Annual Faculty Reception Ushers In Informal Regime for Duration

In accordance with the new university ruling that all student affairs on campus are to be "informal for the duration," the annual faculty reception given by Chancellor C. S. Boucher this year on Oct. 10 will be an informal occasion.

In this way the faculty will be abiding by their decision to encourage students to introduce inexpensive entertainment features by giving up evening clothes until the end of the war emergency.

T. J. Thompson, dean of student affairs and chairman of the faculty senate committee on student organizations, announced the committee's decision late in the past summer, and said that this ruling was in line with requests made by several student groups.

The committee's aim is not to reduce necessarily the number of functions, but to encourage student organizations to seek other ways to reduce entertainment expenses. The policy is looked upon as appropriate to the times, and places Nebraska among the foremost of the various colleges in the country to give up the excitement of the winter formal season in deference to the "boys up front."

Present plans are that the Military Ball will be held, but, contrary to popular rumor, it will be informal. In past seasons, this event has marked the opening of Nebraska's formal season. The informal ruling will also apply to the Mortar Board party, the junior-senior prom, and other all-university functions, as well as to smaller parties.

Professor J. E. Kirshman, chairman of the department of economics, "Opportunities Open to Graduates," Professor O. R. Martin, chairman of the department of business organization and management.

SCHOOL OF FINE ARTS:

Colorado's sugar beet crop is expected to be 500,000 tons larger than last year, according to the Colorado Crop Co-operative reporting service.

Convo . . .

(Continued from Page 1.)

Announcements will be made during the convocation pertaining to the guidance examinations and registration procedures.

Guidance exams will start this afternoon at 2 o'clock when the general aptitude and reading test

will be given to all freshmen and transfer students with less than 53 hours in the coliseum. Friday at 9 a. m. the mathematics test is scheduled; Friday at 2 p. m., the social studies and natural science, and Saturday at 9 a. m., the English usage exam.

Exams for Guidance. These exams are not entrance examinations, Dean Bengtson emphasized in telling about them. "They are given with one purpose: to enable the faculty to advise the students with more certainty as to the courses he can take successfully."

Programs for the various college convocations are as follows:

AG COLLEGE:

10:15 a. m.—Convocation, room 20, Merrill Hall.

Presiding, C. C. Minter, associate professor of vocational education.
