

## Two Heads Are Better...

Plans for an extra-special Christmas vacation are shaping up beautifully. . . . Alpha Phi Jean Christie is making a repeat trip to Denver and Leroy Farmer, and Tri Delt Maxine Taylor are travelling clear to Baltimore to see Sig Chi of last year Don Marler, whose pin she's wearing in spite of her frequent dates with

Fiji Dean Nutzman. . . . And Alpha Phi Patty Paine left Tuesday for Corpus Christi to see Kady Pine of the navy air corps. . . . Kappa Sigs who will be in the Omaha area have planned big things for the 27th eve when they'll hold their annual Christmas banquet. . . . News of the day: Did we say that as soon as Milt Roth- enberger had that SAE pin he'd hang it on Pi Phi Kay White- head? Even if we didn't, he did last Tuesday night. . . . We're spiking a rumor put out by a Min- nesota paper that Marv Athey, DU, is the son of a Juanita Indian chieftain—Just saying that he's looking forward to Christmas and his girl back in Benkelman—they keep telling us. . . .

### Big Break-up.

The big break-up of the week. . . . That of Alpha Phi Marcy

Bauer and Phi Psi Bob Osborne. . . . The thing is definitely on the rocks. . . . Forsaking all others are Pi Phi Gay Gaden and Chi Phi Ward Griffin. . . . Another steady deal. . . . Cub bear Ki Eis- enhart over at the Fiji house is coming out of hibernation long enough to grab a few dates with Alpha Phi Betty Winn. . . . An interesting combination seen coking was Jean Buckley, Theta pledge; Duke Eberhardt, Phi Gam, and Dee DePutron, DU. We never did figure out who had the honor of paying for Jeannie's drink. . . . Determined to make it three week- ends in a row, Les Buckley, Phi Delt, and Ruth Lund, Alpha Chi, will take in the big Christmas party given by said fraternity. . . .

### Does He?

Art Lincoln still swears that he loves the bachelor life despite his

obvious enjoyment of coking with Barbara Morehouse, Alpha Phi. . . . And we hear the reason for Jack Clarke, Kappa Sig's, trip to Wash- ington is an official inspection of the navy's defense forces. . . . Bunny Chapline, AOPi, has a father that's an admiral, you know. . . . Bob Irvin, Nebraska King of Hearts, provides an addi- tional Christmas trip item as he will meet an Alpha Phi from Boulder in Chicago soon. . . . We couldn't begin to name all the dates to the Sig Alph formal Fri- day night so will simply say. . . . All's well that prints well.

Dr. Harold J. Hoflich, assistant professor of economics at Kent State university is serving as economic analyst with the U. S. treasury department during a year's leave of absence.

## Sigma Nus Give Christmas Party For Orphans

Sigma Nu entertained children from Tabitha Home at the chap- ter house last night. After a tur- key dinner the children received toys from a huge tree and stayed to play and enjoy for a short time some of the luxuries they do not often have.

Each year all the children from this same orphanage have been in- vited to the Sigma Nu house for a Christmas party and it has come to be a tradition with the fratern- ity and Home. About 35 children attended the party.

Fraternities and sororities at the University of North Dakota signed up 192 pledges.
