

Huskers Set for Sodak Invasion Tonight

Cage Crew Meets Foe From North

Contest Marks Opening Of Basket Season, Tipoff In Coliseum at 8 P. M.

Nebraska's Cornhuskers, 1941-42 basketball edition, will see the opening tip-off on their 18 game schedule when Coach A. J. Lewandowski's cagers meet the University of South Dakota tonight on the coliseum court at 8 p. m.

"Lew" sent the varsity through a light workout last night, with most of the time given over to taking pictures of the Husker squad that will be playing their first game of the season tonight against a Sodak team beaten 56-35 Tuesday night by a smooth-working crew of Minnesota Gophers.

At Full Strength.

The Nebraskans will be at full strength for tonight's tilt, with the starting lineup made up of John Thompson and John Fitzgibbon at the forward posts, Sid Held and Max Young in the back court, and Hartman Goetze in the pivot position.

In the starting lineup for the Sodaks are Smith and Solberg in the forward slots, LeMaster playing center, and Taplett and Ebert in the guard positions. Guard Solberg paced the Dakotans in their loss to Minnesota with 14 points, while Taplett was second-high scorer with seven.

On the second team Lew has been using Vacanti and Bottorff in the guard spots and Lyle King in the middle-man position with Hay and Livingston holding down the midcourt.

Sophomore candidates who will probably see service include forwards Al Artman, Bob Bramson, Kenny Elson and George Gribble, and guards Warren Marquiss and Bob Heinzelman.

Tough One on Tap.

If the record of last year's meeting between the Huskers and the Sodaks is any indicator, the game will be a tough one. It was last season that the Scarlet and Cream journeyed to Vermillion to drop a close one in an overtime decision 40-39.

Lewandowski will pit a "small, fast" team against the Dakotans zone defense. In Tuesday's game this defense was punctured at will by the Gophers who used a fast-breaking style to loop 21 field goals through the net, most of them resulting from under-basket setups.

The lineup:

POS.	NEBRASKA	SO. DAKOTA
F.	Thompson	Smith
F.	Fitzgibbon	Solberg
C.	Goetze	LeMaster
G.	Held	Taplett
G.	Young	Ebert

Teamwork makes the difference in volleyball as well as in the other sports. The Phi Psis proved this last night as they battled their way to the volleyball championship against the Phi Gams and Sig Eps.

The Phi Gams taught the ATOS a lesson in teamwork in the semifinals, but the Fijis forgot their teachings and lost the championship match to the Phi Psis in a three game match. The champions took the first and last games 15 to 8 and 15 to 9. The Phi Gams

rallied to take the second game 10 to 15.

The ATOS got off to a good start in the consolations by taking the first game of the match 15 to 8. From there on it was all

the Sig Eps, who earned two 15 to 11 decisions. This victory gave the Sig Eps third in the volleyball competition.

The finalists had things their

own way in the semifinal rounds. The champion Phi Psis took measure of the Sig Eps 15 to 10, 15 to 7. The Fijis defeated the ATOS 15 to 5, 15 to 9.
