

# Tech grabs prep track crown

## Bridges wins three firsts; Price sets 440 record

By Bill Palmer.

Led by fleet Harvey Bridges, who won the two sprints and the broad jump, Omaha Tech scored 35 1/2 points to win the Class A championship in the state high school track and field meet held in the university coliseum Friday and Saturday.

One record was set as Harold Price, Scottsbluff quartermiler, went over the 440 distance in 50.7 seconds. Price, who won the quarter last year led by ten yards until the final stretch when North Platte's Harvey Stroud pulled up to within five yards of him.

Winner of Class B was Oshkosh, the defending champions. Oshkosh was neck and neck with Ravenna until a third place in the relay gave them a one point victory. Russel Eisenhart won the Class C championship by himself for Culbertson. The school's only entry, Eisenhart won three first places, in the discus, broad jump and shot put, to gain 15 points, five more than those earned by the second place Indianola ten man squad.

Assumption high of Chadron won the Class D trophy thru the nimble feet of Don Lecher. Lecher copped the broad jump and the two dashes.

Bridges leaped 22' 4" in winning the broad jump for Tech. His time in the century was ten flat while he breezed over the 220 in 22.6. Other firsts snatched by the Maroons were the relay and the 220 low hurdles sailed over by Adrian Van Oeveren.

Runnerup Lincoln in Class A was 20 points behind. The Links, in taking their second place, captured only one first, garnered by Al Abbott, who went over 6-3 in the high jump.

Gold medal winners include Bridges, Tech, in the two dashes and the broad jump; Price, Scottsbluff, in the 440; and George Grimes, the Omaha Central lad who ran the 880 in 2:01.8 in the half mile competition Friday. Dow Steger won a gold award for his 4:37 performance for Oshkosh in the mile, as did Omaha Benson's George Surger's 15.3 time in the 120 hurdles.

Gold medals in other events went to Van Oeveren, Tech, in the low hurdles; Gordon Lucht, Grand Island, who heaved the shot 47' 7 1/2"; Orville Yocum, Humboldt, with a 145' 7 1/2" toss with the discus; Indianola's Roy Kising for a 172' 10" javelin hurl; Lincoln's Abbott in the high jump; Dick Weigand, South Sioux City, who went over 12' 3" in the vault; and to the Tech 880 relay team of Oeveren, John Hamilton, Harold Sampson and Bridges who were timed at 1:32.1.

Four of the medal winners should return for competition next year.

## No smutz, this is a tale of Smutz named Willy

By Roland Finley

If one were to ask, "Where is Pawnee City?" probably very few persons would be able to tell you correctly, but if one should ask, "Who is Bill Smutz?" I'll bet your grandmother could tell you. Bill, Nebraska's star hurdler, is Pawnee City's own contribution to Husker athletics.

A unique fact about his career as a hurdler is that he began his climb to fame on a horse racing track. As there was no cinder track, the school was forced to use a dirt horse racing track. From the way Bill skims the hurdles now, this writer is inclined to believe that it must have been a steepchase course. At any rate, the training was good for he left behind him both school and county hurdle records.

Continuing his record breaking spree, Smutz made short work of

the Husker indoor hurdle records. "Knobby," as he is sometimes called, holds the indoor 120 yard highs in 14.6 seconds and the 220 yard indoor lows in 24 seconds flat.

This year at the Butler relays, Bill lost a heart breaker to Wright of Ohio in the 60 yard lows. Smutz finished a half step behind Wright on the dash which lowered the national collegiate record in this event to 7.3 seconds. Both runners broke the old record, but Wright holds the new time.

Track trips monopolize a lot of Bill's time. The other day as he attended class for the second time in three weeks, the instructor looked up and casually remarked, "Visiting?"

Knobby frankly admits that his only resemblance to Clark Gable is his ears, but he only tells this to his most intimate friends.

## Inquiring reporter finds . . . High school students praise Union; would like to attend UN

Young Nebraska track stars interviewed at the Nebraska high school meet which took place in Lincoln Friday and Saturday at the stadium, on their impressions about the university had very definite ideas about the campus and the Union.

Russ Eisenhart, Culbert City, who has won four events likes Nebraska (Brother is a Phi Gam). Answering the questions, Russ said: "The campus is pretty, and the Union is a nice building. Yes, I want to come to Nebraska."

Lick McCord, Scottsbluff, thinks the school's about tops, and the Union well arranged. Dick would like to come down to school especially to play football.

"The campus is too much in town, but the Union is one of the best I've ever seen. I'm coming to school here," said Bill Myers of Minatare.

Bob Korte of Fairbury who won the javelin throwing contest in Class A replied: "I think Nebraska is all right, we were talking about it before when we stood outside and looked at the stadium. The Union would be okay if they would let me in to dance, and I hope to come to Nebraska."

Bill Sonderegger of Beatrice hasn't seen much of the Union and thinks Nebraska is too big to attend.

Allen Granfield, Omaha Central, who won the tennis doubles with

Bob Fromkin said, "The school isn't bad and the Union is nice but small."

Nelvin Ellis, Lyons, states: "This is a large but friendly place.

"I hope to come to this swell place next year," this from Lloyd Udrickson of Fremont.

Norval Earls thinks the Union lounge is a nice place to sleep.

Gill Bruntz, Hastings, believes the coeds are sociable. He adds, "I might come to Nebraska."

## Omahans monopolize firsts in golf, tennis tournaments

Omaha monopolized firsts in the state high school golf and tennis matches held in Lincoln Friday and Saturday.

Bob Fromkin and Allan Granfield, Central, won the doubles title in tennis by defeating Lincoln's Morris Coff and Don McArthur, 6-3, 6-3. Dennis Kuvovsky, Tech, took the singles as he downed Plattsmouth's Lars Larson, 4-6, 6-1, 6-1.

Jim Eastman of Creighton Prep won 1 up on the eighteenth hole to take the championship in golf over Omaha South's Ray Krawczyk. Bill Hawkins of Omaha Benson was third as he conquered Columbus' Norman Kenfield, 2 up.

## Ag poloists defeat city team 2-0

A fast moving, veteran ag campus polo team downed the city campus poloists 2-0 as the two teams met to decide university championship yesterday afternoon.

Tallying for the Agsters were Charles Marcy and Warren Hutchinson. Marcy chucked up his point early in the first half of the game with a long drive from the center of the field. Hutchinson tallied on an assist in the second half. Other members of the winning team were Dale Theobald, Keith King, Myles Cadwallader and Arlo Wirth.

The city campus team is made up of Harold Hopkins, Bob Slade, Dick Young, Chris Petersen, Grant Reed and Paul Svoboda.

Intersorority Ride top honors went to Betty O'Shea at the Farmer's Fair Rodeo, yesterday afternoon. Betty is a member of Kappa Alpha Theta. Her sorority sister, Joan Metcalf, was announced as second place winner. Mary Francis Kler, Alpha Phi, took their honors. Finalists in the ride were representative of four sororities.

Here are the technicalities of bike renting:

The bicycles may be rented by students and faculty members of the school. Anyone not connected with the university may only rent a bicycle when accompanied by students or faculty members. Students are given preference over faculty members. If you wish to rent a bicycle for a definite time, call Ruth Mather at 2-7181 or 5-1776.

The annual WAA spring picnic supper was held at the cabin last Wednesday evening. Those who attended were the old and new council, the sport board, and the faculty members. Becky "Life-of-the-Party" Wait boosted her title when she took an impromptu plunge into the creek.

Congratulations to Miss Lee who has received the honor of being the first woman president of the American Academy of Physical Education.

Harold Hunt, Nebraska vault champ, won the vault at 13 feet even and cleared 13 ft. 6 in. before failing to clear the bar at 13 ft. 9 in. He knocked the bar off

## Omahans monopolize firsts in golf, tennis tournaments

Golf team trophy was taken by Creighton Prep in the medal play Friday. Eastman shot a 75, three points better than his winning match play Saturday, Bill Rouse an 80, and Howard Stuerk an 84.

Omaha Benson was runner-up, and Columbus and Lincoln tied for third and fourth places.

Nebraska golfers and racquet wielders both lost to Iowa State Saturday at Ames.

The tennis team lost 5-1 and the links lads were defeated 13 1/2-4 1/2.

The University of Texas spends less money per student than any of the other 32 members of the Association of American Universities.

## Husker nine beats Iowa

### Ames men lose second tilt, 11-9

Snatching a victory over Iowa State, after 11 consecutive defeats, Nebraska's baseball team defeated the Ames' lads 11-9 in a game played on the Cyclone diamond Friday. In the first game with Iowa State on Thursday the Cornhuskers lost, 9-0.

Tying up the score in the seventh and ninth innings, the victory-hungered Huskers sewed up the game with two runs in the tenth inning. Cyclone pitcher Bernard Mickelson was knocked out of the box as Nebraska, who had been trailing 5-0, knocked in eight runs.

Angelo Ossino pitched the full ten innings for the Huskers, giving up only four hits. Friday's summaries:

## In Oglethorpe U . . .

### Eleven man 'brain trust' gets college degrees in 20 months . . . and remains healthy

ATLANTA, Ga. (ACP). Six earnest young men, survivors of an eleven-man "brain trust," have just qualified for four-year bachelor of arts degrees in less than 20 months.

President Thornwell Jacobs of Oglethorpe university, who started the eleven on a six-year grind in September, 1939, looked over their report cards and observed:

1. The collective average for the group is better than 92 percent on a study program of 30 class hours a week—twice the normal load.

2. The boys are healthy, happy and still going strong.

3. The experiment has gone far enough to demonstrate his principal thesis—"that the average college is a loosely knit, time-wasting organization resembling a country club as much as an institute of learning, and approximately half the time of its students is devoted to pursuits other than education."

One of the original eleven married, one withdrew because of illness, another because of religious reasons, another to support his family, and one "just didn't size up."
