Congratulations!

It's time for annual congratulations to all the good old frats and we really mean it. You all got a swell bunch of boys just as all the girls hoped you would.

Letting you in on a rushing secret, maybe, the ATO's claim they have all their pledges lined up with dates. We'll let you know the details as soon as possible.

What we would like to know is what the nurses have that we don't have—unless it is that gentle touch. Dick Childs, Delt, fell for a pretty little nurse this summer. He was a patient in one of the Lincoln hospitals, and pretty patient, too.

To be Married.

Jean Reed, Theta, and Don Moore, handsome Kappa Sig, are to be married this October. They have been a swell couple on the campus and we wish them lots of luck. Jean was in town over the weekend and said they will probably be married in Buffalo, N. Y., where Don is in the FBI.

Will it be a steady deal? We don't know for sure, but Mary Ellen Sim, of Rosa Bouton, and Bod Dewey are seeing a lot of each other these days.

Judy O'Conner, blonde Kappa pledge and sister of Phi Gam Al O'Conner, had a date with Beta Bill Scheumberg. All of which made some Phi Gams provoked, so they will be keeping her pretty busy in their own house.

Theta Phyllis Shaw has Buck Jones Delt pin. He gave it to her the night before summer vacation started. They're a nice couple and

Palladian Holds First Semi-formal Party Today

Opening social season for the year, Palladians will hold their annual fall party tonight in Palladian Hall of the Temple building. The party, a semi-formal affair, will begin at 9 p. m.

A circus theme will be carried out in the decorations.

We are glad the summer didn't make separation permanent.

Pledges Step Out.

Virginia Trowbridge, DG pledge, had a date or two with Dick Berg, Kappa Sig, and Bud West, Delt, is carrying on a steady affair with Martha Harrison of the same house.

AOPi pledges really have the system for getting dates, at least that is what statistics show. Week end dates were: Dorothy McClintock and Dale Harvey, Sigma Chi; Mary Bonebright and Gilmour, Phi Gam pledge of Sunday night—they are a steady pair from high school days; Betty Butler and Bob Holman; and Unis Stebbins and Max Wieland, DU.

Saw Cliff Meier was in the Union with some of the boys yesterday. He will soon be at Randolph Field. Betty Baker, Pi Phi, who is in Kansas City, still has his pin, but what will a few hundred miles do to it?

Bachelor Has Date!!

Jack Stewart, Beta Innocent, had a date with Franny Radford, Kappa pledge, last Friday. She really started out right, 'cause last year he was one of six eligible bachelors.

Ann Hastings, Theta pledge from Crete, had a date over the weekend with Johnny Newkirk, med student at Omaha, and another Crete lassie who has picked her man is Mary Jo Kobes, Tri Delt pledge. Bob Gerry brought her up to school.

George Fox was in town over the weekend. He is now working

in Omaha, so Betsy Von Seggern, Pi Phi, will be out looking again.

As we said before there isn't a lot doing this week end but we still want you to—

Notice: Bill Marsh, Unattached, thank Heaven.

Inquiring Reporter Finds . . . New UN Students Approve Tours of Campus Buildings

. . . Led by Tassels, Corn Cobs

During three days of registration this week, the person who originated campus tours will receive the blessings of approximately seventeen hundred freshmen. This is the conclusion reached after interviewing a cross section of the touring students.

Bob Rauner, Sidney, Nebraska, who is entering ag college this year, said he appreciated the tours and felt that it would definitely help him find his way about the campus in the future. He was accompanied by William Johnson, of Bridgeport, Nebraska, enrolled in the college of arts and sciences. "Bill" said he seconded Bob in everything he had said.

"Just came along."

One senior in agriculture col-

lege, who had "just come along to get into the harness again," would not identify himself. He said, "I suppose it's all right because it helps students find their way around."

Two coeds, queried as to their attitudes toward the tours, refused to give their names. They agreed that the tours would certainly make them more confident when they set out to find their class rooms Thursday morning.

Kent State university dramatists have revived "Uncle Tom's Cabin" in a new streamlined version.
