What's your guess on the question: Who will be the new Notre Dame head football coach?

This corner will pick either Harry Stuhldreher or Jim Crowley, two of Layden's aids in the great Four Horsemen backfield. Remember the other member of the quartet? He is Don Miller, but not engaged at present in the coaching game.

The same day the Irish vacancy was announced, Frank Leahy was signed to a new Boston College contract. Dr. Eddie Anderson of Iowa says he is happy where he is now. Other important names which will be frequently mentioned are these: "Buck" Shaw of Santa Clara, "Clipped" Smith of Villanova, Charlie Bachman of Michigan State, "Gus" Dorais of Detroit, Frank Thomas of Alabama, Mal Edward of Purdue, and Layden's assistant, Joe Boland.

Take your pick—your guess is as good as any one else's at this stage of the show. Maybe ex-Creighton coach Marchie Schwartz may have his name drawn into the setup sometime soon. Who knows?

Thru authoritative sources, this scribbler has learned that Clyde Taylor, Lexington sophomore high hurdler, will not be eligible for the coming track campaigns.

Taylor tripped on a scholastic hurdle. This fall will hurt the shuttle hurdle relay team that Coach Ed Weir was beaming so much about for the past few weeks.

Weir was counting on Taylor and Soph Ralph King of Waterloo, and Lettermen Bill Smutz and Bob Kahler to give good accounts of themselves in this hurdle relay specialty.

Now the job is to find another high hurdler to carry out the spot that Taylor was building for. There is a chance that pole vaulter Harold Hunt might take a fling at it but he hasn't done much hurdling since his prep school days.

Here's a good chance for some promising sophomore hurdler to carve a niche in Husker track history if he can be developed into a pretty fair hurdler in short order. Why don't some of you ex-high school track stars take a fling at track? Weir would welcome you now with open arms.

When spring rolls around, you may see quite a few familiar faces of various sports engaged in another varsity role. The baseball season opens in a matter of weeks and varsity footballers who have completed three years of pigskin competition are considering taking up the diamond sport.

Butch Luther, Hermie Rohrig, Bus Knight, and Chintz Herndon may take a fling at baseball. Basketballers Les Livingston, Sid Held, and John Fitzgibbon will also be on hand for the diamond drills.

### YW to give tea for new women

For all new women students the YW will give a tea from 3-5 p. m. tomorrow at Ellen Smith. At the first of a mid-year membership drive, members will register for as many of the seventeen second semester committee activities as their schedule permits.

Each committee meets once a week in Ellen Smith except the personal relations group which meets in the Temple.

Northwestern university's first five football teams were coached by their captains and the first salaried Wildcat coach was a player.

**An eye on Girls Sports**  
By Jeannette Mickey

The purpose of this column, they tell me, is to keep the campus "up" on the activities centering around girls' athletics, and the girls do plenty along this line! Right now the big news is the bowling tournament which just started. Since bowling has become the No. 1 sport for many girls, this has proved one of the most popular and exciting tournaments.

First, and now in progress, is the round robin tournament which always precedes the elimination playoff for champions. The first games, which were played Tuesday, resulted in wins for Alpha Phi 1, AOPI, AXO, ChiO, Gamma Phi 1, and KAT 4.

All but two of the winning teams bowled over 500, while individual standouts were Betty McGeachin, Pi Phi, Doris Patterson, DDD, and Virginia Stoddart and Margaret Rosborough, KAT, chalking up scores of 150 or better.

Results of last night's games were: Delta Gamma 2 over Whitney, A Xi D over KAT 3, Pi Phi 1 over SDT 2, KKG's over SDT 1, Phi Mu over Gamma Phi 2, and AXO 2 over DG 3. KAT 2 and Kappa Delta won their games by default. Betty O'Shea bowled 153, the highest of her career, while Ruth Ruge scored 161, the highest so far in the tournament.

The Nebraska ball tournament after losing out several days to the flu is finally nearing completion. Last year's winner, Gamma Phi Beta, has already been eliminated by Howard Hall.

The results of last night's game put the KAT 2 and KAT 3 in the quarterfinals with Whitney and Wilson Hall waiting to play them, respectively, for the semifinals. Howard Hall eliminated Raymond Hall 1 in another game played last night which gives them the right of way to the finals.

The Gamma Phis seem to have the upper hand in the deck tennis tournament as it approaches the finals. Their No. 2 team is the league I winner while the No. 1 team plays Whitney this noon to determine the league II winner.

They might have a little trouble with the Whitney team, however, since Lorene Kienker was half of the championship team last year. Dorothy Wills is playing with Lorene instead of Pat Pope who graduated.

Ping Pong is just getting off to a good start, but more about that tomorrow.

## Nebraska gym team goes to Chicago meet

Nebraska's gymnastic team composed of six members along with Coach Charley Miller and Baseball Coach Wilbur Knight are due to embark Friday morning by car for Chicago, Ill., where the team meets a vaunted University of Chicago team on Saturday evening.

The six gymnasts making the trip are Guy Johnson, 2 year letterman; Ray Griffin, 2 year veteran; Stan Southwick, letterman; Jake Geier, letterman; Pete Kreisler, letterman; and Al Pelcak, first year with the squad.

The team is in good shape according to Coach Miller and should be ready for the meet. Stan Southwick and Jake Geier are the only members hampered by injury. Both have sprained wrists.

**Team in good shape.**  
"We are farther along this year at the time of our first meet than we were last year at the same time," Coach Miller beams, "both in the matter of condition and practice."

The University of Chicago participates in the Big Ten gymnastic conference and that is saying a lot for any team because to compete in that league consistently calls for a good team. This is Chicago's first meet and Nebraska's also.

The University of Georgia is adding a course in Portuguese.
