A wondering freshman, I..... shocked and surprised by all the campus activities.

Mother said I shouldn't smoke or date football players—but so many nice girls smoke and the football players have such broad shoulders.

I saw Eddie Schwartzkopf flirting with all the freshman girls today in front of the coliseum.

The reception Monday night was fun—nice meeting the faculty—must write to mother about that.

Met the cutest southern girl. She's Adele Stephenson, guest at the Kappa Delt house. And I hear she's a wonderful dancer. She had the corn crib puzzled by her specialty—grape with plain water. Guess I'll try that sometime, cause I'm tired of "cokes" already.

It seems that I have to get a frat pin. Marj Brown at the Chi O house has a Phi Delt pin and Polly Jo Taylor, Alpha Chi O, is wearing Jim Foreman's Sigma Chi pin right out in front of everybody now. But D. G. Gen Harmon returned Bill Kovanda's Sig Ep pin. S'too bad.

My friend, Patricia Ann Green has her attention focused in Omaha on a certain Creginton freshman with a new convertible Packard roadster. He has Sigma Nu, Alpha Chi and Kappa Delt relatives down here at school, so she'd better be careful.

Marianne Goffee, another sister freshman is looking over the new fraternity pledge crop. She thinks Johnny Goodsell, Sig Nu from Omaha, has possibilities.

I'm having trouble keeping up with all these coeds—Mickey Kindy is already going to town in activities.

One of the loveliest girls I've seen is Jeanne Newell, Kappa president.

We pledges are really getting

around in spite of all the active competition. At the Pi Phi house, Leonard East sees Betty Baker... and Theta pledge Mildred Anderson is dating Sig Ep John Bishop. I saw Betty Marie Waite coking with a Beta pledge.

Maybe I'll be a social chairman some day. Mr. A. Q. Schimmel of the Cornhusker is entertaining the presidents and social chairmen, Sunday at 1 o'clock for brunch. Bet it will be the nerfs... College talk for enjoyable.

It looks as tho going steady and wearing frat pins really means something—cause so many twosomes got married this summer. Ronnie Douglas, Sig Ep, and Jean Willis, Theta—Howard Curtis, Kappa Sig, and Phyllis Rothwell—Paul Wertz and Virginia Smith, Sigma Nu—Theta combination—Harriet Jackson and Bill Schneiderwind, KD-Phi Gam couple. Alpha Xi Delt Dorothy Larsen and Joe Redfield, Acacia. ATO Phil Romigh espoused with a New York femme.

Well, it looks like I'll really like college, mom. Don't worry about me cause my sorority mother will take good care of me.

P. S. Please send my allowance early.
