

Socially Speaking

Betas flocked to Omaha and the Fontenelle for initiation ceremonies last night when Arlis Mathis, Bert Allen and Steve Davis were initiated...

Kappa Sigma Hub Ogden is maybe forgetting his little chum, Margaret Ann Osborn, who is back east these days for he's been seeing quite some of one little Kappa Delt...

The longest date we've discovered for the Military Ball is that one of Kay Park, Alpha Chi, and Buz Dalton, Acacia...one year, two months, three weeks and four days...

Saturday a couple of more people will be married...an alum affair, Janet Jenkins will be married at her Lincoln home to Delt Don Anderson...they'll live in Dallas...

Speaking of marriages, Rosalie Motl, Ohio, was married last Saturday in Washington, D. C...

Boyd McDougal, Delta Sig, pinned to a local lass, is taking AOPi Jackie Stretton to the cinema if one can believe one's eyes.

One DG pledge is really a lady with a past, present and future, to quote her roommate...on her dresser, in the correct order, she has a picture of the Phi Delt whose pin she wore, the AGR whose pin she has and the DU with whom she goes steady...

Speaking of DG pledges, Pat Ainley and SAE tennis star John Huston seem to be getting along...getting along also, are DDD

Mimi Taft and Buck Jones, Delt, sowe hear...

A couple of the Delt pledges amuse themselves practically every evening phoning many campus misses and chatting at length...sort of a charity project...the lads think cause it gives the dear girls something to do...if you get one of these ambiguous calls you can probably bet on Bob Roby and Bob Weygint...

Entertainment will be Friday night...Sig Eps will barn dance...popular sport this year—Clark Wenke and Lois Scofield, Alpha Chi...and Ed Zacek will be with the popular Lougene Everson, Gamma Phi...

The Delt's are going to be buffet suppering, Friday night...and Saturday night the Fiji's go wild on a Dogpatch party...Jerry Thompson and Theta Mary Belle Hitchcock, Gerry Spahn and Janet Harris, Claude Wright and Pi Phi Georgia Swallow will be among the people who get all decked out, Li'l Abner style...sounds like fun...

The Publications party is all off. The man who owned the barn called the DAILY office and said that unless the crowd was hotter than anything else the barn was too cold to have a party in...ticket refunds in the DAILY office...don't the saddest things happen...

Smile, d— you, smile . . .

DAILY staff photo by CHARLES EDHOLM

Those tooth-paste smiles shining forth by three members of the Husker football squad and a quartet of chorines from a local stage production show the jovial mood of the Scarlet gridders shortly before the Husker train departed for Pittsburgh and the Panther-Husker clash.

That's Hank Rohn, Fremont junior fullback, shying away from the little blonde chorine in the front row. Big Wayne Blue, sophomore fullback, leading Nebraska touchdown producer with four markers, gives the camera an ear-to-ear smile. Snooping over the top of the heap is Don Rubottom, sophomore fullback, who was just elevated to that post this week.

Bulletin

DAILY STAFF.
DAILY staff photo for the Cornhusker will be taken Friday at 4 p. m. in the campus studio in the west stadium.

CORN COBS—TASSELS.
All Corn Cobs and Tassels must turn in their Cornhusker subscription books by 4 p. m. today.

KOSMET KLUB.
All Kosmet Klub workers must be in front of the Union at 2 p. m. today.

COMENIUS CLUB.
Comenius club members will meet in room 208 of the Temple at 8 p. m. today.

Re-election—

(Continued from page 1.)

since time would not allow a new vote for the Honorary Colonel and Nebraska Sweetheart, the committee recommended that incumbents should remain the same.

The committee further advised that the new election be held next Tuesday. Student Council members will meet today to vote on the judiciary committee's recommendation.

A petition was also presented signed by 1,891 students protesting the action of the judiciary committee Tuesday in excluding the votes of the Barbs at ag campus and requesting that the Barb candidates who would have received pluralities if those votes were counted be installed.
