

New Defense Slacks . . .

Shirley McNeel, Pi Phi pledge, feels quite at home in her men's wear grey flannel slacks from Ben Simon's. The slacks are tapered at the ankle line, a new feature since the war. For a shirt, both practical and flattering, she wears silk jersey flowered in the new purple color which is to be one of the popular spring colors. Her shoes are the good, old comfy hvaraches.

Allegheny college was so named because a large part of the area it serves is watered by streams that make up the Allegheny river.

Timber on the University of California's experimental forestry tract is increasing at a rate of 100,000 board feet a year.

Joe Squires, star end for Duquesne university football team has completed his CAA flying course and obtained a private pilot's license.

Dick Woodward, who completed his junior year competition on the Colorado university football squad, basketball, and wrestling. He won the university's 145 pound intramural wrestling championship.

Jeans, Cottons Head Outdoor Style Trends

According to the latest fashion predictions, filmy nets and smooth silks are being replaced by jeans, plaid cottons, and checked gingham. Yes, it's the "move to the farm" movement that is bringing in more attractive working clothes for the university coed.

While coeds haven't yet been called to drive the tractor and husk the corn, spring picnics, of college fame, will feature such clever outfits as denim culottes, shorts, slacks. Wash goods will be supreme in such numbers as gathered skirts, tailored shirts and jumped slacks suits.

With no apologies to Coed Follies, "jeans for queens" denotes the absence of skirts that might interfere with outdoor work. While men are buying khaki uniforms, the gals are splurging on well-tailored denim ensembles. Roomy denim jackets help to set off the jeans.

So, for clothes' defense we will be wearing practical, inexpensive clothes, styled with the future farmerettes and picnic players in mind.

UN Grad Harry Lotman Assigned To Hospital Duty

Lieutenant Harry A. Lotman, formerly of Lincoln, has been assigned to the hospital at the Wellston Air Depot, Robins Field, Ga.

Lieutenant Lotman, before being called to army duty, was a physician, after graduating from the University of Nebraska in 1939 with AB and MD degrees. While at the university he was outstanding in activities and participated in intramural football, basketball, and wrestling. He won the university's 145 pound intramural wrestling championship.

With Spring Comes Picnics And With Picnic — Slacks!!

Coeds, cast an eye at the calendar! Comes Saturday, March 21, and spring arrives bringing with it the ever popular pastime, picnics. Fashion-wise coeds will have a variety of picnic ensembles to choose from this spring.

Long sleeved blouses of horse prints, cactus prints, floral designs or stripes add a gay note when worn with separate slacks. The new nylon sweaters with short sleeves, soft as a rabbit's ear, come in heavenly pastel shades and are the perfect toppers for any slacks.

For those who feel particularly patriotic the new defense jumper is the thing. It comes in toast, blue or brown and zips down the front. Crisp tailored blouses are worn with these.

Durability the Keynote.

Durability is the keynote of the new slacks suits which are made of the wrinkle proof material, jumbo cloth. Two complete ensembles, consisting of skirt and jacket or slacks and jacket, can be had for those who like to mix 'em and match 'em. Colors of these ensembles range from the brilliant tangerine and blue to the yellow and banana cream. For that added dash try one of the colorful Hawaiian necklaces.

Budget-wise coeds will find the very thing they're looking for in

the sanforized faded blue denims. They may have their choice of shorts, culottes, jacket, slacks, overall or shortall. These are made in the western theme with nail-head trim on the pockets.

When old Sol is beaming down the coolest thing we can recommend is a playsuit. Seersucker fills the need, some of the suits being trimmed in dainty pique. Three piece suits of shirt, shorts, and skirt are ideal for sport, and dressy enough for street wear.

The figure-flattering flared skirt is tops this season in bathing suits. No priority on satin lastex again makes it the favorite material, Burgandy, black and white, copper, red and white, gold and aqua are the color choices. Cotton prints or stripes in dressmaker style will be worn on the beaches by increasing numbers of smart women.

Coeds Revert To Exercise For Defense

1-2-3 Kick! 1-2-3 Kick! Exercise! That's what Nebraska Co-eds will have to revert to since the rubber shortage has made girdles scarce.

The thought of the wear and tear accompanying exercising might not be such a burden to the co-ed's mind if she gives a second thought to the improvement of her posture it will create. With this idea in mind, Miss Mabel Lee, chairman of the women's physical education department, stated, "If the rubber shortage results in a girdle shortage it will be beneficial to the college girl provided it gives her a consciousness of the need of good posture." You might also keep in mind, girls, that exercising might take off those few extra pounds you've been trying to get rid of for the past several weeks.

Weekend Wardrobes for Spring To Feature Suits, Silk Dresses

A week end in the springtime is just about everyone's idea of heaven, and of course you will want to look your very smartest in clothes reflecting the season.

Suits are always tops in early spring and they also furnish the ideal basis for a week end wardrobe. All colors and all styles can be found this year and whether you are short and plump or long and lanky, be sure you have that suit for the train-ride and later.

If you can't take much, plan on accessories that you can wear with both your suit and a silk dress for church Sunday. A halo of straw

other requirement) of the extension department. The hogs will be turned loose in the arena. The rest is up to them (the men). Of course there will be a few rules such as the length of time, and precisely where the rope shall catch each pig. Men inflicting unnecessary roughness on pigs will be disqualified and turned over to the humane society. (I wonder if Mr. Loomis of the humane society will rise from his lofty position and crush the idea to smithereens as he did with the black cat publicity stunt for the voo doo dance.)

Other features for the evening that will be held between the showmanship classes will be a colt parade, presentation of the livestock judging team, and a sheep shearing demonstration by the champion sheep shearer from Chicago. The show will start at exactly 7:30 p. m. when the traditional alarm clock rings.

The Rev. Dr. Raymond C. Knox, Columbia university's 65 year old "rowing preacher," is retiring from his post as chaplain after 33 years.

with a little veil to frame your face and the new light beige lizard pumps with matching light gloves ought to really do the trick.

Coeds Have Choice in Dresses. As for that silk dress mentioned above, you can take your choice between the traditional navy blue with frilly white trim or one of the new beige and rust two-piece costume suits.

If the weekend is going to include long walks in the spring sun, take along that long, "station-wagon" white sweater to wear with the plaid skirt of your suit. Top it off with necklace made of spring-like glass flowers, plus a pair of nail-head studded leather sandals.

Spring weather and spring clothes—the perfect recipe for a perfect weekend.

Weir Will Help At Drake Meet

... One of Five

Track Coach Ed Weir was named as one of five university section coaches to assist in the Drake Relays to be held on April 24 and 25 in Des Moines, Iowa. Other coaches include Frank Hill, Northwestern; Karl Schladman, Michigan State; Clyde Littlefield, Texas, and Ralph Higgins, Oklahoma A. & M.

The Relays are an annual affair and bring together the cream of the crop as far as individual stars and relay teams are concerned. Harold Hunt brought home first place in the pole vault while Herb Grote was casting the javelin to win top honors. Both received wrist watches with the letters "Drake Relays" on the face instead of numbers.
