Cyclones promise hard battle; prime selves to smother Nebraska

Warren Alfson, Wisner All-Big Six guard, and Water "Butch" Luther, Cambridge scampering half back, will be the senior cocaptains for the Cornhuskers against Iowa State on Saturday. The high-flying Huskers have

two more worries, however, be-fore they can officially close this season. The first problem crops

And a worthy challenge it is, too. The Iowa Staters portrayed back the Kansas State Wildcats last Saturday, 12-0.

Herndon shines

One was Alfson, the Scarlet hope for All-American honors, and his guard running mate, Ed-die Schwartzkopf. The former was leading the interference on defense, while the latter was digging up from the bottom of the pile and dragging down the Panther backs.

The other standout was Clar-ence "Chintz" Herndon, Grand Island junior, who was rushing the Pitt backs in the last half of the Pitt clash. It was Herndon who replaced the injured Behm and hurried the attempted field goal

which went wild.

In the last two games, Pittsand Iowa, "Chintz" has been playing with the fury of a berserk lineman out for any opposing player's scalp.
