

The DAILY NEBRASKAN

Girls' Sport

By Susan Shaw

Georgia Swallow, representative, threw a bomb in the intramural meeting Monday when she suggested the innovation of touch football for girls. Becky Waite, Theta, was an enthusiastic supporter of the idea but it was vetoed. It is an annual affair on the Boulder campus but it seems as if Nebraska girls must be ladies.

Soccer baseball practices may be scheduled on the gym bulletin board now. Practices will extend thru Thursday, Oct. 2. No more than four teams may practice at any one time. All girls are asked to enter the practice field thru the gate at the west side of the coliseum. This year's attendance should be higher as the fellows will be having football practice at the opposite end of the field.

All girls interested in Tanksterettes, girl's swimming team, will please arrange to meet every Monday and Wednesday at 4 p. m. at the Coliseum. There will be a nine weeks training period before the actual speed swimming meets begin.

The university riding club enthusiasts will hold a meeting next Saturday morning at 7 o'clock at Grant Memorial.

Huskers Show Improvement

Observers Take Heart After Thursday Spree

Taking to heart the words handed out by the Biffer before their little skirmish, the Huskers rolled over frosh opposition on the second day of active work with the freshmen.

On Wednesday the teams made a very poor showing and found themselves in many embarrassing situations. Thursday, they were gunning for revenge.

They blocked harder, made their assignments, drove deeper into the secondary, completed more passes. It all combined to make observers take heart after the dismal showing of the preceding day.

The first string which was the object of the Wednesday scrimmage came back with vengeance yesterday. Marv Athey's pass to Bob Ludwick was good for the first tally.

Bradley Shows Class.

Dale Bradley, knees flying high, drove for the next touchdown. Al Zikmund on two occasions jumped out of the opposition's reaches but got the whistle when he got out into the open.

Bradley next took his turn on the passing job and laid a strike

Big Six Conference Sketch Indicates Strength of Teams

With every Big Six team getting into action this weekend with the exception of the Huskers, some indication of the strength of the various schools would be in order. The Big Six race does not start for several weeks but five of the teams will see action against non-conference foes. The summaries:

down to Bob Ludwick who tossed a lateral to Athey. Athey tripped down the sidelines for the score.

Vike Francis was not to be denied in the scoring as he tossed off tacklers right and left on his merry way goalward. Bradley came into the picture again on the front end of the pass to Ludwick which was good for a score.

Zikmund next hipped his way through the defense to go through not untouched but untripped to score. Bradley again tore through to roll up the last score for the firsts.

The seconds had their fling but did nothing that was extraordinary. Howard Debus looked good in the running and passing spot, accounting for several touches.

For the third squad, Willmer Hansen looked good. Even though the second and third squads didn't look like the firsts but the entire squad showed improvement.

son, Leonard Thomas, Stanley Brown (National defense) (3).

Pre-Smoked

DR. GRABOW

There's only one correct way to "break in" a pipe... that's by smoking it. Only Dr. Grabow pipes are pre-smoked with fine tobacco (Edgeworth) on Linkman's mechanical smoking machine.
