

## Sports Whirl

By Bob Miller

Weather troubles have hit the Huskers pretty hard this spring. . . The football team has had to stay indoors about half the time since the spring drills began the first of the month. . . The baseball team heard Coach Lewandowski's call to action earlier this month and as yet they have not had a day in the out of doors. . . The tennis team along with the golf squad has been confined to the inside of the coliseum due to dictates of the wetherman. . . Track stars have not had a chance to get to work on the stadium oval more than a couple of nights since indoor season ended. . . Put these all together and you have all of the spring sports listed and not one has the jump on the weather situation.

CONSIDER the contrast down at Oklahoma where the spring drills in football have been run off starting about the middle of February. . . In fact, they had swell weather for the entire time and got in plenty of scrimmage time. . . So far the Huskers have had but two scrimmage sessions, one of which was marred by cold blasts out of the north. . . As for the Sooners, the baseball team has already made a five game invasion of the Texas country while the tennis squad has been working outside for three weeks. . . And they say that Nebraska is in the temperate climate.

HARRY Ankeny, Husker tennis star, dropped in on us yesterday to talk over the tennis and golf situation at Nebraska. . . It seems that not enough matches in the two sports have been scheduled to allow participants in the sports a chance to earn a letter. . . In our opinion, if Nebraska is going to try and maintain any semblance of a team in these sports they should go the entire way and let the participants have a chance to earn their letters.

ANOTHER of our humble opinions is that the athletic heads at our fair institution should widen the schedules to permit letters to be offered. . . It's either do that or else abolish the two all together and that would be defeating the purpose of the entire program. . . As it stands, by giving tennis and golf enthusiasts nothing more than a three meet schedule to shoot at, and no chance of winning a letter, there will only be a half-hearted effort on their part. . . Other schools maintain their tennis and golf teams on the same pre-war level, why can't we?

INTRAMURALS are going at a fast clip. . . The finals in table tennis have been played with the ZBT's winning. . . Harry Ankeny proved to be the number one man in the leagues. . . Playing number one for Delta Upsilon, he beat Buddy Goldstein of the winning team but this was the only match that the DU's won. . . The handball finals will occur tonight, the bowling finals will be run off some time this week and then Wednesday evening will be the preliminaries of the track meet. . . Finals will be run off Thursday with the ATO's as the defending champion. . . Softball is on the docket for play in the next couple of weeks and when that is over a new fraternity will be crowded with the Jack Best trophy. . . The Phi Gams, Betas and Farm House aggregations are leading the field at this writing but anything can happen.

HAROLD Hunt brought home another record from the Texas relays last week. . . He topped the pole vault field to win the event with a try of 14-feet 3/8 inches to break a two year old record. He got back to Lincoln yesterday. . . Eugene "Red" Littler is in bed with the flu bug as company. . . His constitution evidently objects to the speed in which the Redhead gets around. Ed Milder of the ZBT house has the best series in I-M bowling. . . He rolled 255 and 209 in the first match of the year but wound up with a 134 and 100 in his last. . . The Phi Gams had a team average for two lines in the final match of 179.

## Harold Hunt Brings Back New Record

Conference Schools Show Strength in Texas Meet; Oklahoma Leads the Way

Soaring Harold Hunt added another gala chapter to his skyscraping annals at the Texas relays Saturday by clearing 14 feet 3/8 inch for a new record.

Hunt's record leap erased from the former 13-10 1/4 archive, set four years ago by Beefus Bryan of Texas. Jack DeField, Minnesota bamboo ace, pushed Hunt to the last vault.

Oklahoma university scored three firsts to further boost Big Six stock. The Sooner distance medley team toured the route in 11:56.2 for a new mark, Dick Smethers won the 3,000 meter run in 9:13.8, and Orville Mathews copped the century dash in ten flat.

Kansas State landed two relay fourths and had two individual performers score.

## Two Leagues End Activity In Bowling

... Two Ties First

Two league championships have been determined, and ties for the lead in the other two leagues exist in I-M bowling as the intramural season heads into the home stretch.

The Phi Gams continued their drive toward the Jack Best trophy by winning the honors in league three, when they defeated the SAEs 1,668-1,462. DeWayne Wolf rolled games of 197 and 176 to lead the winners. Bill Bomgardner was right behind with scores of 190 and 177. Rod Rice of the losers knocked down a total of 365 pins to be high man.

Betas Keep Pace.

The Betas kept pace with the Phi Gams in the intramural race by defeating the AGRs 1,682-1,592, to win the championship of league 1. In clinching the crown, the Betas rolled one of the best team scores of the season. Frank Vette was the big gun in the Beta victory, with scores of 225 and 181. Charles Lindgren was the loser's best klegler with scores of 201 and 189.

When the ZBTs won over the Sig Nus, they shoved themselves into a three way tie with the Sig Nus and the Sig Eps for leadership in league 4. Competition in this league has been very interesting, because the Zebes hold a victory over the Sig Nus, the Sig Nus have defeated the Sig Eps, and the Sig Eps won over the Zebes.

Kappa Sigs.

The Kappa Sigs and Delts are deadlocked for the lead in league 2. The Kappa Sigs won over the DUs 1,487-1,404, as Wayne Mack registered scores of 228 to 136. The Delts jumped into a tie by winning 1,477-1,417 over the Farm House. Ed Dosek was best for the winners with a series of 319. Wiggins was the only man to hit a 300 series for the losers as he rolled 198 and 146 games respectively. In the earlier meeting between the two teams, the Kappa Sigs were victorious.

## Husker Footballers Forced Inside Too Much for Presnell

... That Blamed Weather

Husker football coach Glenn Presnell isn't exactly happy. Here is why he is moaning:

1. The Husker gridders have been outside 15 times in 23 days.
2. They have had only one good scrimmage under favorable conditions.
3. There are only 25 more practice days until the opening game Sept. 26.

Had a Gloomy Day.

Saturday, Presnell turned his charged out on the cold, wind-

swept field for a scrimmage. Despite the weather, which was a great handicap, three touchdowns were scored with Army coming out ahead, 14 to 6.

With Marv Athev and John Peters collaborating, Debus's kick was blocked on his own goal line, and after one plunge, the only score made when the two No. 1 units were pitted against each other was tallied.

Later in the day, Wally Hopp and Bert Gissler put on a pass-and catch performance that was good for some points. Hopp looked plenty good.

Page Ranks First.

Meanwhile, Presnell told newsmen that the Cornhuskers were going to rely on power next season. There won't be any gambling or cute stuff, he said.

The Huskers have been starting from the T but have shifted into the single-wing. According to Presnell, the Nebraska boys opponents will be seeing a lot of the T on nice days, while the single wing will be employed when the field is slow.

A member of the student branch of the American Institute of Chemical Engineering, Feber has also received a regent's scholarship and the George Borrowman scholarship.

After graduation, Feber will go to the Gas Institute to learn practical work in the field, after which he will attend classes at the institute which is affiliated with the Illinois Institute of Technology.

Before it had its first building a century and a quarter ago, Allegheny college had a 10,000-volume library, then second only to Harvard's in this country.

Lincoln Journal. other was Glenn Presnell.

## Small Tennis Squad Reports At Iowa State

AMES, Iowa, March 30.—Harry Schmidt, coach of the Iowa State college tennis team, will work with a shortened schedule and an eight man squad for the 1942 season.

Missouri, Kansas and Kansas State in the conference, and Coe have dropped tennis leaving the Cyclones meets with Nebraska, Oklahoma, Grinnell, Carleton and Minnesota.

Two lettermen, Lawrence Gilley of Waterloo and Dick Young of Anita, are back from last year. Other members of the squad include Ken Donelson, Ames; Jim Munro, Hastings, N. Y.; Bill Stanton, Oskaloosa; Milton Salzman, Sioux City; Dick Bianco, Des Moines; and John Haaheim, Mason City.

Last year the Cyclones placed second in the Big Six, losing only to Oklahoma. The other loss in the 10-meet schedule was to the University of Minnesota.

The 1942 schedule will include at least six meets, possibly seven. A second encounter with Grinnell

## Attention Barbs

Attention barb softball managers! You must turn in your team entries to the intramural office by Thursday noon. Don't forget it!

is tentatively set for May 6 at Grinnell. The schedule follows:

- April 24—Nebraska at Ames.
- May 1—Minnesota at Minneapolis.
- May 2—Carleton at Northfield.
- May 9—Oklahoma at Ames.
- May 15—Grinnell at Ames.
- May 16—Nebraska at Lincoln.

## Fishbowl . . .

(Continued from Page 1)

certain him at the same dance, which is planned not only as part of the USO country-wide project but also as a last fling for the Nebraska boys leaving for service.

Each coed will be given a number which will be drawn from a bona fide fishbowl by Cadet Col. Roger Cox in the mian lounge of the Union, Monday, April 6.

As Martin Margolin stated, the voluntary registration is a good chance for the coeds to do something for their country, but is more than that. It is a good chance! So coeds, do your bit for national defense.
