

Johnson to return from China; alum is airways' representative

Owen Johnson, university alumnus who has been living a successful and adventurous life in China, is planning a return trip to Lincoln and his home town, Stromsburg. His wife, former Muriel Cook, an Alpha Omicron Pi, voted "Best Dressed Girl" in the university, will accompany him. Johnson, a graduate of the class of 1935, is Pan American Airways' sales representative for China.

He'll return soon.

The 26 year old Nebraskan writes, "No matter how interesting your work, you don't forget a state like Nebraska." While attending school, Johnson became president of Innocents, and engaged in many other activities, besides making beds at Sigma Nu, his own fraternity, to earn his room.

Only East Asia representative.
As the only Pan American representative in East Asia, Johnson must coordinate the whole field of air transport in the Orient so that his firm will receive the greatest benefit.

Driving trucks for Pan American, Owen Johnson received his

first break. Taking advantage of his knowledge of shorthand, he took over the task of finishing many important letters which were left incomplete because of the illness of Pan American's San Francisco division traffic manager.

After that he became utility secretary, and when trans-Pacific service was started, he was named reservations clerk. After spending some time in Hawaii as a promotional agent, he returned to San Francisco. About this time he met

Muriel Cook, who soon became Mrs. Johnson.

When he was called to the Philippines to sell means of air transportation, he spent spare time teaching classes on "Commercial Policies of Nations" at the University of Santo Tomas in Manila.

Just six months ago he was transferred to Hong Kong as sales representative for China. And the the British government recently ordered all women and children to evacuate the city, Mrs. Johnson remains with her husband.

King Kosmet orders Huskers to prepare for annual revue

"Once again King Kosmet decrees that festivity shall reign! It is the order of the court that "The Fall Revue" shall be held by the subjects of the Kingdom of the University of Nebraska the afternoon of Nov. 16, 1940." This statement King Kosmet issued yesterday to all fraternity and sorority houses.

King Kosmet invites every organization to submit their skit applications at the Kosmet Klub of-

rice by not later than 5 p. m. on Friday, Oct. 18, 1940. These skits will be reviewed and judged on the following Tuesday and Wednesday evenings.

The skits are classified as "curtain acts" (not to exceed five minutes) and "full length skits" (not to exceed ten minutes).

King Kosmet has ordered that the show this year be the best in the history of the Kingdom.
