## Sassy Items

Much ado about something seems to be the high sign in the low down circles over the fall captured campus these grey days what with the big migration to K-State, Halloween hulaaloos, Bradley blowin' that sweet horn at the Pike, plus a myriad of other frolics on the docket. It's a sorry rumor that Carl Harnsberger, Phi Psi, is no longer to be on your favorite Monday and Thursday night broadcast—law school is cramping his style. . . . And somebody whispered in our ear that Rosmary Riley, Tri Delta, received a diamond from soldier boy Roy Blaze. . . . Kay Hanley's Mary Thompson, Phi Gam, will be in Kansas Friday night, so she will be stepping high, wide, and handsome with Ki Eisenhart. . . .

### Candidates.

Some beauty queen candidates are Pi Phi's Shirley Johnson, Belle Cochran, Theta's Hattie Costello and Becky Waite, Delta Gam's Jessie Moore. . . . Old and routine it is: Mr. Deck and Miss McKenna will be celebrating their first date anniversary Nov. 1. . . . Georgia Covey, Alpha Phi, and Ed Calhoun, ATO, are whipping to Kansas this week-end. . . . As are Janet Shaw, AOPi, and Don Shepherd, Alpha Sig. . . . Has the Reinhardt, SAE, Heldt, Alpha Phi and Cluck, SAE, triangle turned into a twosome? We think so! . . . Mary Lee Tomilson, Delta Gam, is definitely off the steady list. . . . Gerda Hofer and a fellow from Omaha passed the candy Monday night. . . . And have you all heard about Jack McPhail, DU, asking a movie star to the Military Ball. . . . Seems they are well acquainted. . . . Wonder if the pajama party at the dorm tonight is an open one. . . .

### What's Happened?

How's the June Jamieson, KKG, Al Bush, Phi Psi, combination coming, and where is Seltzer?—Maybe he's out taking an Alka touch. How about library dates? Get anything done Mary Adelaide? . . . Some early reports on the Military Ball dates are Delta Gam's Joan Beltzer and Bob Flory and Pat Cole with Sig Ep's Bob
