

**The Sports Whirl**  
By Bob Miller

**Tied Up—**  
Friday night saw the University of Kansas Jayhawks sprinting through little opposition as they downed Missouri in the league finale for both team. . . The win gave Kansas a tie for the Big Six conference cage title. . . Oklahoma holds the other half of the top position.

**Wins and Losses—**  
While the two teams are tied as to number of wins and losses with eight wins and two losses apiece, the K. U. tribe is virtually a cinch to represent the Big Six in the N. C. A. A. play-offs in Kansas City to determine the team which will represent the midwest in the national cage tourney. . . The Jays have a much higher offensive record thanks to Ralph Miller and Charlie Black and their defensive job has netted their opponents fewer points than the Sooners could manage. . . This is another time to thank Mr. Miller as the big forward could be depended upon to hold his foe at bay at all time.

**Maybe—**  
Maybe the Kansas quint will do the representing of the Big Six since on Friday, Mr. Phog Allen, mentor deluxe, issued his usual unprejudiced statement to the effect that he thought there was something rotten in Denmark, which, translated, means that he doesn't approve of the NCAA set-up. . . He gave his reasons for his attack.

**Gets An Answer—**  
He said that the management of the tournament's finances had a suspicious look and smell to it. . . George Edwards of Missouri said that he was willing to publish the reports of last year's tourney to prove Phog's error. . . It looks like something has started again and tab this in your books. . . Phog's name will appear in headlines several times before this little deal clears up. . . One thing upon which you can rest assured is that Phog will not quit now that he has this started.

**I-M Finals—**  
Talk that went around after the Phi Gam-Beta scrap for the I-M cage crown was mighty favorable. . . Most observers declared the affair the best fraternity cage contest that they had seen. . . The Phi Gams in winning 21-17 were forced to go all out as the Betas help a whip hand during the first half. . . There was even some talk about a game being arranged between an all-star intramural team and the varsity.

**Speculations—**  
If we were to pick an all-star team and a second team this is about the way we would pick them:

- First Team:**  
Justin Berger, Beta . . . . . F  
Ned Nutzman, Phi Gam. . . . . F  
Dean Nutzman, Phi Gam. . . . . C  
Tom Hyland, Beta . . . . . G  
Warren Gableman, Farm H. . . . . G  
**Second Team:**  
Leonard Dunker, D. U. . . . . F  
Fred Preston, Farm House. . . . . F  
Stan Huffman, Beta . . . . . C  
Con Healy, Phi Gam . . . . . G  
Bert Brown, D. U. . . . . G

**Gymnasts Edged by Colorado; Grapplers Lose to Gophers**

**Matmen . . .**  
Victories by the Copple brothers, Newt and Ed, saved the University of Nebraska matmen from a shut out yesterday afternoon, as they concluded the 1942 wrestling season by bowing to the powerful University of Minnesota grapplers 20-6.

Coach D. C. Bartelma's Big Ten champs were one of the best teams that the Huskers met all season. Gopher victors were: Bob Barber, 121 lbs.; Irwin Wheeler, 128 lbs.; Joe Abdo, 136 lbs.; Wallace Johnson, 165 lbs.; Russell Newquist, 175 lbs.; and Manly Wilcox, heavy-weight.

Newt Copple, 145 lb. Big Six champ, was n't hard pressed in his victory over his northern rival. Brother Ed's tussle with Jack Morton proved to be the bout of the afternoon. Behind by one point with less than one minute to go, Ed garnered points for the decision. Levy injured.

Although "Butch" Levy was unable to make the trip because of an injury, his successor, Manly Wilcox, gave a good account of himself by edging a decision over Herb Jackman.

**Barmen . . .**  
Dr. E. Vonden Stiener's gymnasts from Colorado State college eked out a 149½-146½ victory over the Scarlet and Cream gymnastics team last night in the final dual meet of the season.

Leading the victors was Fliieger, who ran up a total of 32½ points. Runner up for the visitors was McAferty, former UN student, who amassed a total of 22 points.

The scoring for the Huskers was evenly divided with Collins McMaster and Emil Pelcak tying for honors with 21½ counters.

All in all, the season was a successful one for the Millermen. Although only one victory was registered during the season, the performances of the boys improved from meet to meet.

Coach Charley Miller has high hopes for a banner year next season, because every man on this year's squad will be available.
