ARE SORORITIES AND FRATERNITIES

ARE SORORITIES merely homes for moneyed-husband-hunters? Do fraternities foster un-American class prejudice? Or is all the hullabaloo over Greek-letter organizations inspired by the soured few who don't get pledged? Why does it so often end up with disappointment for the boy or girl, and heartaches for the parents?

A STORM OF LETTERS from readers came in following Mrs. Jackson's first Post story about Greek-letter societies, Many Are Called, a few weeks ago. Sticking to her guns, she now writes a sequel. But in fairness to the subject, we have asked Dean Turner to tell you frankly in this week's Post, what colleges think of the "snob factory" question.
