

## Five cagers play last game as KU comes here Saturday

Nebraska closes out a dismal season Saturday night at the title-conscious Kansas Jayhawks, who beat Kansas State 44-33 Tuesday night, come here.

It will be the last game for five Huskers—Frank Tallman, Creston, Iowa; Harry Pitcaithley, Lincoln; Irvin Yaffe, Omaha; Bob Therien, Lincoln; Bruce Duncan, Broken Bow. The five seniors will be presented with scrolls by Tassel President Selma Hill before the game.

### BIG SIX STANDINGS.

	w	l	pct.
Missouri	7	1	.875
Kansas	5	1	.833

Oklahoma	6	2	.750
Iowa State	2	5	.285
Nebraska	2	7	.222
Kansas State	8	8	.200

Kansas has three games, one each against Missouri, Oklahoma and Iowa State, after the Husker game, and can win the conference title by coming through to victory in their final four contests.

### Need win.

Nebraska, meanwhile, needs to win to stay out of the conference cellar, and although the Huskers slumped at Iowa State, they will give Kansas a long evening if they hit the form they showed in getting 61 points against Kansas State.

The conference standings may end up in two three-way ties, one for the cellar and one for the title, should Kansas beat Missouri, Iowa State and Nebraska, but lose to Oklahoma while the Sooners and Tigers were beating Iowa State, K.U., Missouri and the Sooners would be tied for the title with 8 wins and 2 losses, while the other three teams would have 2 wins and 8 defeats apiece.

### Miller stars.

Ralph Miller, who has one of the highest scoring averages in the conference, and Don Ebling will open at the forward positions for the Allenmen. Bob Allen, who collaborated with Miller in leading KU to their victory at Lawrence over the Huskers, will be at center. Guards will be Bruce Voran and Dick Harp. Although Miller and Harp, at 6-1½, are the tallest men on the team, Ebling at 5-11 is the shortest. Harp and Ebling are seniors on the squad, while the other starters have a year of competition left.

### Husker sports schedule for week

Features of this week's Nebraska sports schedule will be the Kansas basketball game Saturday night, and the Nebraska-Kansas State track meet Friday evening. The gymnastics team sees its first action of the year, while the wrestling and swimming teams also compete.

#### The card:

### Frosh track outfit drops meet to Iowa

Hawkeye yearlings win 54-45; Bob Ginn stars for young Huskers

Nebraska's freshman team lost 54 to 45 to Iowa's U's frosh in a telegraphic meet despite Bob Ginn's triple win in the 880, mile and 2-mile.

The little Madison runner turned in 1:58.7 in the half mile; a second better than the University record, and 10:01.2 in the two-mile. Wayne Blue, Tecumseh, won the shot with a heave of 47-7½ as Vic Schleich, Lincoln was second and Charley Hoffman, Lincoln third as the NU frosh swept that event.

Clyde Taylor of Lexington and Ralph King, Waterloo, the cream of last spring's high school hurdle crop, tied for first in the 60 highs in 8 seconds flat. Nebraska shared another first place as Don Morris, Scottsbluff, did :52.5 in the 440, same as R. Todd of Iowa.

#### Shut out in 60.

The Nebraska frosh were shut out in the broad jump, and the 60 yard dash. One of the outstanding marks of the meet was the :6.9 flight of 60 yard lows turned in by Wilson of Iowa. Taylor of the Huskers got a .71 in that event, but had to be content with a tie for second and third with Pullman of Iowa.

Michael of Iowa was the leading Hawkeye scorer as he won the high jump at 6 feet, the broad jump at 21-3, and tied with teammate Wilson for third in the 60 highs.

### Dark horse team loses in 22-17 tilt

Nickel, Davis play outstanding games as victors lead throughout

Brown Palace defeated Dark Horse last night, 22-17, to win the 1940 Barb league championship. Neil Davis, a former Wesleyan star, and Bill Stroh led the Palace quintet to victory in the closely contested battle. Heming and Nickel paced the runners-up.

The championship tilt was slow getting under way, the score standing a 2 up at the quarter mark. Brown Palace rallied in the second period, however, and led 15-9 at the half. Play was nip and tuck all the last half, but Brown Palace squeaked a desperate last minute Horse attack, then pulled away with two quick baskets to win 22-17.

### Wesleyan nips 'B' team

Plainsmen win 32-31 in hot battle

A late Nebraska "B" rally fell one point short last night as Dwight Thomas' Wesleyan team took a 32-31 decision over the Nubbins.

The Plainsmen led 10-5 at the end of the first quarter, and 21-15 at half-time, but the Husker team cut the margin to one point as they trailed 24-23 going into the final quarter.

Feyerharm put in a basket for the Uni Place team, but Leonard Van Buskirk countered for the B's, and then Don Pollock bucketed one to give the Huskers their only lead.

#### Sink shots.

Miller and Feyerharm got baskets, and Johnson and Souders free throws before Nebraska scored again. Chuck Vacanti put in a long basket, and Les Livingston got a setup to make the score 32-31, but the Huskers couldn't hit the basket in the few remaining moments and lost.

Miller got 11 for the winners; Livingston got 8 for the B's.

### Bob Kahler, Ed Wibbels still injured

Weir divides frosh into Red, Green teams; K-State here Friday

Nebraska's track team will probably be without the services of hurdler Bob Kahler again, according to Coach Ed Weir, as the Huskers face Kansas State here tomorrow night.

Kahler pulled a muscle before the season started and has been unable to compete since then. Edsel Wibbels, who has a sprained wrist, can see action in the shot if he is needed, according to Weir.

Among the feature races Friday night should be the two hurdle events, where the Husker sophomore star Bill Smutz will face Darold Dodge, Kansas State junior who is one of the conference's best.

#### Brooks after record.

Harold Brooks, mile star, will attempt to break the school half-mile record of 1:59.7 held by Bob Ostegaard, if he is not forced too hard in the mile.

Weir has divided his frosh squad into two teams, the Reds and Greens, who will meet in a dual next week. The frosh are in the midst of a telegraphic meet with Ohio State this week, and will compare their times against Missouri next week.

Weir has issued a call for more men to report for frosh track, as they will be given places on either the Red or Green squad. Members of the Reds at present are Reed, Taylor, Zikmund, Allen, Ham, Green, Ginn, Brogan, Moore, Kersey, Schleich, Hoffman.

On the Green team are King, Titterington, Morris, Athey, Bowes, Wood, Culwell, Lyons, Oldfather, Blue.

### Broady, Platt will speak at St. Louis conference

Dr. K. O. Broady of the department of school administration and Earl T. Platt of the Extension Division will appear on the program of the national conference on supervised correspondence study at St. Louis Feb. 27. Dr. Broady will discuss the international conference, and Mr. Platt will talk on extending the correspondence study program to the public schools and central agencies.

By June Bierbower.

Bob Simmons will probably run another exhibition race against freshman Don Morris in the 440 in an attempt to bring his :49.5 mark in the quarter-mile even lower, as an added attraction to the Kansas State meet tomorrow night. Simmons fairly flew around the track in his showing at the KU meet, and his time in doing it would have shown some of the boys who are burning up the eastern boards a thing or two. Simmons had to miss the Millrose meet because of his law studies, but may run if an exhibition quarter is arranged for the Big Six meet in Kansas City two weeks from now.

Ray Tomes, Husker 155 pounder, needs only another win or draw this season to become the first 155 pound wrestler at Nebraska to win a major letter since 1934. The Huskers still have Kansas State, Iowa U. and the Big Six championships to go.

Twenty-two Kansas U. track candidates are ineligible...one of them, of course, is Bob Stoland, best high jumper in the conference...he found, when eligibility-time came, that he had only 26 instead of 27 hours of credit the two semesters previous to this one...there are six men at KU who average 6-2 in the high jump but none of them are eligible...the best four shotputters at KU are under the scholastic weather, too...and Dick Overfield, the would-be sprint star at KU, wandered out to Compton junior college, the same U.S.C. haven which one Red Litter attended for a year...going back to the eligibles, Bill Hargiss is going to pit his varsity against the ineligibles and the frosh just for the fun of it.

## NU grapplers face K-State

Nebraska's wrestlers go into their next-last dual meet of the season as they travel to Kansas State to meet the powerful Wildcats, who are favored to win the conference championship this year.

Lee Clare, senior, has won back his 136 pound post which has been filled by George Cockle all year. The other Huskers who will make the trip for the Saturday night meet are the same crew who made the jaunt to Iowa State.

#### Other weights.

Milt Kuska, 121 pounds; Ed McConnell, 128; Newt Copple, 145; Ray Tomes, 155; Dale Ruser, 165; Al Milliken, 175, and Dale Rumbolz, heavyweight will make up the team.

Kansas State is undefeated this year, having beaten Minnesota, Iowa State, Oklahoma U. and Illinois, and are intent on avenging the upset victory the Huskers took from them here last winter.

## Nebraska baseball future shiny, provided pitching staff comes through this spring

Although all the men counted on for baseball this spring have not reported for pre-season warm-ups, the Husker baseball team gives promise of being strong this spring—especially if the pitching staff comes through. The team finished third in the Big Six standings last spring.

Coach Wilbur Knight lost his three pitchers from last year—Lloyd Schmadeke, Rube Denning and Bill Brune, as well as outfielder Del Harris, who occasionally took to the mound.

Lettermen Harlan Muth, first baseman and catcher Tom Moates, were other men lost by graduation, while Leonard Anderson, outfielder from Wolbach, is not in school.

Sidney Held, sophomore basketball star, who has had major league teams after him since his high school days, probably tops the hurling prospects. The lanky ex-Lincoln high athlete is a good looking right hander.

#### Wibbels counted on.

Edsel Wibbels has stated that

he will be out for baseball this year. He had been counted on for a time last spring, but devoted all his time to track. However, he hopes to get enough time off from his discus and shot activities to help the Husker diamond cause along.

Up from the frosh are Harry Truscott, Omaha, and Bob Garey, southpaw from Jackson high in Lincoln, who doubles at first base. Both men showed promise last spring.

Lettermen who will be available when the season starts are Dow Wilson, second baseman from Dow City, Ia., a member of the 1936 Olympic team; Bernie McMaster, Elm Creek, shortstop; catchers Al Schmode, Winside, and Dick Joyce, Lincoln; first baseman Frank Rubino, Lincoln; third baseman Oscar Tegtmeyer of Burchard, and outfielder Johnny McDermott from Grand Island.

#### Others back.

Men who were with the squad last year are Elbert Phelps, Omaha, second base; Ray Essman, De Witt, third; Merlin Schoening,

Lester, Ia., infielder; Lance Ray, Nebraska City, infield; Jim Lefler, Omaha, outfielder.

Other frosh numeral winners are Don Pollock, Fremont, Frank Gilmore and Ed Ockerman, Lincoln, Cliff Hurley, Ohiowa, Warren Gableman, Tilden.

Roy Doyle, Red Cloud, Hubert Knickrehm, Grand Island, Max Bauer, Edison, Grove Nelson, Millard, and Lloyd Kronick, a likely first-base candidate from Sioux City are among those out at present who were with neither the frosh or varsity last year.

First game is April 18, against Luther college at Decorah, Ia. Six of the 18 games on the schedule will be played here, as Kansas State, Iowa State and Colorado make two-day stands.
