Bluejays' run over Links after half

By Jim Evinger

Smooth functioning Creighton Prep of Omaha regained the Class A title by rolling over Lincoln's outclassed but not outfought cagers in the climax of the state basketball tournament, Saturday night in the coliseum. The final reckoning was 31 to 16.

Lincoln's forces were keyed up to halt the fast breaking Bluejay offense and did so for the first half. In fact, Creighton Prep held only a 4-3 first quarter lead and the Red and Black came back to tie the score at 7-7 at the intermission.

Guards Paul Hyland and Harvey "Hook" Lauer were getting the ball of their own bankboard after nearly every Prep shot, thusly spoiling many a famed Bluejay follow shot.

Steam up in third

Prep began turning on the steam in the third quarter and pulled away 17 to 12 as the quarter closed and then poured thru 14 more points in the final canto to Lincoln's 4.

The fast break system employed by Prep worked to perfection as the tiring Lincoln lads found considerable trouble in bottling up their defense as they had worked in the first half.

Creighton's sharpshooters were led by George Dunn who sifted thru 10 points. With the combined efforts of Ray Henningsen, Bob Duffy and Ed Larkin, who all had six counters apiece, Lincoln's doom was sealed.

Scrapping continuously thruout the game were Lincoln's Floyd and Ray Wilkinson and Guards Lauer and Hyland. The two tall brothers accounting for six points apiece. Box:

Indians scalp Minatare 23-22; Duncan held scoreless in last half

Winnebago's warwhooping Indians went scalping Saturday scalps of Minatare and the Class B night and returned home with the crown as a result of their 23 to 22 victory in the finals of the state tourney.

Those never say die Redskins had to come from behind to annex the title as they got in front for the only time, with three minutes left in the game, and then remained there by stalling and controlling the ball until the final whistle blew.

Minatare held a 9-5 first quarter lead but the Indians came back to tie the game up at 11 all at the half. Then the losers shot ahead by 20 to 15 at the end of the third period. It was Ruban Whitebeaver's bucket from the foul circle that pushed the Indians in front and that kept them there.

Wolfe high.

Jack Wolfe was high for the Redskins with six while Whitebeaver was the floor show. Bob Steele's nine made him high man while Roger Leafgreen was holding down floor honors.

Thayer, in winning the Class C crown put on a great show of defensive skill in defeating Duncan 34 to 17.

Clyde Ehlers and Donald Buehrer were the standouts for the winners, scoring 14 and 11 points respectively. Ed Paczosa led Duncan with 6 counters. Box:
