As I See It

Nebraska's basketball team ends its spring practice tonight as Coach Browne sends his Red squad against the Whites in the third and last practice game of the year.

It will be Brownie's last look at the team until the first part of December, since as chief Husker scout and end coach he spends all fall with the football team.

Browne has extended an invitation to one and all to watch the Huskers in the game which will be played on the freshman court starting at 8 o'clock.

One of his moves seems to bode well for the Huskers next winter. Harry Pitcaithley, guard last year, is playing forward, and has been burning up the court this spring. Harry was slow in developing last year, altho he turned in a great game at guard in the Oklahoma game, last of the season. Possessed with unusual speed, Pitcaithley fits in beautifully with a speeded up Husker offense. Browne, having a number of good tall boys for guard positions, felt he could spare Pit for the front line, and the move has more than brought results.

Noticed our Huskers really went to town against Iowa State's baseballers yesterday, 16-5. The boys won 10-5 the day before... those fellows who died on base against Kansas must be going thru some sort of a resurrection... that's four in a row for the Huskers... but the boys will really be facing two tough ones next week end when they go against Oklahoma.

Orris Gran, Minnesota Daily sports columnist, says that the Gophers have more speedy backs on the spring squad than Bernie Bierman has ever had at Minnesota... He names George Franck, Joe Jabbra, men from last year, and freshmen Bruce Smith, Joe Mernik, Mike O'Bradovich, Art Rebrovitch, Bob Teyro... We don't know about any of them but Franck, but any big man who can run the 100 and 220 like the Dav-erport, Ia., sprinter, certainly can qualify as a speedster... Notice Nebraska's Iowa brigade—the baseball team, had quite a time at Ames Monday... This time it was Tom Moates, a Red Oak boy, who got four hits in five times at bat... Dow Wilson carried the Huskers thru the K. U. series, the Dow City player having a perfect day at bat after winning the first game with a home run....

Debus, St. Cyr to renew duel at state meet

Nebraska U. fans will see two of the state's finest high school athletes among those fighting it out Friday and Saturday for high point honors in the state high school track meet at Howard Debus in Lincoln and Louis St. Cyr of the Winnebago Indians renew a duel which began at Saturday's Hastings meet. The boys will not be competing in the same classes, tho.

Both Debus and St. Cyr scored 15 points in individual events but the 150 pound Indian accounted for 1/2 point as he ran with his relay team, so came out with a fraction higher score.

Has fine discus mark. Debus, throwing the lighter discus, has turned in the state's best competitive mark in the discus, getting 159 feet 11 inches, at Hastings. He did 160 feet 4 inches in winning the state high school pentathlon.

St. Cyr came thru with the second best broad jump mark in the state as he did 22 feet, 1 1/2 ins. at Hastings to win that event Saturday. Both men did 12 feet in the pole vault in pentathlon competition, while they tied for first in that event at Hastings at 11 feet 7 1/8 inches.
