MAGEE'S are ready for school, too!

We've been looking ahead all summer to the excitement of Rush Week and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." We've and the thud of footballs that mean, "school is starting again." Campus clothes must be rugged...
we found that out years ago. This
year we've picked leisure clothes
that are really unusual...yet they'll
give a big measure of wearability.
You'll find everything for campus
wear in our first floor and downstairs men's departments. So start
out right and get your clothes early
while selections are greatest...so
you get the first choice for once.
We'll be waiting to serve you!

... and don't forget MAGEE'S DANCE PARADE

- * Two solid hours of music from the nation's top bands-coast-to-coast.
- * Every Monday through Friday . . . 10 p. m. to midnight . . . KFOR.
