Guidon Sergeant: Zimmer, Jack A.  
Engineer Battalion Color Bearer: Sergeant: Walter Stewart.

**Norwich university is about to begin construction on a mess hall that will include facilities for a college store and recreation room.**

## Kampus Kaperings

with Mary Adelaide Hansen

### Tomorrow night

will really be a red-letter occasion for campus parties. What with spring formals and house-parties and picnics, there shouldn't be a soul around except members of the Kosmet Klub Kast, who'll be rehearsing in order to make that show starting next Tuesday really worth your money. At any rate, the Pi Phi's will throw their annual hayrack ride—(ed. note, to Margaret Koupal; in case you're wondering who your date is, it's DU Jim Shelley. See SX Bob McNutt for the return of that lost date book!)

### Everything blue

but the mood will keynote the Sig Ep's eighth annual Blue Party at the Cornhusker Saturday. Bill Biles will be dancin' with DG Kappy Horner, while Johnny Shields will take DG Pat Ainlay.

### Out Broadview way,

you'll see Theta Xi Dale Anderson with Delta Gamma Jean Ann Donley, Lowell Michael with Alpha Phi Peggy Hallstead, and Norris Schick with "cover-girl" Roberta Estey, at the Theta Xi Spring formal.

### Alpha Xi Deltas

will be welcoming back alums for state convention and Founders' Day banquet tomorrow. Speaking of such, what power is this that Kappa Sig Leon Hines has over Alpha Xi Marian Whitney? Seems the lad made a long distance call

requesting her presence last weekend, and she was right at his beck and call. Maybe it was just his appendix that had the strange attraction.

### Speaking of Kappa Sigs,

you'll see Bob Gillis with DG Betty Lou Waechter, Dick Berg with Alpha Chi Marge Stewart, and Bill Robinson with Theta Barbara York at their conscription party tomorrow. Bill and Barbara, Bob Sinkey and Betty McMillan, and Ren Bukacek and Alice McCampbell will be doing quite a bit of commuting between the Kappa Sig domicile and the Theta houseparty.

### To round up

the dates for house-parties this weekend, if you stop in at the AOPi shindig you'll see Marcia Beckman with DU Jack Rathbone, and Janet Shaw with Sigma Nu Bud Johnson.

### Columbia, Missouri,

seems to be a popular spot for fraternity conclaves. ATO's, Phi Psi's, and now the boys from the Farm House journeyed Stephensward for the big meeting, a national conclave, yesterday. House Mother Mrs. Francis Pelton accompanied the group.

### On the sick list

have been Bettie Cox, Leon Hines, Phi Psi Dave Flory, and SAM Norman Harris. They're all minus their appendices.
