

Gopher trackmen to face NU Saturday

Minnesota brings grid stars for meet

Invaders' team has Franck, John Kulbitski

Minnesota and Nebraska's cindermen swing into action before critical Nebraska eyes at 2 o'clock Saturday afternoon in the Huskers first home outdoor meet of the season.

Coach Jim Kelly's tracksters come to Memorial stadium to open their outdoor season hampered by the fact that cold weather has kept them indoors thruout their preparation workouts. Included among the Minnesota team are two football players whose names are familiar to Husker fans, John Kulbitski and George Franck.

Franck starred.

Franck scored Minnesota's second touchdown in the Husker defeat this fall, while the records, curiously enough, show that it was center Kulbitski's well timed block on Nebraska's safety man that made the score possible. Franck is the top Gopher dash man and Kulbitski will be Mills' rival in the weight events.

Nebraska will be at almost full strength against the northerners with only Elwood Pankonin, 440 and relay runner, not likely to compete. The squad was strengthened when John Brownlee, veteran middle distance man, received his doctor's o. k. to run this week.

Husker frosh will compete this afternoon at 4 o'clock in a dual

color meet. All those who are on one of the color teams will be excused from the parade this afternoon.

"This is the type of material we would never have despite its importance as a record, were it not for the unusual opportunity that we were given by the executor of the Dietz estate. The contents represent a discriminating selection of worth while books."

Jim Beltzer leads golfing aspirants

Grand Islander does 159; tryouts for Sooner contest finish today

Jim Beltzer, Grand Island, shot a 79 yesterday afternoon which when combined with his 80 of the previous day, gave him a total of 159 and the top position of the golfers already having completed their two qualifying rounds to determine the membership of the four man team that Nebraska will put on the links against Oklahoma here Saturday afternoon.

Getting only an 84 to add to his first round 79 was Wally Spoemer, who led the field at the end of the first eighteen holes. Bill Mowbray added an 84 to his early 80 for 164 and the third rank position. Paul Jones got an 85 in the second round to make his total 165 while Don Million captured an 87 to total 167.

All performances were played in a strong wind which caused the golfers no end of trouble as they battled to make old man par their goal. All those who did not qualify yesterday will do so today so that Saturday's lineup can be determined.

As defending champions, with three lettermen, including Bill Craig, conference champ, back, Oklahoma is gunning for the retention of their title and should give the Huskers plenty of trouble Saturday.

Frosh baseball rolls list former prep, legion stars

Nebraska's crop of freshman baseball players this year includes a strong array of men who starred in high school and legion diamond circles, and promises Coach Wilbur Knight plenty of material for next year's Husker team.

Three new candidates, Alton Estomin, Tom's River, New Jersey; Cecil Hahn, Johnson; and Walt Bomborger, Lincoln reported to Coach Adolph Lewandowski, who will begin outdoor drills as soon as weather permits.

Held among leaders.

Among the leading candidates is Sid Held, 6-4, 200 pound Lincoln pitching ace, who has turned down several professional offers to play college ball. Held is also one of the leading contenders for a guard position on the basketball team next fall, and was an all-state end in high school, but has given up college football.

Also on deck is pitcher Bob Garey, another basketball ace, who hails from Jackson high. Former Lincoln high aces are catcher Keith Feaster and Junior Hudkins, Harvey Waymire, Frank Coffman, Bob Blakewell, Jim Carrell and Dean Jackson.

Hudkins, who is also a football star, is, along with Waymire, an outfielder. Coffman, Blakewell, Carrell and Jackson are infielders. Jackson, a third baseman, was co-captain of the Lincoln Blues, state

and regional legion champions last summer.

Grote, Dutcher report.

Herb Grote, Omaha Benson catcher, and Jerry Dutcher, first baseman from the same school, are also reporting. Grote, state record holder in the javelin, and a basketball and football ace, was one of the state's best young catchers last spring, while big Dutcher, a 6-2½, 195 pounder, who stars in basketball, and who is out of football because of a knee injury, looks like a fine first baseman.

Charles Vacanti, Omaha Tech basketball ace, has also reported, as has Bud Fisher, ex-Creighton Prep star, and former teammate Al Little, Dinty Moore, who had a freshman year at Washington and Lee last year, is a promising infielder.

What is your I.Q. on Style? (For Men Only)

White handkerchiefs should always be worn with white shirts.

Q. How close to ground should trousers hang?

A. Pegged trousers should hang just low enough to touch your instep at the bottom laces. Straight-cut trousers should touch between the bottom lace and the back of the toe cap, and should have one slight "break" above the instep.

Shirt sleeves should fall below the cuff of your suit coat.
 — YES — NO

Answer: Yes, from one-quarter to three-quarters of an inch of your shirt cuff should show beneath your coat sleeve. And the best shirt to show is an Arrow. \$2.00 up.

Q. Is there such an animal as a comfortable pair of shorts?

A. There is ... and they're Arrow shorts. Arrows haven't the center seam you find in so many shorts—the seam that makes shorts chafe and ride up. Arrow shorts, 65c up. Undershirts, 50c up.
