

New barb club to hold dinner

Local unaffiliated men meet Monday night

All members of the barb's new club, modeled after the Towne Club, are invited to be guests of the latter organization at dinner Monday evening, according to Blaine Sloan, Barb Union president.

"Purpose of the new barb club," said Sloan, "is to give unaffiliated university boys living in Lincoln an opportunity to have the social, athletic, and extra-curricular advantages of an organized club."

"The most enthusiastic group I've seen this year" was the way Sloan described the group that met Tuesday evening in the barb office to organize the new club. Over 30 unaffiliated Lincoln boys attended the meeting, compared with the 18 who attended the original organization meeting of the Towne Club two years ago.

Temporary officers, who are to serve for a month, are Bob Dewey, president, Mel Johnston, vice-president, and Frank O'Connell, secretary-treasurer.

Foundation to hold picnic

The Wesley Foundation is sponsoring a Friday Friendly picnic. Names of those wishing to attend should be left at the Student House, 1417 R.

Transportation is provided, and cars will leave at 5 p. m. from the Methodist Student House, returning around 9.

Theta's, Phi Psis, battle on S street

Excitement, battle, murder, and general mayhem ran rife on "S" street Monday night—and while it might be a bit broad to say blood ran in the gutters, at least water did. The Phi Psi-Theta tangle which started when two chairs from the Phi Psi house disappeared soon developed into a "washerkrieg."

The Theta pledges were dispatched en masse to secure the lawn chairs which were taken from their front porch in retaliation for aforesaid Phi Psi chairs. Soon eggs and tomatoes were flying, hoses squirting, and loving cups borne in triumph back and forth across the street for a good half hour before a peaceful settlement was reached, the terms were that each house should pay the damages done to the other house's property.

UN students star in movie about Lincoln

Several Nebraska students played in the movies yesterday. It wasn't for Bess Streeter Aldrich's movie which is currently filmed on the campus, but a news reel being made in Lincoln about Lincoln.

Shots of the university include pictures of the lounge and grill in the Union, ag campus, museum, and the stadium and coliseum. The film is being made by the chamber of commerce and will be shown in Lincoln in approximately a month.

Saturday the shooting crew will be at the stadium to film the Indiana-Husker game. Biff Jones will be shot as well as the Board of Regents, Tassels, Corn Cobs, Innocents, Mortar Boards and the bands.

When complete the film will be in the form of a Travel-Talk or March of Time about Lincoln. Appropriate music will form a background along with narration.
