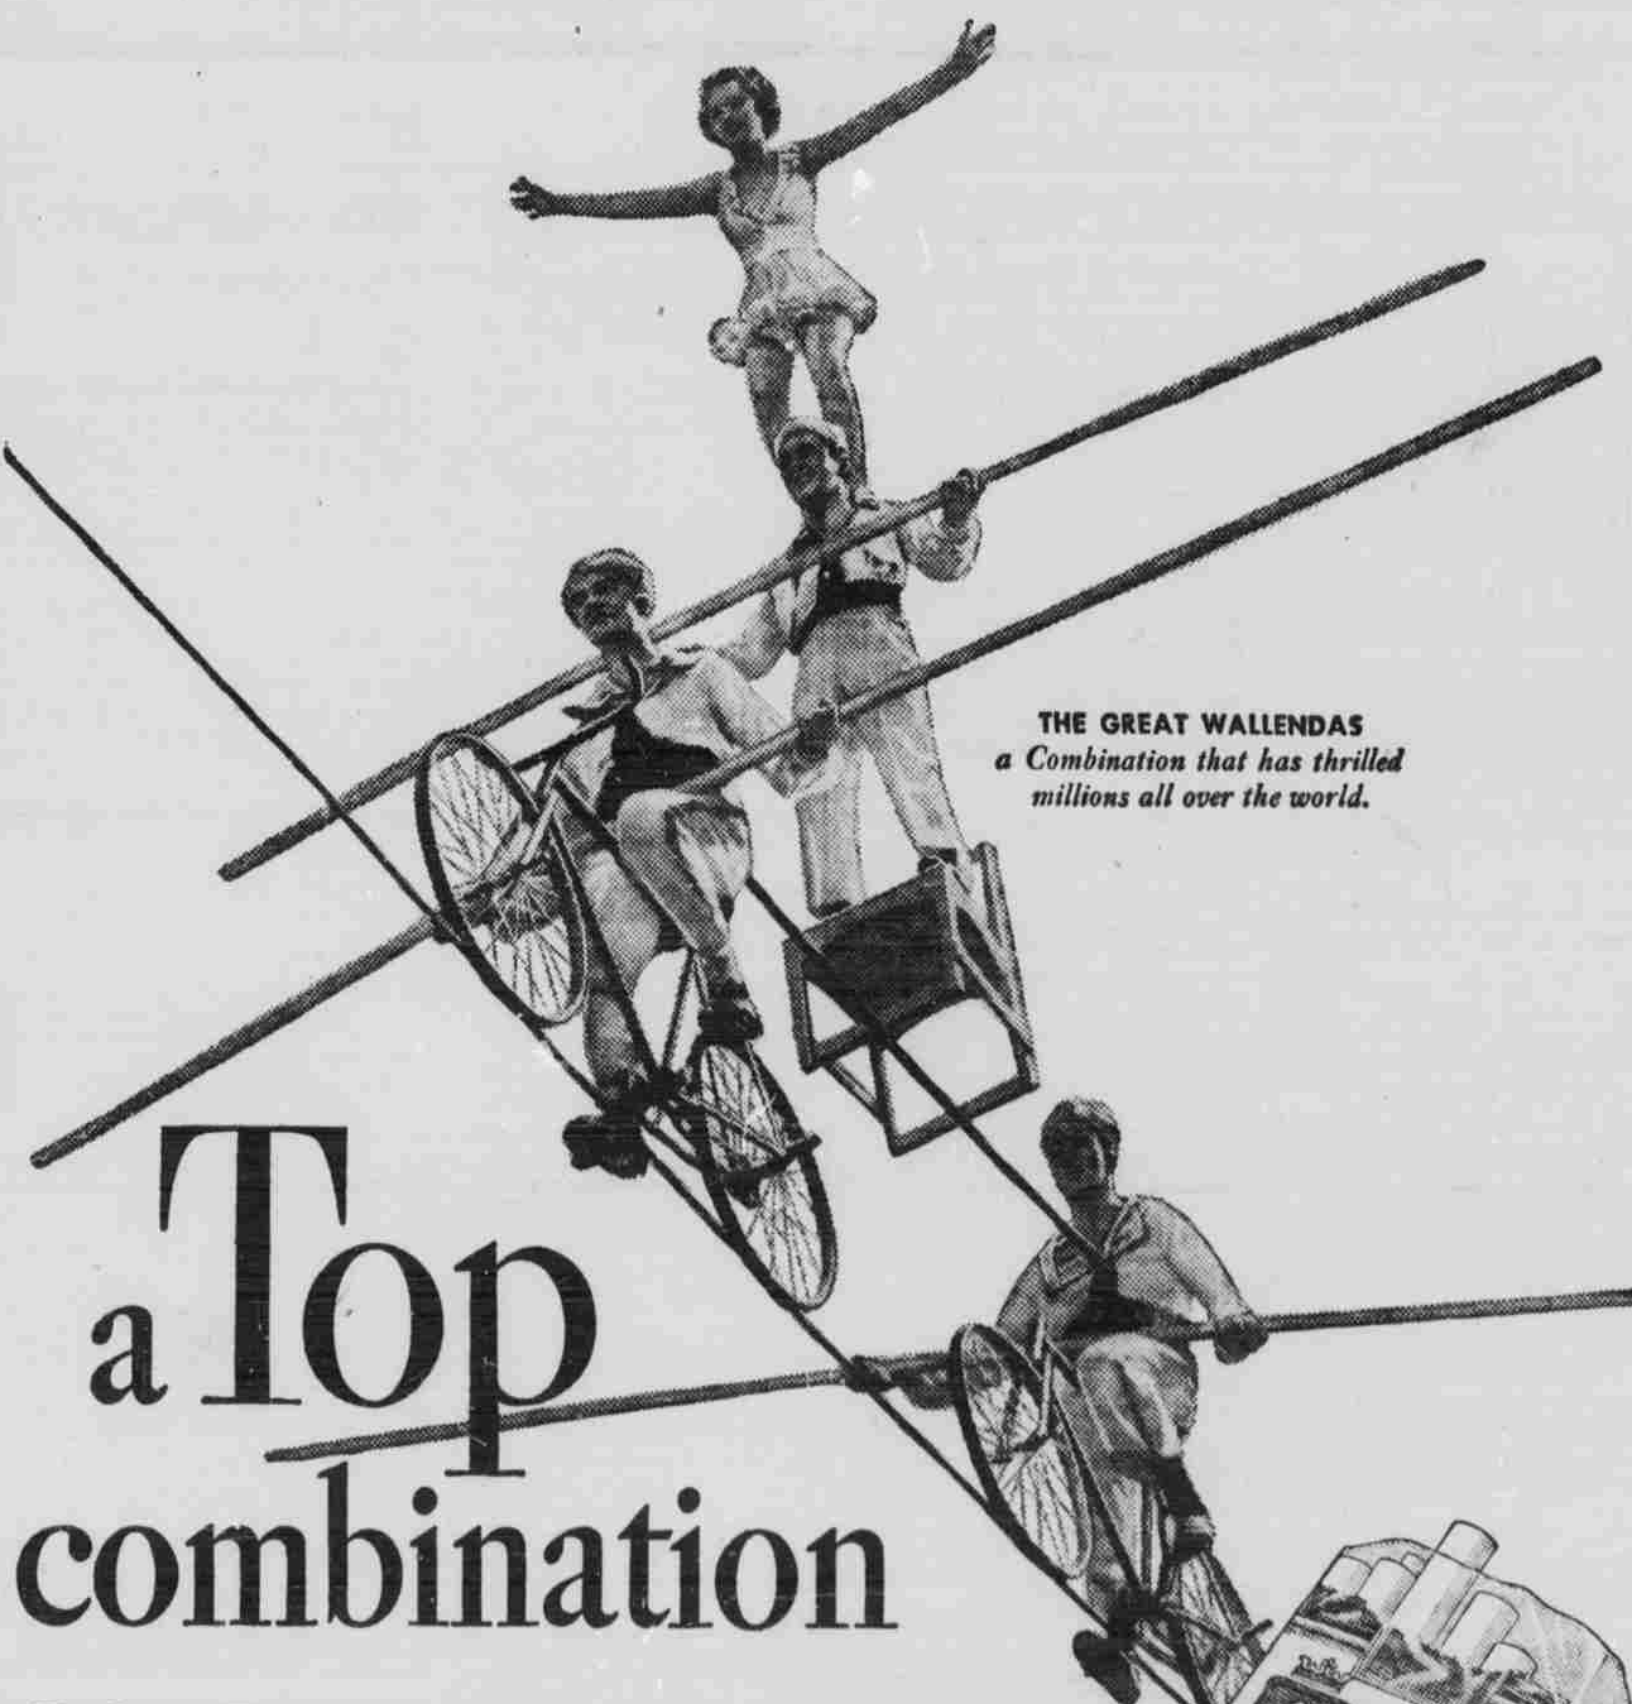

Second Miller award to be given this spring

Presentation of the second John E. Miller \$500 graduate fellowships in business administration will go to an outstanding senior in the Bizad college this spring. Applications for the award should be filed with the faculty scholarship committee on or before March 15.

Originating last year in memory of the late John E. Miller, this fellowship is to be presented annually by the Cooper motion picture foundation to a senior in the college, high in academic standing and well known for leadership and campus achievements.

Winner of the 1938-1939 fellowship, Robert R. Martz, is in residence at Columbia university, working on a master's degree.

Directing the selection is J. E. Kirschman, chairman of the department of economics with a committee of O. R. Martin, head of the department of business organization, Clifford Hicks and E. A. Gilmore, instructors in business subjects and W. A. Spurr of the department of business research. Application blanks can be secured in Social Sciences 310.
