the Iowa State field on Monday and Tuesday and lost both games. In the last game the score was 9-7 and wasn't decided until the end of the eighth inning.

Loss of Gribble and the doubt concerning the eligibility of Allen Artman, veteran first sacker, are cutting the chances of the diamond squad. The prize infield that looked so good in practice of Artman, Bernie LeMaster, second base; Gribble and Pat Boyle, third has not played a single game in the intact form. Artman could not make the Minnesota trip due to an official ruling and Bob Cooper took over the initial bag.

Coach John "Hi" Simmons of the Bengal invaders has a strong pitching staff upon which to rely. The rest of the battery, the catchers, is plenty strong also.

Spencer Has Real Record.

Bill "Bobo" Spencer, Tiger pitcher, is the mainstay of the entire team. Bobo, senior right-hander, is probably the loop's outstanding pitcher. Last year, he turned in ten victories and no defeats to give the Missouri team the conference crown.

In his entire three years of pitching at the Tiger institution, he has dropped but two decisions. To back Bobo up, Frank Graham will probably do the pitching in the second game on Saturday. The

Gableman Gets Chance

George Gribble, regular shortstop, was declared ineligible for the remainder of the season yesterday. He followed Al Artman, first-sacker, ineligible for the first trip.

Buck Gableman, a converted outfielder, is the top bet to fill Gribble's shoes. If Artman is not eligible for the Missouri game Saturday, he will again be replaced by Bob Cooper.

Friday game will be played at 4 p. m. while the Saturday tilt is scheduled for 2 p. m. on the field north of the stadium.

Tigers Open Home Season.

Missouri will give the Huskers their first test on home ground this year since a game nearly scheduled with a service team did not materialize for a week ago.

The Tigers will have nothing to worry about in the outfield. Herbie Gregg, Missouri outstanding basketballer will be policing the center field area with Russel Hoffmann and Jim Dimitriades in left and right, respectively. Gregg who is the potent hitter of the threesome is a senior with the other two juniors. This outfield combination was going strong as the season ended last spring.

Big weakness is the Bengal infield which as one person put it is a "green, out-of-position infield." The leading hitter for the guest aggregation is Earl Conklin, infielder who keeps the hot corner warm.

Conklin is moving along at about a .700 clip at this point. He is a sophomore and is the club's outstanding ball snagger.

Sports Whirl

By Bob Miller

Coach Glenn Presnell will take the trip that now Lt. Col. Biff Jones had in mind when he scheduled a track meet with West Point last year. It seems that Jones wanted a track meet with the army academy so that he could get back east with the cinder squad and renew a lot of his old acquaintances. Since that time, however, Biff has been recalled to West Point as graduate manager of athletics and so he won't have any use for the trip. He invited his successor, Glenn Presnell to take his place and so Press will go back to West Point. In fact, we should say, he did go back as the Huskers pulled out yesterday morning for the eastern shores.

With the meet scheduled for Saturday afternoon, there will be plenty of action during the evening. The entire Cornhusker entourage will sojourn to New York City. While in the big city the fellows will go on a visit to Rockefeller Center, on a sight seeing tour and attend a coast-to-coast broadcast. The tour will wind up on Sunday evening when the squad embarks for the trek home. The main worry now is defeating the Army Cadets on their home grounds. After that has been taken care of, there will be no more worries. At least for the weekend.

Newt Copple, Husker grappling ace, had a letter change his plans for the immediate future. He was all ready to leave for the National Junior A.A.U. meet in Davenport, Iowa on Wednesday when the letter came informing him that there would be no meet this year due "to a lack of interest on the competitors' part". Copple was all set to hitch hike to the tussle, failing to get University backing.

Students at Ames Pull Army Taffy

The sweet tooth of Iowa State college men in the armed forces is due for a treat from some 2,000 students.

Nearly half the student body gathered around some 200 kitchen burners recently for one of the biggest amateur taffy pulls on record. Hundreds of pounds of candy were made for shipment to 1,000 former Iowa State students stationed in Ireland, Iceland, the Pacific, and United States training camps.

Cyclone Tennis Team Faces Two Minnesota Foes

AMES, Ia.—The Iowa State college tennis team opens its two day invasion of Minnesota Friday by meeting the University of Minnesota at Minneapolis. The following day the quartet of Cyclone racket wielders will face Carleton colleg at Northfield.

In its opening matches last week the team defeated Coe college, 4 to 2, and lost to the University of Nebraska by the same score.

Coach Harry J. Schmidt will use the same four men who played last week when the team faces the Minnesotans, Dick Young, Ames, and Lawrence Gilley, Waterloo, both lettermen, will play the one and two positions. Ken Donelson, Ames, and Milton Salzman, Sioux City, switch positions for the trip with Donelson being promoted to the No. 3 spot.

The doubles assignments of Gilley and Donelson, No. 1, and Young and Salzman, No. 2, remain unaffected by the shift in singles assignments.

Years . . .

(Continued from Page 1.)

Anderson, the queen, wore white and carried a huge sheaf of scarlet and cream roses. The jinrikisha in which she rode was donated by the late W. J. Bryan who had received it on his trip around the world.

Ivy Day this year will be calculated as it was one other time when some who would have participated in it were in the armed forces of our country. That year—1918—a service flag fifteen feet square, bore 140 stars, one in honor of each Nebraska fellow who had responded to the call to arms. The flag was dedicated by the students on May 11, 1918.

Announce May "Lord."

On Ivy Day, May 23, 1919, the first one after the armistice, a banner which represented the 91 men from the University of Nebraska killed in action, one Red Cross nurse who lost her life, and four men reported mission in action.

In 1919, a Lord of May, dressed as a cavalier, was announced for the first, last and only time. The practice was discontinued because men on the campus did not like it.
