The University of California Bob Simmons journey come May 17. For on that date, the Bear nine will embark in New York campuses over the middlewest and the deep south. The Bruins will meet 12 colleges and universities in a 19 game schedule.

The Californians will travel

as far east as Detroit before turning south and passing thru New Orleans on the return trip te Berkeley. About 18 people will comprise the Bruin company of baseballers.

The U. of C. makes quite a point of sending its baseball nine to various parts all over the globe. In 1938, the Bears went to the eastern seaboard. In other years, the Californians have ventured to Japan and Mexico.

The Bruins' first game will be with Denver university and then they take on Nebraska's nine for a two-day engagement on May 20 and 21.

Previously the Nebraska swimmers have met and defeat-Nebraska ed two members of the Mid West conference, Carleton and Grinnell colleges. They defeated Grinnell by a 52-33 margin last Friday afternoon.

This is the first conference meet for the Huskers and Kansas State is bringing a junior team to compete. The team is made up of several individual stars. Marshall Stover who holds the Big Six records in the 220 and 440 yard free style will be entered and it is up to Husker Sophomore Don Hilgert to compete against him.

A rivalry lasting from last year's swimming meets will be renewed when the two teams meet this afternoon. Bill Edwards and Leo Yeo are the two concerned and in all the 50 and 100 yard free style events they swam against each other last. year they broke even in the number of wins so this will be a good chance to see who will take

"This week will be a good in-dication of how the Big Six championships will turn out," Coach Pete Hagelin points out. It will also show how strong last year's champions, Iowa State will be this year.

The meet will be swum under intercollegiate rules and another good turn out for the swimming meet will enhance the Husker's chances for victory. The Iowa State meet, originally scheduled for Thursday afternoon at 3:30 has been changed to 7:30 that evening at the coliseum.

Bob Ginn clips off 4:20.9 mile in warmup run

Here is welcome news for Cornhusker track enthusiasts. Bob Ginn, diminutive sophomore distance star from Madison, unofficially set both a new indoor and outdoor mark in the mile run last Saturday afternoon on the track underneath the East Stadium.

Ginn was running against squad competition for the first half mile but from there on he set his own pace. His record breaking race was run in 4:20.9 and altho it is unofficial it is accurate enough to be considered. His mark will not be placed in the record books since the race was not against another school.

His time is under Harold Brook's indoor record of 4:22.1 and well under the outdoor mark of 4:22.9 held by Wilson Andrews and Mattison.

The news is very encouraging since Husker strength in the mile was diminished when Harold Brooks went off to National Guard camp and he was the outstanding miler at that time. Ginn is Big Six champion in the two mile run which he won this fall in Columbia, Mo.

UN gym team loses to Windy City in opener

University of Nebraska gymnasts have returned home from a road trip to Chicago where they met the University of Chicago team on Saturday evening. The score of the meet was in favor of the Windy City team, 497.5 to

Although the team did not bring back a win over the Chicago club, they did gain a great deal of experience which will help them in their meets during the rest of the season. They meet the University of Colorado on Feb. 22 in their next meet and it is at home.

Those that made the trip are Stan Southwick, Aim Pelcak, Guy Johnson, Pete Kreischer and Jake Geier, along with Coach Charley Miller.

The team appeared better than Coach Miller had expected and he feels confident of having a good season. There was good spectator interest shown by the Windy City fans for the meet.

For Nebraska, Kreischer, Southwick, Geier and Griffin were the only ones that placed in the first three in each event but the team turned in good scores to build up the team total.
