By Janet Haggart

Pin Hanging of the Week.

Yes, it finally happened. The man, who has always boasted that he is immune to women, has caught the fever. The Phi Gam diamond belonging to Bill Long is now being worn near the Theta pin of Anne Hastings. It just happened last weekend. That definitely crosses out ATO Mark Hargraves who, until this summer, was going steady with Anne.

Another pin hanging that sounds rather fishy, if you ask us, is that of Sig Chi Bob Black who hung his Sinfonia pin on an unknown member of the fair sex. Bob doesn't even know her name—hummm—a mystery woman.

It is quite an event about the campus when one of these so called woman haters—anyway, that's what they call themselves—hangs his pin. We are just waiting for the day when such a thing happens to DU Leonard Dunker who recently made the statement that he would never hang his pin. Why doesn't someone break that up?

Gems

are sparkling on the third finger left hand of many Nebraska co-eds who recently received them. That diamond of Pi Phi Shirley Scott given her by John Burnham of Lincoln is especially beautiful. And this climaxes a keen little romance that has been going on for ages and is the real stuff.

Theta Shirley Woods just received one from Milt Peterson of Omaha who goes to Pennsylvania

U. And Eloise Rogers of the Kappa house is wearing a luscious ring given her by Dick Agee formerly of UN. Wedding plans are already being made by Eloise and Dick and the wedding will be soon.

Dorothy Griswold

Alpha Phi is very happy these days because pinmate John Gayer, Alpha Sig, is here visiting. He is going to be a military instructor at Harvard. Wedding bells will ring for them this fall.

The Smoother Rhythm

of Jay McShann drew many to Kings' last weekend for dancing. Among them were Alpha Chi Wilma Schacht and Phi Delt Bud Kryger, a couple seen together frequently this summer; AOPi Penny McBride and Sig Chi Dale Harvey; Emil Reutzel, Phi Delt who came down from Neligh for the weekend with Alpha Phi "Bugs" Jerner of Lincoln; Alpha Chi "Aggie" Fox with Kappa Sig Bill Flory and Phi Delt Bob Deviney was with his pinmate Betty Hodges who came for the weekend from South Sioux City. Benny Joliff, Sigma Chi, came from Cheyenne, Wyo., to see AOPi Peggy Carpon last weekend, and they also took in Jay McShann. Alpha Chi Wanda Crumbaugh was there with Carl Kugel a DU from Iowa U. and ditto Betsy Wright dashed from dancing at the Turnpike to Blue Barron out to Kings to hear Jay McShann with Bob

Smith who is living at the Beta hut this summer.

Change of Plans

was made by Theta Dorothy Chase and Phi Psi Carl Harnsburger and they were married Monday here in Lincoln at the Episcopal church. Only their parents and very close friends were present.

Dancing to Blue Barron

Saturday were Pi Phi Mortar Board Helen Kelley and John Hawthorn of Wesleyan U., celebrating John's last weekend before he left for the dear old army.

Back in Town

are Tess Cassady Oldfather and Marian Kidd Smith formerly of these stamping grounds. Tess and husband Chuck have been in the east while Marian and John have been living in Ogden, Utah, where John is a civil engineer.

Alpha Sig

Dave Kinsman is looking forward to this weekend because Verleen Kosch, who has been home in Bellwood this summer, is coming down. Also Hal Moore, Phi Gam, is coming to see Dorothy Huffman, Alpha Phi. And Bob Green ATO, who has met the draft board face to face will be in town to see Mary Martin Tunks, Triple Delta, before he leaves for the army. D. U. Steve Wiles traveled from Plattsmouth last weekend to see Alpha Phi Becky Ely.

Gamma Phi

Helen Kiesselbach gave a dinner party Sunday night at her home for the speech department faculty and a group of the students. After dinner they played "The Game"—sounds great, doesn't it—and Ronnie Metz—we might have known it—won the prize.

A shower

for Rita Dosek Tri Delta who was

married Monday to Delt Keith Evans, was given Friday at the Cornhusker by Wauneta Fisher. Theta Ruth McMillan gave a shower for Marie Anderson Wednesday at her home. Marie will be married in August to Don Fitz who is a lieutenant at Fort Sill, Okla.

Ted Pittinger,

you know, that fellow who never short changes you at the cashier's stand in the Union Cafeteria, will be off to the army soon, he fears. Anyway, One and Only Arlene Hadan, who is spending the summer working here in Lincoln while Ted goes to summer school, is hoping that he will be back, too, this fall.

Delt

Chuch Shubert was in town Monday on his way to Fort Sill, Okla. from Camp Roberts, Calif., where he was stationed as a second lieutenant.

Pi Phi

May Jay Schmer was to see "Mrs. Miniver" the other night. We hear it is superb.

Anne Fickling

Alpha Phi will be off to Omaha just as school is out to see sister Pat Prime.

Wings

are being worn by AOPi "Vi" Moyer, from a fellow located here in Lincoln at the air base. And Betty Schnell has those of Bob Veach, who's back from California for a week.

AGR

Laverne Curry whipped up to St. Paul Saturday to see pinmate Elizabeth Krueger.

More Diamonds

just received by Gamma Phi Mary Ellen McCracken from Melvin Johnson formerly of UN who is a second lieutenant at Fort Benning,

Ga. They plan to be married Sept. 4 at Fort Benning where they will make their home. Also Gamma Phi Meda Mae Albrecht has a diamond from Francis Cox who is working at Wahoo this summer. This is one of those romances that started way down in the grades.

To the army

will go Al O'Connor, Phi Gam, Aug. 15. He will be located at Camp Roberts, Calif., a second lieutenant in the field artillery.

Just returned

from vacationing in Cheyenne is "Pickles" Hines where he was for Frontier Days and to see Gamma Phi pinmate Jean Bovard.

Also Gamma Phis

Elaine Weiland was picnicking last weekend down at South Bend with Otis Litts, who is working in the bomber plant this summer. And Janice Babcock of Cheyenne has been seen about the Union lots lately with EAM Bob Branson.
