## Track Squads Shatter Six Old Records

By Gene Sherman

COLUMBIA, Mo. — Nebraska's chances for another Big Six track title took an upward trend yesterday as the Husker trackmen raced to a 78-48 victory over the strong Missouri Tigers in a dual meet held at Columbia.

The highlight of the meet was the shattering of six records. Bobby Ginn loafed to a 4:24.8 mile—it was still good enough to break the meet record of 4:25.5.

Howard Debus hurled the javelin over the 200 foot mark for the second straight Saturday as he broke Herb Grote's distance with a toss of 204 ft. 3 inches.

### NU Sweeps Discus.

Ed Wibbels heaved the discus 147 feet 10 inches to better the old mark of 145 feet 5 inches which was set by Ray Prohaska last year. Nebraska swept this event by having Debus and Eisenhart finishing second and third respectively.

Missouri entrants which set new records were Aussieker and Steffey. Aussieker heaved the shot a distance of 49 feet 10 inches to break his record. Steffey jumped 6 feet ¼ inch to grab honors.

### Joggerst Outstanding.

The most outstanding individual of the meet was Owen Joggerst, Missouri sophomore, who won both the 100 and 220 yard dashes. Joggerst ran the century in the fast time of 9.7 and then upset Red Littler in the furlong when he edged out the readhead by inches. Littler was disqualified in the 100 yard dash when he broke two times before the starting gun sounded.

Bill Smutz was the high point man of the afternoon when he tallied 14 points. Smutz took firsts in the 120 high hurdles and broad jump and second in the 220 low hurdles and a third in the century. Harold Hunt quit pole vaulting after he had won at 13 feet and then went over to the high jumping event to take a second.

## Sports Whirl

By Bob Miller

● THAT Ralph Tucker of the Oklahoma Stardom is really what he's cracked up to be. . . He is a sophomore and first crept into the headlines on sport pages throughout the Big Six when he transferred from KU to Oklahoma for basketball season. . . He was an all-conference selection in the round ball sport and then he turned his attention to tennis in which he is reputed to be even better than in basketball.

● He led the Sooner tennis team in their onslaught against the Husker racquet-weilders. . . He played Harry Ankeny and Harry is one of the top players in the conference, defeating the number one man from both Minnesota and Iowa State previously. . . Ankeny bowed by a 6-4 count in the first set and 6-2 in the second set. . . Then Tucker paired with a team mate in the doubles, Drew Putty, and the duo dropped Ankeny and his mate, George Howard, 6-0 and 6-1 to further assert his tennis ability. . . Besides being outstanding in these two sports, he is also an honor student at the Sooner institution and one of the best singers in the University glee club. . . Some guys have all the luck.

● Ted Gwynn, potent Sooner linesman, turned in a terrific golf after the Husker-Oklahoma links duel was completed. . . Shooting on the Lincoln Country club greens, Gwynn posted a 68 total for the 18 holes which was four under par. . . Byron Adams, Husker student coach, was three over the limit but Bwynn collected three points, taking him on the out nine, the in nine and the whole match. . . It was a good exhibition.

● CHARLIE Black, KU sophomore star, has somewhat the same category as does Mr. Tucker. . . Until the cage season started in the conference Black was not known even at the home front. . . But when the Jayhawks opened the basket season against Oklahoma, Black potted 25 points and immediately he was big news. . . He finished the season at a fast clip and was an all-conference selection. . . Now he is scoring points galore in track togs. . . He specializes in the weight events, competing in the pole vault, broad jump, shot put, discus and javelin. . . His distances, heights, etc., are not record-breaking but he is capturing important points for the Jay team in their dual meets.

● NEBRASKA'S crippled track squad met Missouri yesterday afternoon in their final tune-up before the important Big Six track and field championships are run off next week end on home cinders. . . The squad has been hit by about everything this season. . . Illness is in the form of Red Littler's pneumonia, inelegibility in the case of several middle distance runners, more inelegibility in the sprints, Don Morris pulling a muscle in the Drake relays: all of these things have combined to injure Husker hopes. . . But no matter how badly these hopes have been injured, we're still betting on the Scarlet thin clads to come through to another title. . . One thing the seniors will not be given much chance to write their names upon the sacred book known as "record" if things shape up the way we think they will. . . The squad is not too big this year, resembling the Oklahoma indoor aggregation.

● THIS fact brings home only too clearly the necessity for the boys to do double duty and in some places triple duty if the pennant is going to stay at Nebraska. . . Littler will double up in the sprints, Ginn will run both the half and the mile, Smutz will run the hurdles plus the century, Hunt will be in both high jump and pole vault and the rest of the weight men will be in every event. . . When there is this much doubling up it makes it pretty hard to win several events and within record time, too.

● N men are wondering what's wrong. . . I seems that some of the innocent student populace think that the big jamboree next Saturday is only for N men and dates but in reality, the N men are merely sponsoring the party. . . This is traditionally the fun party on the campus and this year will be no exception. . . Presentation of the "Queen of Queens," Tony Pastor's band—and that atmosphere will give party-goers the best fun of the year. . . All N men are selling tickets.
