Happy Girl.

One of the happiest girls on the campus Saturday night was Ruth Miller, Chi O. She had been selected Queen of the Harvest Ball and the thrill of it was that she is the first affiliated girl to receive the honor in 15 years. Congratulations! Well, well. So the dust cleared away and Jody Junge, Pi Phi, and Bob Ferguson, DU, are going steady. They have been seen together frequently of late. Together again, for a while at least, are Dorothy Huffman, Alpha Phi, and Hal Moore, Phi Gam. Seems that Dorothy likes the way Aubrey Pettit, Kappa Sig, dances, so the Huffman-Moore affair is off, then on, then off, etc. while she tries to make up her mind...

Also Steady.

Also going steady are Kay Duncan, Pi Phi, and Stan Scott, Alpha Sig. However, she didn't see much of him last night, because

the Alpha Sigs were looking for their pledges who had snuck to Omaha... Other pledge groups were celebrating in Omaha last night. The Sigma Nus finally got to sneak after being kept in last week because of pledging. The SAE's, ATOs and Farm House boys had sneak night, too... Bunny Smith, Theta, received a lovely orchid from Tommy Grimes, Phi Psi, Sunday on her initiation day... Also initiated were Clucky Roseborough and Phyllis Shaw. Congratulations!...

Pin Hanging.

Otto Pfeiffer, AGR, hung his pin on Sephyne Brandt, Chi O. It all happened this weekend... A little girl who wants a pin, just a sweetheart one, please, is Polly Ann Petty, Alpha Phi pledge. She isn't particular what frat it comes from, so if you get busy maybe you can be the lucky one... Don James, ATO, is having a time of it trying to make up his mind between Dorothy Theisen, Theta pledge, and Jeanne Browne, Kappa pledge. He has a date with one one day, the other the next... Home from the army along with thousands of other soldier boys is Hugh LeMasters to see the family

and Helen Meyer, cow girl from Wyoming...

Light Jobs Wanted.

The Phi Gams enlisted to take out the rugs and move furniture at the Alpha Chi house to help out with the houseparty. Can anyone else provide them with small jobs? In appreciation a quartet from the Alpha Chi house serenaded them last night at dinner. For furniture moving, rug cutting, etc., please call 2-7555... Howard and Wilson halls pooled their resources Friday eve and entertained the Cornhuker Co-op at an hour dance at the union. A fine time was had by all... Also enjoying themselves were Johnny Stoddart, Beta of last year, and Becky Wait, Theta. He whipped back to his old stomping grounds to entertain Becky in his new convertible...

Will Be.

SCOOP: King Spittler, Delt, is on the verge of hanging his pin on Virginia Hale of Omaha. We were guaranteed that this preview wouldn't stop anything, because he loves the girl... So Nancy Mauck, Alpha Chi, and Art Lincoln, Delt, had a good time at the Alpha Chi houseparty? Yes, indeed. It looks like something might come of it, too... A look into the future, brings some Alpha Xi Delt dates to the Corn Cob-Tassel party such as Mary Frances Smith, pledge, with Wally French

Girls Dorm Holds Open House Sunday

The new Love Memorial girls' dormitory on the ag campus held open house to more than 200 visitors Sunday afternoon.

The girls learn home economics at first hand, since each has her turn at each of the six jobs within her group—first cook, second cook, first and second maid, house-keeper and hostess. These jobs change hands every two weeks.

House business is conducted by elective officers. This semester they are Marian Swanson, Mead, president; Marguerite Harvey, of Gothenburg, secretary; and Irene Leymaster, Aurora, treasurer.

Always present for consultation and guidance are the house mother, Mrs. Hallie Blievernicht, and a graduate assistant, Miss Thelma McMillan.

and Betty Klingie with Jack Nise-ly, Deltasig...

Early and Late.

A bit early were the roses Dick Holm, Sigma Nu, sent to Carlene Hohensee, Alpha Chi. He thought she was to be initiated. Wonder if he will do a repeat tomorrow night?... Not early, but late returns from the Farmers Formal are coming in from the Paladians. Among them were Marjorie Holmes and Bob Veach; Virginia Mutz and Hugh Stuart, and Dick Cast with Mary Helen Alexis... Fellow sandhillers Phyllis Dodge

Judging Team Enters Contest

College Representatives Compete in Toronto

A dairy products judging team of three men from the university will be among the 20 college teams from all parts of the United States and Canada which will take part in the 26th annual students' national contest in judging dairy products at Toronto, Canada, Oct. 20.

The Nebraska team consists of Donald Egly of Sutton, Homer Van Boskirk of Lincoln, Burns Woodward of Chester and John Bay of Filley as alternate. P. A. Downs, coach will accompany the team.

of the dorm and George "Corky" Abbott also took in the shin-dig... A few of the Beta boys are going pheasant hunting Friday. We HOPE to see Lowe Folsom, Tom Woods, Larry Huwaldt, Stan Huffman, Harry Rinder, Bill Edwards, etc. return...

The Delta Gammas' pulled a fast one while evading the actives and serenaded the Phi Psi house...

Ruth Harvey, Pi Phi finally has AGR Floyd Hansmire's pin after several years of going steady.
