

### Society...

Another week past, another week-end almost histo, and the dreary prospect of five more days of drudgery. As we dragged our weary corpus delecti over ye olde campus we noticed various and sundry comings and goings of a so-called student body.

The usual Friday eve trek to the "Pike" saw such amiable personages as Phi Psi Johnny Cook and AOPi Eunice Stebbins; DU Bob Trenchard and Pi Phi Delores Weaver; Triple Delt Barb True with another DU Bert Brown; SAE Dick Nash with Alpha Phi Betty Jerner; and Theta pledge Lois Wright with Beta Bill Edwards.

The Deltas, collectively and individually would like to know who Becky Waite's secret admirer in her sosh class is. How about it?

#### Belles and Bells.

Wedding bells are ringing over the Sigma Kappa house today. Eleanor Kent is marrying Lt. Ken. Druitt, Lambda Chi from Oregon whom she flew down to Texas to see a couple of weeks back.

"Tis Autumn" and house parties are still in full swing. The Sigma Kappas, SDTs, ACBSs, the Dorm, Kappas, and the Phi Psis took their turns at entertaining. While up in Omaha the Phi Rhos threw a whing ding Saturday night that really was one. Taking in the Dorm affair were prexy Shirley Phelps with Johnny Bes-

### Navy's Answer . . .

## UN Women May Join WAVE Reserve and Stay in University

Not to be outdone by male students, UN girls will have a chance to enlist in a reserve. Dean T. J. Thompson, armed service representative, was informed yesterday by the Bureau of Navy Personnel

tor; Ann Wellenseik with ATO Warner Stevens; Laura Lee Mundi with another Tau Don Papez; and Sammies Ir Braverman, Bud Schwartz and Bud Levinson with Shirley Babendure, Sylvia Bernstein and Barbara Veta, respectively.

#### DU Buffet.

This evening the DUs are entertaining their dates at one of their famous buffet suppers. Among those present will be Darl Larson and Jill Smith who have decided to call it steady after eight weeks of dates and more dates. . . Another couple who you can add to your list of those no longer available for dates is Betty Jean Haney, Kappa, and Kappa Sig Bill Florey.

Anything under about six karats is strictly taboo around here anymore judging by the size of the sparklers that gals have been raking in of late. Latest addition to the third finger left hand wearers is Margaret Burnstead, Alpha Phi, and the fellow in this case is none other than Joe Krone.

Jane Johnson and Paul Stoesz are another couple that are now going steady. . . Marian Mann of the tennis playing Manns is now sportin' a sparkler from Don Moore, who attends the University of California.

It looks like a couple of steadies with Freda Sobel SDT pledge and ZBT Duke Shmo, and also an up and coming twosome of Dorothy Swartz SDT pledge and Norm Veta SAM who were seen at the Sigma Delta Tau "Nut" party Saturday night.

In town to see future pin mate Harry Goldstein SAM is Ceese Friedman, SDT alum.

And by way of closing we want to warn you that when you hear a couple of weird sounds coming from your radio 'long about 11 p. m. Mondays and Thursdays just ignore it and go right on with your studying—it'll be over in just five minutes so just grit your teeth and bear it.

### Barb Coeds Meet Tomorrow Night

Members of the BABW and Interhouse Council will meet Monday at 8 p. m. in the barb office of the Union, as announced by Pat Sand, BABW president.

that girls may enlist in WAVE reserve.

All WAVE officers must be college graduates. Girls who enlist are under a classification V-9, which compares to the naval reserve class V-7 of men college students and leads to training and ultimate commissioning in the Naval Reserve.

Enlisted women (class 10) have many fields open to them; they must be high school graduates. Their duties will be those of stenographers, typists, accountants, telephone and radio operators, receptionists and clerical work.

#### May Graduate.

Women students who enlist in V-9 reserve are allowed to graduate, and then are sent for a training period to some college for officers' training. During this period WAVEs are not allowed to get married. After training is completed, an enlisted officer WAVE may get married provided her husband is not connected with the navy.

UN girls who are interested in being a WAVE are urged to see Dean Thompson where more information may be given. Join the navy and be a WAVE!

## Student War Council Names Pat Chamberlin New President

Courtesy, Lincoln Journal.

New chairman of the War Council, Pat Chamberlin, is news editor of the Daily, and a member of Kappa Alpha Theta.

Organized last year by the Daily and a group of war-conscious students, the Council coordinates war effort on the campus. Currently, the group is promoting sales of victory stamp corsages for the Military Ball, sales to begin Tuesday, Nov. 17, and continue through the week.

## Dr. Bengtson Edits Book on War, Peace

Dr. Nels A. Bengtson has been consulting editor over the past several years for 14 volumes in a series of geography textbooks. The

DEAN BENGSTON.

latest is called "America at War," and is an analysis of the relative geographic strength of the United States and her enemies.

Not a propaganda book, it analyzes from a geographical standpoint the war situation and points to problems to be met when peace comes. Six contributors from the faculties of Yale, Clark, and Massachusetts State Teachers have written upon different aspects of the war picture, and the volume is accepted as having value in the war effort.

Dean Bengtson is head of the university's junior division, and is chairman of the geography department.

### Wilkins . . .

(Continued from Page 1.)

Wilkins reached the United States after interviewing royalty and leaders of the vast area which included Japan, China, Burma, French Indo-China, Thailand, Malaya, Singapore, the Philippines, the Dutch East Indies, and Australia.

In 1940 Sir Hubert made a narrow escape from Paris and France as the nazis were pouring into the country. For 20 consecutive years he had been an annual visitor to Europe, had been

a familiar figure in its capital and the intimate of its noted personages.

#### Becomes Consultant.

Wilkins became consultant to the Army Quartermaster Corps in Washington soon after after Pearl Harbor. In 1940, because of his knowledge and technical ability, particularly in the field of aviation, he was called to London.

Sir Hubert, who has an earned knighthood, was born in Australia and knows his country as few men do—its past, its present and its future possibilities. He is considered one of its most distinguished citizens.
