Society...

One of the shocks of the year comes when we see Mary Larkin, Pi Phi, wearing the Sigma Nu pin of John Dean; especially since, some three weeks ago, she went home with the DU pin of Milt Meier. Speaking of the DU's we understand that Leonard (Woman Killer) Dunker, isn't giving the local skirts the huge thrill this summer. It seems that he would much rather wait for Jessie Moore, DG to make the large break with Beta Bob Lichte.

Knights of the Round Table would grow with envy at the King Richard sterling silver pattern of beautifully carved scrolls which Gardner's are featuring this month of orange blossoms and vows. Speaking of the June weddings reminds us of the Fred-Meier-Jane Porter nuptials which will be spoken tomorrow. Fred is of the DU, football, Innocents fame while Jane wears the pin of Kappa Kappa Gamma.

Another twosome middle aising

it this month were Bette Cox, the beauty queen of Huskerland and med student Marion Brotsma. They probably stopped in to view the beautiful hunks of silver at Gardner's Jewelry, 1220 "O" street.

Jim Bell, Beta, and Betty Krause, Pi Phi, are back for summer school, they are usually seen whipping around in Jim's whirling dervish. Another steady deal is that of Mary Aileen Cochran, Theta, and Duane Schmeckle, who is leaving for the army the 15th. Needless to say, they are together constantly. A steady deal in the offing is that of Annie Hastings, Theta, and Dee Deputron.

And picnics seem to be the call of old mother nature these last few weeks. And speaking of picnics brings to mind a swell treat to take along for cooling effects in the form of Fairmont's smooth and satisfying ice cream. Picnic goes this week end will include Jean Porter, Pi Phi and an import from the Delt chapter at Missouri. Also out for the night air will be Pris Mosley, Alpha Phi and Bob Irvin, who made so many hearts flutter. A Fairmont dealer is always ready to supply your picnic with ice cream at the same old comfortable price.

Kay Tunison, Kappa, spent a "marvelous" week-end in St. Louis visiting Mr. Chuck Pillsbury and other Nebraska cronies.

One of the spring war-brides, Marge Runyon, Kappa, is home again since her husband, Gus Elam, Phi Delt, who is in the army air corps, has been sent to foreign duty.

Dream . . .

(Continued from Page 1.)

Phi, and Alpha Phi houses. Their schedule shows breakfast—7:15-8:00. Either they are expected to eat a lot or someone is accounting for the fact that it will take them at least one half hour to wake up sufficiently to eat breakfast, which may easily be the case after the full days they are going to put in.
