## Sassy Items

This weekend seems to be the big game weekend. At least that is what it looks like from the people going hunting. Dorothy Mc Clintock, AOPi, is going pheasant hunting Sunday with Jack Hitchcock. Wonder if they'll catch anything... Bob Fast, Sig Alph is still talking about his first and only date of the year with Dorothy Carnahan, Chi O pledge. He hasn't the courage to ask her for another. Why don't you get one of the brothers to fix you up?... Happy little miss of the weekend will be Betty Jo Wageman, AOPi pledge. Her boy friend, Jimmy Thompson, is coming all the way from Cheyenne for the game and Corn Cob-Tassel party...

### Wearing Pins

Many of the pledges are now wearing pins instead of ribbons because of the numerous formal pledgings of the past week... The SDTs pledged over the weekend Chi Omega pledges got their pins Monday and the Thetas Tuesday. After the Theta pledging, the pledges, active president and vice president, who by the way is pledge supervisor, went to Rena Forsythe's for a birthday party... Theta Xi pledges held sneak night Tuesday and upon returning had a tussel with the actives. It lasted for hours and fortunately the actives won... New pledge at the AOPi house is Helen Grisold. Congratulations!... The Pi Phis have a new pledge, Mary McMurtery, sister of George. Now Marge Owen won't dare come to the Pi Phi house and not pass the candy...

### What Happened!

Betty Bonebright, AOPi, is all dated up for the weekend with Floyd Walter, Beta Sig prexy. Wonder what happened to the triangle of a few weeks ago?... Hour dances are really good for something besides a pledge duty. Or so Fern Bergen, Alpha Xi Delt, thinks. She had a date with Claude Wright Phi Gam, last week and is going to the Corn Cob-Tassel party Saturday and it all started at an hour dance... A couple that is known for its on-again-off-again dating arrangement is Clara Malster and Jim Griffith... Rege Davies is really dating in the Chi O house. He has dated to date Ruth Ann Walker, Dorothy Carnahan, Ruth Brickell and Jean Anderson and some others... Alice Blackstone, Tri Delt, who gave Pete Hagelin's SAE pin back, is now seeing a lot of Ed Foster, Phi Rho at Omaha.

### Triangles

Triangles and more triangles—for instance SAE Danny Schmidt, Theta's Mary Adelaide Hanson and Gerry Anderson. Another triangle in the same frat house concerns Milt Rothenberger and Chi O Jean Anderson and Kay Whitehead, Pi Phi... Dick Miller, Phi Gam, was down from Omaha a couple of days ago and went coking with AOPi, Margaret Hoppert... Hank Green

## Calendar

### Friday.

Corn Cob-Tassel rally 7 p. m.  
Phi Delta Theta house party, chapter house, 9 to 12.

### Saturday.

Indiana game, 2 p. m.

Delta Delta Delta open house, chapter house, after the game.  
Corn Cob-Tassel party, Coliseum, 9 to 12.  
Alpha Tau Omega dance, Cornhusker hotel, 9 to 12.  
Delta Tau Delta dance, Lincoln hotel, 9 to 12.

## Tri Delts Hold Formal Dinner For Mrs. Rapp

Delta Delta Delta entertained Mrs. Herbert T. Rapp, Mrs. Perrin and the alumni advisory board at a formal dinner last night. Mrs. Rapp, district president, is making her annual visit with the local chapter and has been here four days. Mrs. Perrin, another district officer, was in the city just for the day.

## Monthly Magazine...

## Alumni Publication Features Pictures of Beautiful Coeds

With a thick 29 page magazine, the Nebraska Alumnus appeared this week citing proof that UN coeds are still the "fairest of any old place that you know."

Pictured on the front cover and again in a pictorial story about this year's freshman class are a 16 pretty frosh. Alumni aren't so old that they can't recognize beauty.

and Helen Kisselbach, Gamma Phi, pledge, have been seeing quite a bit of each other lately. Wonder if they are going to the Phi Delt houseparty Friday to dance to Johnny Cox... Alex "I'm a lonely boy" Mills, SAE, was out having good time with Maxine Thomas, super Theta pledge, the other night. He likes it but worries that it may turn out to be the "I have 5 to 7 open on November 18th" type... Bob Ploss is reported to be liking two girls at once. They are Marge Martin, Alpha Phi pledge, and Libby Owen of Omaha. He really has a problem...

### Picnic

Last night the Theta's and Phi Gam had a picnic. Thought maybe you would be interested in a few of the dates: Betty Klopp and Herb Bellamy; Wanda Seaton and Squash Campbell; Mary Jo Latsch and Jo Martin; Becky Wait and Dean Nutzman; Janet Costello and Gene Schroeder; and Eleanor Elliot, prexy, and Claude Wright. Hear they had a good time, too... Looking into the future and we do mean future, reveals a date to the Military Ball. It will be Mary Fran Smith, Alpha Xi Delt pledge, and Jack Busby, Sig Ep. Nice to feel so secure about the whole thing. Guess the rest of us will have to get busy...

## Rally...

(Continued from Page 1.) astically welcome and pile on all student contributions. The boxes should be left on the spot to be the bonfire site Friday afternoon.

Today and Friday the pep organizations will distribute the popular slogan cards to students and alums. The rally turnout is expected to be considerably larger thru the attendance of NU alums and football followers.

Brief rally speeches will be given that night by Elsworth Du-Teau, alumni secretary, and Freddy Meiers, game captain.

Tassels in charge of the rally are Dorothy Weirich, Phyllis Cope and Betty Bonebright. The Corn Cob committee co-operating with the Tassels includes Max Laughlin, Bob Fast and Phil Kantor.

Max Laughlin has issued a call for a large number of Corn Cob workers to help with the preparations. Workers will meet Friday afternoon at 1 o'clock in the east stadium.

## UN Directory Will Come Out On Oct. 27

Nineteen hundred forty-one-forty-two student and faculty directory goes on sale Oct. 27, according to the university YMCA, publisher of the directory.

In response to a request to list all non-resident organizations, the editor of the student directory asks the presidents of all organized groups having a bona fide mailing address and telephone number and not already listed in the directory to leave the name of their organization, president's name, address and telephone number at his office in the Y rooms of the Temple.

The information available in the directory includes the name, college and year, home town, Lincoln address, Lincoln telephone number, and fraternal affiliation of every student in resident study on the campus.

Data for the directory is taken from registration cards and is thoroughly checked and rechecked to obtain the highest degree of accuracy.

Improvements this year are the omission of unnecessary punctuation from the student lists, new songs and yells, and a list of organizations having more than 25 members that are not mentioned elsewhere in the directory.

## Union Sponsors Matinee Dance On Ag Campus

At 5 p. m. today the Union will sponsor another matinee dance at the student activities building on the ag campus. These dances will be held every Thursday afternoon from now on.

## 'A Drouth—No Corn' in Band For Cob Party

If articles in the "Billboard Magazine," "Down Beat Magazine," the "National Review" and the opinions of people entertained in various sections of the country by Jay McShann have any meaning, the Corn Cob-Tassel party featuring Jay McShann and his "20th Century Rhythm" is going to be one of the biggest events of the year.

McShann's recordings of "Confessin' the Blues" and "Swingmation" have rapidly risen to two of the most popular recordings on the Union's juke box.

Nebraska students, when asked their opinions of Jay McShann's music, gave enthusiastic replies. Vic Bradshaw declared: "The Cobs really did something! This bunch can really play. That 25 minute arrangement of 'One O'Clock Jump' with trumpet is solid."

Bill Pest exclaimed: "They're fine to dance to. Solid boogie woogie and they can play for me anytime." Phyllis Ann Thompson gave a simple, concise statement with plenty of meaning: "I like them!" Quoting Ed Butler: "A drouth in that band. No corn there!"

Authorities of nine New England colleges including Harvard, have asked students not to bring automobiles to college this fall as a gasoline conservation measure.
