

Kappa Sigs, Farmhouse, ZBTs win in I-M softball

Yesterday's round of intramural softball brought forth pretty much expected results. Early afternoon games produced a 9 to 4 win for the Kappa sigs over the Beta boys. Beta Sigma Psi dropped an 8 to 2 decision to the ZBT clan and Farmhouse, led by capable pitcher Don Fitz, won over Sigma Nu, 10 to 0.

Sigma Phi Epsilon pulled up on the Delta Sigma Pi team to win a close 7 to 6 tussle in the evening's opener. The Phi Psi's and Chi Phi's battled to a 4 to 3 win for the Phi Psi's, while the Phi Delt's walked over the Sammie's 9

to 4. Acacia dropped its game, 3 to 1 to the Sig Alph's.

Barb softball tournament moves slowly

Competition in the three barb softball leagues is proceeding slowly due to game postponements and the dropping of two teams.

The Y. M. C. A. and Brown Palace teams are the two that have dropped. Ten of the games played have been won by forfeit.

No league is completed, but the Rusty Roustabouts are undefeated and have beaten every other team in league III. In the same group Jerka Korka has won one and lost one, Omega Club has won one and lost two and Union leader has lost two.

In league I Barb Cats and Baldwin hall, each winning two games, and Angles, winning one game, are undefeated. The Dark Horse team and the Davis hall club have each won two and lost one.

ACBC with two wins leads league II. Cornhusker Coops and Termites have both won two and lost one. Pioneer Coop's and Galloping Ghosts have each lost one and the KKK aggregation has been defeated twice.

Giant calf dies at ag Tuesday; weighed 165

A giant Holstein calf weighing 165 pounds which was born 12 days ago at ag college died Tuesday and left unanswered the question of whether a calf born twice normal size will grow up to be a cow twice normal size.

The animal was a product of artificial insemination and was born in the state hospital herd. As big as most calves four or five months old it appeared to be normal and healthy. Cause of its death was not revealed.

Prepsters ready for state compet

UN trackmen play host to Mizzou Tiger

By Bill Palmer.

The high school athletes from your old home town will be in town this weekend. Nearly two hundred high schools will be represented in the annual Nebraska high school track and field, tennis and golf meets held in Lincoln Friday and Saturday.

Entrants for the track meet totaled 168 Wednesday morning, just 5 short of the 1940 mark of 173 registrants. Secretary L. O. Webb, of the Nebraska High School Athletic association, predicts, "It looks like entries will be in the neighborhood of 180 schools. Officials are not sure whether it will be a record or not but it is already apparent that there are more individuals registered for competition than last year."

Tennis on Friday.

Tennis competition will be held at the Lincoln Tennis club in An-

telope park beginning at 10:30 Friday morning. The tournament will be a single elimination affair and should be completed by some time Saturday morning, according to Webb. As singles and doubles will be run off at the same time no individual will be allowed to compete in both. No team champions will be chosen.

Each person entered in the state golf meet will go 18 holes around the Pioneers park course Friday. First rounds will begin at 9 a. m. The team championship will be decided on the medal play Friday. Four low scorers in Friday's rounds will be paired Saturday morning. The two winners will meet each other in the finals and the two losers will contend for third and fourth places Saturday afternoon.

Run heats Friday.

Finals in two events of the state track and field meet will be run off Friday afternoon beginning at

1:30. These events, in which there are no preliminaries, are the 880 yard race and the high jump. First heats in other track events will also be held.

Both the preliminaries and the finals in the broad jump and the pole vault will be taken care of Saturday morning starting at 9 a. m. The mile race, with no prelims, and the finals in all other events to be finished start at 1:30 Saturday afternoon interspersed with the Missouri, U N meet.
