## Sassy Items

Whee!

Just guess what the theme of the Sigma Chi house party is to be—Heaven and Hell! Sounds interesting to say the least. A few of the dates will be Don Hartman with Alice Blackstone, Tri Delt; Sam Carroll with Martha Pickering, AOPi, which couple have been on and off for at least two years, and Frankie Moyer with Virginia Hughes, Kappa Delt pledge... A very surprised little girl this Friday will be Peggy Jones, Alpha Xi Delt. Seems she and Les Murray were conversing the other night and he introduced her to a cowboy friend of his. So, she has a date this Friday with the cowboy. Do I have to tell you or can you guess that Les and the cowboy are one and the same?

This Weekend.

Wonder if Aline Hosman, Theta, will be able to attend the Beta house party with Bert Allen Saturday? We have heard from a very reliable source that Aline has the hives... House parties are the only thing this weekend and so the dates might prove interesting

## Calendar

- Thursday.  
AWS meeting, Ellen Smith hall, 5 p. m.
- Friday.  
Alpha Sigma Phi hayride.  
Beta Theta Pi house party, chapter house, 9 to 12.

...Going to the Alpha Chi ranch party will be old friends Betsy Jane Wright and Nate Holman, Sigma Nu; Gerry Buller will attend with Bob Sandberg, ATO; and Marge Stewart will be there with Ed Butler, ATO. It is reported that they have pretty much fixed things up. We hope so... At the Alpha Sig hayride will be Kay Duncan, Pi Phi, and Stan Scott; popular Janet Shaw, AOPi, and Dean Shepherd... Doing nicely together are Norma Westphal

and Bill Leininger, SAE pledge. They have a regular date arrangement now.

### Besides Parties.

It seems that not everybody is going to house parties, tho. There is the Farmer's Fair and there is always the Pike... Jack Parker, the famous Delt bachelor, will be seen at the Pike both nights. His brother, Buck Jones, will be there, too, with his Theta after their squabble of the week... Maybe you can help Chris Peterson this weekend. The last we heard of him (that sounded like news) was that he was searching the direc-

## Barb Group Holds Point Discussions

BABW Will Meet Today To Discuss All Girls' Party, Activity Groups

Barb Activities Board for Women has scheduled point group discussion meetings for unaffiliated women interested in earning activity pins and receiving recognition at the annual barb spring banquet this coming week. Dorothy White, BABW chairman, announced last night.

Activity pins are given for 100 points earned by next spring. One point is earned for each half hour's work in an activity. Points may be counted starting with day of AWS activities mart last Saturday.

The BABW board will meet today in the barb office of the Union to receive committee reports on the all girls' party to be held Nov. 8, and to discuss the point groups.

Following are the office hours of the point group leaders:

Betty Hutchinson, Monday, 12 noon; Eleanor Jacka (Home Ec Social parlors, ag campus) Tuesday, 4 p. m.; Louise Woerner, Wednesday, 1 p. m.; June Heilman, Wednesday, 7 p. m.; Dorothy White, Thursday, 4 p. m.

If they can't make any of these meetings, women are asked to make special arrangements with Betty Hutchinson, activity chairman.

purchased from any Corn Cob or Tassel for 80 cents plus 10 cents tax before the party or \$1.10 at the door.

### 20th Century Rhythm.

Coming direct from the "Hotbed of Swing" in Kansas City, McShann's orchestra is rated as a "20th Century Rhythm" group, and it stars Walter Brown, famed for "Daddy," and Eugene Ramey, "America's Top Bass." McShann himself plays the piano.

A recent record hit of the band, "Confessin' the Blues," has sold 60,000 records so far this season. "The floor will be in excellent

form for a date Saturday night. Have to go hunt up my feather for the rally now, so should you.

shape," Douglas assured students. He also stated that it was thru the aid of Bill Marsh that the band was obtained at a door price within the reach of all students.

Five mathematics courses at University of Texas have been arranged to tie in more closely with problems relating to defense. The music library at Mills college contains more than 6,000 phonograph records.
