### Keep 'em Rollin' . . . Daily Offers Special 'Hippage Removal' Schedule for Coeds

Start rolling! is the call that is going out to all females of datable age. Skirt silhouettes are startling and will remain so for the duration of the war. Skirts are so snug across the derriere and the hemline is frozen at sixteen to seventeen inches from the floor that without width or length, you can't have breadth.

If you want to fit into a new creation you may have to alter

your hip line, if so, the easiest and quickest way is to roll straight across it. If for seven days you will do twenty-five full rolls a day, you will have a smoother line.

Are you interested? It is very simple and this is how to begin.

#### Roll!

Lie on your back, full length, and start with a good stretch, relax, and then start rolling. Cross over on one side, back across the

hip line, and over on the other side. Keep on for the count of fifty, then relax. It is so simple that you won't mind doing it.

But you can't stop at hip slimming, the leg contours are so mercilessly exposed by short skirts that you will want a lovelier calf-to-ankle contour. The following isn't a hard exercise and makes a far better taper.

#### Roll!

Lie on the floor with legs stretched straight down. Holding knees together bend them, raise feet off floor, and as you do so flap feet up and down from the angles. It is just like paddling. Slowly raise legs, while paddling, until they are straight up from hips, then lower. Slide legs downward until they rest on floor. For

### Society...

With the week end, life returns to the campus. . . . House parties, picnics and what-have-you. . . . ATOs Jim Nicola, Fin Howard and Carl Petty will do their picnicking this week end with Helen Johnson, DG, Jean Kerl and Natalie Porter, Kappas. Chaperones Jim Van Landingham and John Mason will see that everything is in order (?).

We hear of more and more of these Tri Delt-Phi Gam dates. Friday night will see Adeline Leigh and "Beep" True hitting the high spots with Russ Ledger and John Binning. . . . We heard via the grape vine that Dick Luther of the DU Luthers has found himself three dream-girls, namely: Jean Donley, Delta Gamma; Theta Toni McQuiston, and Jean Cullinan, Kappa. No doubt his dreams are pleasant.

#### Shoulder Arms.

Woe to the poor pheasant who shows his tail feathers this week end. ATO sharpshooters Ron Finley, Don James, John Karkins, Carl Petty, Bill Harsh, Jim Nicola, Bob Jungman and Jim Critchfield

a good stretch of the calf muscles, curl toes up toward insteps. Relax completely, and repeat about five times.

Well, gals, do you really want a good line, figure line? If so, try this simple exercise that takes so little time and watch the lumps roll away.

are all out after them. . . . Also shouldering their firearms will be FH boys Warren Hutchins, Gerry Abbenhaus, Lee Biggs and Bob Rauner.

They say that there's one born every second — anyway, Jerry Kathol is betting Allan Chapman that Nebraska comes out on the long end of the score this week end. If we don't win, Jerry will be pushing a peanut down the white stripe on "O" street Saturday evening at 7. Allen gets the privilege of boosting the peanut if Minnesota loses. No matter how the score comes out, some one will have a skinned nose, so don't forget to be on hand to see it.

#### Parties Informal.

Saturday is the night of house parties. . . . The Sig Alphas are having their usual "informal" affair. . . . Louis Seybold, Reg Davies and Nat Kline will be on hand with Kappas Nancy Newbranch, Pat Catlin and Mary Ralston. Bob Gosset and Bill Hewit will be taking Chi Os Lois Metcalf and Betty Dunlap. . . . Slacks and cords are the order of the evening at the Alpha Chi Penn Woods party. Incidentally, the party will be at the Alpha Chi house, not out at the woods. Among those present will be Janet Mason and Phi Delt Duell Andreson and Nance Green and Charlie Cook, Sig Nu.

The Wednesday morning histology lab spent an hour hanging out the window last Wednesday watching the amorous attention Con Healy, Phi Gam, was paying some girl. Now all the fellows
