Iowa State baseballers beat NU, 7-4

Ames scores four in last two innings

Held slated to go for Nebraska in game this afternoon at 4

A bunt-crazy Iowa State base-ball team scored four runs in the last two innings yesterday afternoon to defeat the Nebraska diamond crew, 7-4, in the opening game of a two-day bill.

The Huskers had gone out ahead 4-3 in their half of the seventh when Sid Held, playing first base in the absence of injured Frankie Rubino, singled home Dow Wilson from second.

The Staters, though, went out ahead in the eighth when Dale De-Koster, first man up, singled, stole second, and went to third on catcher John Thompson's sacrifice. Then, for the third time yesterday afternoon, a Cyclone scored from third on a squeeze play, as Gale Snell bunted him in

Snell reached first as the Huskers tried for DeKoster at the plate, and later scored on outfielder Wilson's hit, after he had stolen second.

Get two in ninth.

Leon Wilson, ace of the Cyclone mound staff, held the Huskers scoreless in the last two innings. The Ames team, which is composed entirely of sophomores and juniors, put two across in the final inning when catcher Thompson singled to score Benedict and De-Koster. Benedict had reached base on a Husker error, and DeKoster on one of those pesky bunts.

Iowa State was first to score getting their first run in the third when pitcher Wilson, who had scratched out a hit, came in on a fielder's choice. In the next Inning Snell walked, stole second, took third on a fielder's choice, and

Huskers score. The Huskers went to work in the fourth and fifth, though, getting two runs after two men were down, Frank Gilmore reached first on Strohbehn's error after Cliff Hurley and Held had grounded out. Al Schmode singled and pitcher Ernie Swanson walked to fill the bases. At that point Bob Searle, who was on third yesterday, smacked a single into centerfield to score Gilmore and Schmode, Tegtmeier grounded out to finish out the inning.

The Huskers had a chance to score more in the seventh, but the alert Cyclone team caught Held between second and third on Gabelman's grounder, and then nipped Gabelman after he had rounded IIISL.

Ernie Swanson, sophomore, making his first start for the Huskers, went the route, allowing 12 hits. The two teams play this afternoon, with Sid Held slated to take the mound for the Huskers at 4. Nebraska leaves town Wednesday to play the Oklahoma Aggies at Stillwater Thursday night and finish the season with the Sooners Friday and Saturday.
