Biffar, Plock, Fitz turn in good pitching performances in games

Intramural softballers played again yesterday, with three games in fraternity leagues, and three barb games.

Johnny Biffar turned in the day's stellar performance as he held Delta Tau Delta to one hit as his team, the Alpha Gamma Rho's, won 3-0. Only hit by the losers was by Bill Sawtell, first man up in the first inning. It was a League 2 game, with Ed Dosek pitching and Bob Van Norman catching for the Deltas.

Acacia's win.

Marv Plock of Acacia and Phi Delt's Clark hooked up in a six inning dual in League 5, which the Acacia's finally won, 5-4. The winners scored three in the third, one in the fourth, and their winning run in the sixth and extra inning. The Phi Deltas scored once in the first, twice in the third, and once in the fourth inning.

In League 4 Don Fitz handcuffed the Phi Psi's for the Farm House after the first inning, the Ag boys winning 6-1. Matteson, first man up in the first inning for the losers, hit and scored later. Warren Radtke pitched for the Phi Psi's, with Matteson catching. Catcher Baird paced the winners' attack.

In a hot barb game, the QT club rallied to beat the Ag College Boarding Club, 4-3. The boarding club scored three times in the first inning, with Richmond, Milner and Bever crossing the plate, but Pitcher Busacker settled down and the winners scored once in each of the first four innings. On the mound for the losers was Carlson.

Mac's lose.

Brown Palace beat Mac's 7-2, scoring one in the second, three in the third, and three in the fifth. George Young, pitcher for the losers, was responsible for his team's two runs in the second inning, smacking out a homer with George Aubert on base. Vic Gottula caught for the losers, while the winning battery was Bauer and Schleusner.

Baldwin hall rallied in the fourth inning to nose out Johnson hall 4-2 in the other barb game. The losers had scored twice in the third, but Kiser, Carroll and Harris crossed the plate in the fourth to win the game. Other Baldwin hall score came in the first inning

KU Relays draw Husker track team

Wibbels-Shirk discuss duel promises thrills for meet at Lawrence

Kansas Relays, to be held Friday and Saturday at Lawrence, Kas., will draw contestants from all over the nation, representing the tops in amateur track men. Nineteen universities, 23 colleges and 13 junior colleges are scheduled to have entries in the meet.

Feature of the meet to track fans all over the country will be the special mile between Kansas' own Glenn Cunningham and Chuck Fenske, former Wisconsin star.

Wibbels a favorite.

Edsel Wibbels and John Shirk will wage a close duel in the discus event. Wibbels threw the platter 160 feet 5 inches in an exhibition last spring, while the Oklahoma man has thrown it 155 feet 11½ inches already this spring.

List of Nebraska entries was not available at the time this was written, because of conflicts not yet ironed out in several of the tracksters' Law and Medical school courses.

Entries in the university class for the Relays include the University of Arkansas, University of Colorado, Drake university, University of Iowa, Iowa State college, University of Kansas, Kansas State college, Michigan State college, University of Minnesota, University of Missouri, University of Nebraska, Northwestern university, University of Oklahoma, Oklahoma A. & M. college, Rice Institute, University of Texas, Texas A. & M. college, Washburn college and Washington university.

The entries in the Relays include schools from such distant points as California, Alabama and Michigan. Back from the Pacific coast this year will be Riverside Junior college, which set a new record in the college 880 yard relay last year. Tuskegee Institute will represent the deep south at Lawrence and Michigan State will be the northern school coming the farthest distance to the Relays.
