#### A Baby at Our House.

It's happened again. The stork has flown again and this time he stopped at the home of Mr. and Mrs. Ed Segrist and left a seven and a half pound bey for his visit. We wish you three all the happiness you can find while rocking the baby and walking the floor. Hope there won't be much of that.

#### Ames Call.

Everyone went to the game. That is, practically everyone. We called the DU house and they told us that only three fellows had lunch at the house Saturday noon, and so it goes ... Among those who went were Agnas Fox, Alpha Chi pledge, with Dee DePutron, DU; Janet Westover, Alpha Phi, with Larry Wentz, Phi Gam; and Kappa Sig bachelers Quinton Samuelson, Tay Hale, Bob George, etc. and so on into the fraternities and sororities ....

#### Long Distance.

Long distance phone calls are really the rage this past week and one of the most novel was when Norman Veta, Sammy, called his girl in Denver and had a quartet sing "Happy Birthday" to her.... Calls from the boy friend at home keep Virginia Gartrell, Alpha Xi Delt, busy....Anether birthday. The present will be taken to Dick Holms, Sigma Nu, sometime Sunday. Charlene Hoense is sending a cake inscribed with "Happy Birthday, Brother Rat" to the lucky boy. He formerly went to VMI military academy where the expression Brother Rat originated. It wouldn't be bad to grow old that way....

#### Diamond.

A diamond seems to be flashing around, and it isn't going anywhere but back where it came from....Sicily Ewing is sending hers back to California. We daren't say a thing but -could it be a newspaper man who has something to do with it?.... And this one was really quiet. Lois Rosmiller just sent back her lately celebrated pin to Pat Patterson, Acacia, now in the army. Seems she's had the pin for months altho the hungry gals at the dorm hadn't caught up with her....

### That's the Spirit.

Really getting into the spirit of the thing were Jerry Bullock, Alpha Chi pledge, and Bob Sandberg, ATO, who went to the rally together....By the way, Ruby, the Tri Delt car didn't get to go. May-be they were afraid she'd be detracted by a big handsome beaute of a '42 car and not get there .... The Sigma Nus who couldn't go to Ames had lots of fun at their house listening. There were dates, a big fire in the fire place, and eats to help them enjoy it . . . . This game makes us look ahead and won't the home games be fun? Take for instance the Homecoming game. Decorations, the Corncob-Tassel party when we find out who is Pep Queen, and everything. They are really something to look forward to.

### Celebrating.

Celebrating before the army grabs him were Alberta Hellam of the dorm and Merten Stabb, who went dancing Friday night. . Also dancing this week end were Betty Klingle, Alpha Xi Delt, and Jack Nicely, Deltasig. They went away to do their cutting up, to Omaha .... Warren Hutchinson, Farm House, has been dating Mary Margaret Bumstead, Alpha Phi pledge, pretty regularly. He does know how to pick 'em . . . . The Sig Eps had a picnic in Pioneers Park Saturday night. They went en masse .Milan Ross, Farm House, had a date with Florence Hamer when he was enroute to California .... Wonder if we'll all be heading in that direction in a few months?

For you unfortunates who didn't get your Cornhusker ordered last year we have not only sympathy but a ray of hope. There is now a rate of \$3.50 for said book, so hurry, hurry. And just so you an glass in the Rhineland begins won't forget this year—1942 Corn- the subseries, Studies in Humanihuskers are now on sale for \$2 ties. Publications in all three subflown and \$2.50 due before March series will be supplied to recipients Mo. Don't delay!-Adv.

### **KU Presents Problems To Victorious Cornhuskers**

game, they started thinking of the game coming up Saturday against the vastly improving Kansas Jayhawkers

After losing their lirst game to Temple, the Jayhawks ran over Washington U. of St. Louis 19-6 Saturday afternoon. The record tet are sophomores. for the Kansas Washington series is: 11 won by Kansas, and three games that ended in a deadlock. Scouts Were Busy.

Husker scouts were in stands at Lawrence taking down notes on the Kansas type of offense and defense. These formations will be given the scout squad for use all next week. During the week, the

## Scouts Fight To Edge Frosh In Scrimmage

### Coaches Happy as Spirit flares in Work-out; King Scores for Freshman Team

1941 crop of freshman football stars lived up to the highest expectations of the coaches in the scrimmage Friday afternoon with the scout squad. Tho the scouters won 7-6, they had to fight every second to get any place.

Starting Fullback Bud King former Lincoln high performer, pushed over for the one frosh tally. Others who worked in the freshman backfield were Norris and Ferris, quarterbacks; Hungerford, McKee, Noble and Hopp, halfbacks, and Warner, fullback.

Right Half Reichal of the scout squad crossed the final white stripe to gain the scout touchdown. The point after touchdown. which was the deciding margin of the victory, was kicked by Yakal. Yakal had replaced Domeir at left

Linemen who started the contest for the frosh squad were Clark and Schlegle, ends; Chaloupka and Kinder, tackles; Roberts and Bechman, guards, and Buckley, center. These men were relieved by Gillespie and James, ends; Abnor and Wright, tackles; Hazard and Cusulous, guards, and Hatfield at center.

After the scout-frosh game, two frosh teams were pitted against each other. Final score of this battle between friends was 13 to 6 with the Blues coming out on

Game starters were

The minute the Cornhuskers left | Cornhuskers will do their best to the field after the Iowa State find out how to stop the Jayhawk offense and to find holes in the Kansas defense.

A star-studded backfield, in which not one but four triplethreat men cavort, is the gridiron picture at the Kansas school this fall. Three members of the quar-

Of the quartet, Ralph Miller is the star passer. Against Temple Miller completed 13 of 24 passes for 184 yards gain. In the Temple game the Jayhawks amassed a total of almost 300 yards from scrimmage, which looks impressive even against the 31-9 loss,

Of the 35 players making the trip to Philadelphia, only 12 earned letters last year. Five of these are backs and seven are

The backs are by no means lit-Shortest of the four first string backs is Ray Evans of Kansas City, Kas., at 6 feet 1. Though tall, Ralph Miller tips the scales at 175.

#### Letterman to second string.

To show the type of players coach Gwinn Henry has to choose from Don Pollam, who was a letter-winner last year, has been shoved back to the second squad. He is now working hard to gain the starting berth, which makes him all the tougher.

Of the starting lineup, three backs and three linesmen are sophomores. Four seniors and one junior complete the list of starters. The sophomores are now experienced veterans with two tough games under their respective belts.

Kansas has another incentive to drive them to greater heights in the game with Nebraska than the desire for a Big Six victory. The last time Kansas defeated Nebraska at Lincoln was in 1916.

### **Burch Boosts** Grid Morale

LOS ANGELES. (ACP). Loyola's gridiron morale took a big with announcement that Donahue had re-entered

Burch is the unbreakable kid with the permanent smile and a personality you can hear-like a band-before he comes around the corner. Several years ago Burch was a quarterback on the Lions varsity and a good one. However, fate wrote a cruel "finis" to his athletic career by striking the husky young boy with infantile paralysis.

One day he was smashing blocking, jumping thru holes in the line during a practice session. Next day he was fighting a dangerous fever as the dread paralysis crept slowly over his body.

"The "personality kid" has been given a room on the campus with his football mates, and is calling the "pep up" signals for this year's

# Ann Petty, pledge president. Alumni presiding at the tables will be Mrs. Ada Westover, Mrs. Kathleen Halligan, Mrs. Joyce Ayres and Mrs. Dorothy Cook. **Publications Board Alters** Studies Set-up

Reorganization of the series of publications formerly known as 'University Studies" and "Studies in Language; Literature and Criticism" into a single series, "University of Nebraska Studies" has been made this year, under a plan recently approved and administered by the board of publications.

Three subseries are included in the new set-up; they are called Studies in the Humanities, Studies in Social Sciences.

Studies in Science and Technology. Professor Michael Ginsberg's paper on Hunting Scenes on Rom-an glass in the Rhineland begins of the "University Studies."

Sororities have chosen their new | Petty; vice president, Joan Martz; secretary, Billy Kline; treasurer, Ruth Westover.
