

Phi Gams, Betas to Vie for Crown

The Sports Whirl
By Bob Miller

Big Six Dons—

Last weekend along with the conference track meet and the Husker-Missouri basketball match occurred the meeting of the Big Six athletic directors down in Kansas City...Dean T. J. Thompson was Nebraska's representative... This board had quite a hash session of their own.

Outdoor Dates—

The first accomplishment was the setting up to May 15-16 the date for the annual Big Six outdoor track and field championships which will be held again this year on the stadium track... This shift conflicted with the state high school track finals so a change had to be made in this date...The Big Six championships plus the National Intercollegiate track and field championships on June 19-20 makes this a banner year in regard to track at Nebraska.

Bars Stay Up—

After deliberating over the freshman eligibility changes, which would allow freshmen to compete in Big Six varsity athletics, the bigwigs decided to give it more thought before any action is taken...Dr. H. H. King, Kansas State chairman, suggested a survey of conditions existing in the Big Six as to the need for freshmen... The results of the survey will be made known next May when they get together again for more deliberation.

Questions—

The questions that were holding them back in their work were these: How great a need has been caused by the draft and national defense efforts? How many freshmen would enroll just to play football and then proceed to flunk out?...How could the migrant athlete's rule be enforced? What good would it do?...How about subsidization creeping in?...What are other schools going to do

Big Three in Husker Football

The above trio will rule Husker football for the duration. Glenn Presnell, left, is head football coach and it will be up to him to keep up the Husker name. John K. Selleck, center, is head of all athletics. Elmer "Gus" Holm on the right has charge of the line for the spring drills. This threesome saw the spring grid drills under way Monday as a record group checked out.

about it?...When they answer these they will know what to do.

Seniors Wind Up—

Six Husker cagers wound up their respective careers down in Missouri Saturday night by running rampant over the Tigers—41-40...Sid Held, Hartmann Goetze, Leslie Livingston, Charley Vacanti, Lyle King and John Hay are the sextet that will be gone

come next season via the graduation route...There will undoubtedly be others but this is the regular sequence of events for them...All six of them will be playing in the A. A. U. meet now that the regular season has been completed.

Dodd Proves a Whiz—

Gilbert Dodds, who just a few yea's ago won the state high school mile title, is now really

Both Fraternities Win I-M Semi-final Basketball Tilts

Beta Theta Pi versus Phi Gamma Delta. This will be the schedule on Thursday evening when the two teams will meet in the finals for

the Class A fraternity intramural basketball championship.

Last night both teams saw action in semi-final tilts that saw the Betas deciding the Farm House quint in an old time "thriller" and the Fijis halting the Delta Upsilon five.

I-M Results

Class A—
Beta Theta Pi, 19—Farm House, 18.
Phi Gamma Delta, 34—Delta Upsilon, 12.
Class B—
Alpha Tau Omega, 14—Farm House, 12.
Kappa Sigma drew a semi-final bye.
Story at right.

going to town on the tracks in the east...Now residing in Boston, the slight divinity student hails originally from Falls City where he was coached in the running rudiments by Lloyd Hahn...He has turned in some two mile efforts that have pushed Greg Rice to near record times in order to win...Last Saturday he shifted to the mile run...He wasn't expected to do much...But—

MacMitchell Falls—

Leslie MacMitchell, New York's gift to the cinders, was the big favorite to win the mile as he has done in his last 26 starts...Dodds said previously that he would win the race and that he did...He tripped into the tape in 4:08.7...A little practice and then that famed four minute mile?

B. D. O. C. Athletes—

Along the more conservative athletic lines is the B. D. O. C. contest...Three Husker performers are up for the honor—Marvin Thompson, Johnny Thompson and Eugene "Red" Littler...It looks like a spirited race to us.

Prof. Charles H. Best of the University of Toronto, co-discoverer of insulin, was the first to demonstrate that choline is essential in the living body to utilize fat.

Sixteen outstanding freshmen at Brown university recently received Horace Mann and Benjamin Ide Wheeler scholarships.

Betas Win Close One.

The Betas provided the most spectator interest since they won in the last five seconds of play. The final score was 19-18.

With two minutes of playing time remaining the count was knotted at 17 all when Warren Gableman sunk a gratis toss to send his Farm House mates out in front by a one point margin, which they kept until the timer was all ready to end the game.

Less than five seconds were left on the watch when there was a jump called on the Beta foul circle. Justin Berger grabbed the ball, dribbled once and then shot from close range. The ball settled in the net; the timer's gun came up—and the game was over.

Berger and Huffman Tie.

Berger and Stan Huffman tied with six points each for the winners. Fred Prenton got seven for the losing team.

As for the Phi Gam-DU game, the final score was 34-12 in favor of the former. It was an example of one five being perfectly coordinated while the other was cold and off balance.

Phi Gams Take Lead.

After the opening tip, the Phi Gams took an early lead as Ned Nutzman, smooth-functioning forward, collected ten points with his dead eye accuracy. Don Andreson counted on a foul shot to make the score 11-0.

Then Leonard "Chatanooga Choo Choo" Dunker got hot and sunk four foul shots in a few minutes time to pull the gap to seven points. Roy Long sank two free shots, Dean Nutzman hit two long shots and brother Ned accounted for another as the half ended at 19-4.

First Basket.

The second half saw the DU's making a small attempt to put the leaders in hot water but it fell far short. Until five minutes were gone in the second canto the losers had not connected with a single two-pointer. Bert Brown dropped three swishers through to lead his mates in scoring.

Marv Athey and Dunker each got a free throw during the last half as the Phi Gams were counting for 15. Ned Nutzman topped the scorers with 14 points followed by Dean Nutzman and Don Anderson with nine apiece.

Team Leaders.

Roy Long and Con Healy were effective rebound manipulators and played an important part in the victory. For the Delta Upsilon group, Bert Brown was the whole show ably helped by Workhorse Dunker.

The two teams that won will meet Thursday on the coliseum court for the championship of the fraternities. The losers will meet for the consolation.

ATO B Team Wins.

In class B ball, the Alpha Tau Omega five was plenty potent as they slipped by the Farm House seconds in another close one. The final score was 14-12.

The winners were behind in the closing moments when Neal McKee took over personally. He landed from way out twice for four points and victory. He had four points before to lead the scoring with eight counters.

Dave HollanC was best for the losers. The Kappa Sigs will meet the Alpha Taus in the finals on Thursday, the former drawing a semi-final bye.

Scholarships valued at \$37,217 have been awarded to 103 students in the Columbia university school of medicine for the current year.

Coal can be pumped through pipelines instead of shipped in cars, suggests Prof. H. E. Babbitt of the University of Illinois.

ARROW

Prom Promise:

We promise that you'll be as well-groomed and as comfortable as anybody if you wear an Arrow Shoreham Shirt. It has a perfect fitting semi-starched collar attached; it has a smart semi-soft bosom; and it's cut to avoid bunchiness. Sanforised-labeled, too. Less than 1% fabric shrinkage.

(For white No: Arrow LIDO— with suspender loops)

B.D.O.C. to be presented at JUNIOR-SENIOR PROM
