

Cinder Stars Compete Here Friday, Saturday

BY HOLLIS LIMPRECHT.
Four times site of the national A. U. championships, Nebraska's Memorial stadium will again entertain the best in the nation when more than 200 college cinder stars converge here Friday and Saturday for the annual N.C.A.A. track and field carnival. Nine champions, including the

Huskers' own Harold Hunt, will be on hand to defend their laurels and one of the best dash duels in years is slated when Barney Ewell of Penn State and Hal Davis of California toe the mark in the 100 and 220.

The two have met once before and split, Ewell winning the century and Davis the furlong. Davis'

cohorts claim the Penn State Negro jumped the gun to win the 100, and that the California bullet will take both Ewell's N. C. A. A. crowns from him this week.

Red Littler, Nebraska's grand little redhead, won't be on hand for the quarter mile; neither will Grover Klemmer, the lanky blond from California, but the 440 field has plenty of class. Leading the entries and favored to win is defending champion Hubert Kerns of U. S. C.

Littler ran three years for the Huskers, and became Coach Ed Weir's greatest competitor, always ready to run an extra race to gain an extra point.

Last week he got his orders from the navy to report to the Kansas City pre-flight training school, ending his college running days.

Bill Lyda, familiar to midwest track followers, is going to make the half mile a great race. Indiana's Campbell Kane is favored to win again but Lyda was timed in 1:49.7 running anchor on the Oklahoma relay team at the Drake relays, and he'll make the 880 interesting.

There may be a new world shot put record by Saturday night. Al Blozis, Georgetown giant, holds the present N. C. A. A. record of 56 feet 1/2 inch, and will be gunning for Jack Torrance's world mark of 57 feet 1 5/32 inches.

Bob Wright, a double winner last year, will be back to try for both hurdle titles again. Jack Saunders of Miami (O.) U., and Charley Hlad of Michigan Normal are the Ohio State timber topper's chief rivals.

Les MacMitchell, New York U., is gunning for Lou Zamperini's N. C. A. A. mile record of 4:08.3, and his 4:07.8 done indoors indicates he may be the new record holder.

Harold Hunt will lead Nebraska's contingent. Guinn Smith, who tied with Hunt for the pole vault last year, isn't competing this year so the North Platte flier should have it all his own way. Jack Defield of Minnesota and Bud Williams of Wisconsin are his closest competitors.

Howard Debus looks good in the javelin. The Lincoln husky has neared 210 feet in workouts, which is good enough to win.

Nebraska's other entries, Edsel Wibbels in the weights, Bill Smutz and Ralph King in the hurdles and Vic Schleich in the shot, and Bobby Ginn in the mile, are likely point winners, with Ginn having the best chance.

HERE AND THERE.

A couple of ex-Huskers, Henry "Chief" Bauer and Vike Francis, left recently for the army as physical instructors. Chuck Vacanti, basketballer of a year ago, is awaiting an appointment . . .

The coliseum swimming pool will again be open to summer school students. Women may swim free of charge from 4:30 p. m. to 5:15 and men from 5:15 to 6 . . .

Yale is suddenly taking its football seriously. Old Eli is now running school on a year around basis, and will hold three weeks practice during the summer. They could have used a little extra practice last year, winning only one of eight games . . .

Psychological Association Elects Prof. Worcester New Member of Council

Prof. D. A. Worcester, chairman of the department of educational psychology and measurements, has been elected a member of the council of the Midwestern Psychological Association.

Rosenlof Talks At Graduations

Dr. G. W. Rosenlof, director of admissions, gave two commencement addresses May 28. He spoke on "To What End" at Wayne State Teachers College, and at Beatrice his subject was "Heritage to Defend."
