

# UN Plays Host to Big Six Athletes

## Prep Teams Congregate This Week

### Tennis, Golf, Track, Baseball Highlight Three Day Program

Three Day Program.

Nebraska will combine two duties this weekend as the Husker cinder artists are hosts to the entire Big Six conference for the annual track and field championships. They are reigning indoor and outdoor champions and in addition they are in the entertainers' spot.

On top of Coach Ed Weir's cinder guests on this week's bill, there are several other phases of the sports world in for host duties.

#### Baseballers Play.

The baseball team on Friday and Saturday meets the Kansas State nine on the diamond north of the stadium. The game on Friday will be played at 4 p. m. and the one Saturday at 2 p. m.

Tennis and golf teams will also be in the receiving line as they entertain their friends from Iowa State on the courts and links, respectively. Tennis teams play on the South street courts at 37th and South.

The golf team will play at the Lincoln Country club. Besides all the varsity teams in action, there will be even more. Starting today at 12:30 the state high school track and field meet gets under way at the stadium.

#### Finals Held Friday.

The finals will be held on Friday afternoon and will be run off along with the preliminaries of the Big Six meet. Saturday will see the finals in the conference track get-together.

Along with all of this activity will be the state high school baseball playoffs, winding up on Saturday and the prep tennis and golf championships also winding up then.

#### Action Starts.

The way it looks now, starting today through the N club dance following the Big Six finals on Saturday, the Husker campus will resemble some huge three ring circus with more sporting activities going on than there are sport reporters on the Daily staff. And that's a lot!

As for the Husker track team and the conference title which the cinder aces are defending, they will be forced to keep moving plenty fast if they hope to fight their way through to another outdoor championship.

#### Huskers Hold Title.

Nebraska has won the title on the outdoor track for the last three consecutive times with Missouri

holding the crown before for one year.

Last year, the Tigers were the close competitors as the Huskers won the relay and the meet with a point to spare. This year the race will be between the Huskers, the Missouri Bengals and the Sooner horde from Norman.

The charge for today's activities

will be twenty-five cents. For the high school finals and the Big Six prelims on Friday the cost will be fifty cents as for the finals on Saturday.

College enrollment in French classes has dropped 23.5 percent, and in German 11 percent, since last September.
