overhead shot and the margin between the two teams was 41-30.

### The End of the Trail

John Buescher's swisher was soon nullified by Held's two gratis tosses at Black's expense and Nebraska was ready to check in their suits. But not Kansas.

With the aforementioned minute and a fraction remaining, Miller, Buescher, Sollenberger and Black kept the nets hot with their daring shots to overpower the Huskers by the final 19 point margin.

### Nebraska Drops

The loss dropped Nebraska down to a tie for third and fourth with Oklahoma who was spilling Kansas State, 26-25. Both teams have two wins and a single loss with both teams losing to the same Kansas aggregation.

Kansas is in undisputed lead of the conference with three victories and no losses. Idle Iowa State comes next, having won one and lost none.

As for personal sidelights of the game, there were many. Dr. Forrest C. "Phog" Allen, outspoken Jayhawk mentor, was sitting on the bench with the satisfied look of a good job well done. The entire Kansas team had the same look after the last minute rampage had so thoroughly disheartened the Huskers.

### Play Underdog Role

The Huskers fought hard throughout, being the decided underdogs from the beginning. They

Hunt and Vic Schleich have all signed for naval reserve, preserving their last year of competition.

### Advance Notice—

### Mills Students Enjoy Helping Defense Effort

OAKLAND, Calif. (ACP). Girls of Mills college, oldest women's college west of the Mississippi, are doing their bit for defense by entertaining groups of soldiers from nearby army posts.

The first group of 25 service men were entertained at tennis, bridge, badminton and swimming in the afternoon, served a buffet supper, and were guests at informal dancing in the evening.

Rosemary Gnaedinger, chairman of student social activities, says that by the end of the year each girl student will have had at least one service man as her guest.

were cold, as the scanty number of baskets they made can testify. The total for the host club was nine while the invaders were pouring through 22 of the necessary ingredients for basketball success.

For the Kansas team, Charley Black was the big noise. His adept ball handling and good basket eye contributed 17 points for his team's total. Ralph Miller got 12 points to rank next.

### Heinzelman Tops Hosts

Bob Heinzelman was the scoring leader for the Huskers as he put through four swishers and a free throw for 9 points. Sid Held got 7 points.
